Annual General Meeting

Come along to the AGM, hear about the activities we support and consider how you’d like to participate with this community of parents.

**Wednesday 26 November**

**7.00pm start**

**Ashton Room**

The Friends of PAC is an energetic and passionate group of parents across all year levels (ELC-Year 12) who meet regularly during the year to actively support the College, building strong community spirit while also raising significant funds to improve the educational facilities provided to the boys.

The Friends of PAC encourages the parent community to meet socially through school events such as morning teas, fashion parades, cocktail parties and family events, and supports school events with sausage sizzles and cakes stalls for the boys to enjoy and generally adding to the strong tradition of school spirit at PAC.

We like to think that when a student enrols at Princes – the whole family becomes involved in the College. We welcome and encourage all families to become active in the Friends of PAC.

Contact President Rachel Walsh or call 8334 1200 for more information
