## ART

### Little Picassos

Little Picassos aims to encourage and develop creativity in every child. We value their ideas whilst providing the opportunity to have fun, explore new concepts, experiment with a range of materials, and create original works of art in both two and three dimension. Art areas to be explored include drawing, painting, printmaking, collage, construction, clay, sculpture, textiles and mixed media. We look forward to working with students to explore the exciting world of art, and are pleased to also offer weekend and holiday programs at our [four suburban studios](#) throughout the year, as well as [birthday parties](#) and [events](#) for children and adults alike!

To commence from Week 1, Term 2 2025 [2/05 - 20/06].

## ARTIFICIAL INTELLIGENCE (AI) CLUB

### AI Camp

The AI Club is a specially designed program for students in Year 1 to Year 6, offering an exciting introduction to cutting-edge AI technologies through hands-on learning. Children will have their curiosity sparked, explore their creativity, and build foundational AI literacy.

Participants will engage with robot dogs, create digital art, explore generative AI, design AI-powered games, and solve real-world problems. They will also learn basic coding concepts, equipping them to understand and use AI in simple and practical ways. Through collaboration and exploration, children will discover the limitless possibilities of an AI-driven future.

Year 1 to Year 3 classes commence from Week 1, Term 2 2025 [30/04 - 25/06] / [2/05 - 27/06].

Year 4 to Year 6 classes commence from Week 1, Term 2 2025 [30/4 – 25/06].

## DRAMA

### Trinity Drama

Trinity Drama is ideal for boys who wish to improve their speech skills (public speaking, debating) and their drama skills (using their bodies / voice for communication) and is suitable for both experienced and new students. Both group classes and private lessons are on offer at PAC. Free trial lessons are available, and private students can take AMEB speech and drama exams if they wish.

Alicia Zorkovic has been running the program at PAC since 2018, as well as at a number of other schools in Adelaide over the past 15 years. She has co-directed PAC productions and has her own youth theatre company, 'Actually Acting Youth Theatre', which produces plays during the school holidays and has featured a number of PAC students over the years. She is also an accomplished actor and performer. Private lessons also by appointment.

To commence from Week 2, Term 2 2025 [5/05 – 23/06].

Schedule: Mondays, 3.35pm to 4.35pm

## ENGINEERING

### Lego Club Engineering & Robotics

Young Engineers has been operating in Australia for over a decade, partnering with hundreds of schools. We are excited to now launch in Adelaide, and bring our program to PAC. Some of the STEM topics we explore include forces, motion, symmetry, gear/belt/chain transmission, gear boxes, lift/drag, robotics and coding - all using Lego. We are on a mission to help more kids learn and love STEM, and will be working in conjunction with PAC's STEM Program as run by Mr Thompson.

Year 1 to Year 2 classes commence from Week 2, Term 2 2025 [5/05 – 23/06].

Year 3 to Year 6 classes commence from Week 2, Term 2 2025 [6/05 – 24/06].

## MUSIC

Our extensive music program allows boys to develop skills in a wide variety of musical settings. Whether they are new to music or musical prodigies, we offer a range of ensembles and tuition programs for our boys, including regular rehearsals and performances.

For boys who are not yet learning a specific instrument via weekly lessons, the vocal ensembles and drum corps offer a great starting point for ensemble music, while other ensembles cater to those who are actively learning an instrument (i.e. Strings for violin / cello, Bands for trumpet / flute, etc).

To commence from Week 1, Term 2 2025.
