ART

Little Picassos

Little Picassos aims to encourage and develop creativity in every child. We value their ideas whilst providing the opportunity to have fun, explore new concepts, experiment with a range of materials, and create original works of art in both two and three dimensions. Due to the huge undertaking of a Big City Exhibition taking place towards the end of Term 3, we are not running a weekly program, but offering individual classes as outlined below (each to be booked separately, depending upon your interests). We hope you can also come along to the exhibition, to see 600 artworks by Little Picasso students; we will share more details when this opens in late September.
