ARTIFICIAL INTELLIGENCE (AI) CLUB

AI Camp

The AI Club is a specially designed program for students in Year 1 to Year 6, offering an exciting introduction to cutting-edge AI technologies through hands-on learning. Children will have their curiosity sparked, explore their creativity, and build foundational AI literacy.

Participants will engage with robot dogs, create digital art, explore generative AI, design AI-powered games, and solve real-world problems. They'll also learn basic coding concepts, equipping them to understand and use AI in simple and practical ways. Through collaboration and exploration, children will discover the limitless possibilities of an AI-driven future.

To commence from Week 2, Term 1 2025 [05/02 – 09/04].

NB: 12 – 20 students per session

Schedule: Wednesdays, 3.45pm to 4.45pm

Venue: Prep STEM Room

Age Group: Year 1 to Year 6

DRAMA

Trinity Drama

Trinity Drama is ideal for boys who wish to improve their speech skills (public speaking, debating) and their drama skills (using their bodies / voice for communication) and is suitable for both experienced and new students. Both group classes and private lessons are on offer at PAC. Free trial lessons are available, and private students can take AMEB speech and drama exams if they wish.

Alicia Zorkovic has been running the program at PAC since 2018, as well as at a number of other schools in Adelaide over the past 15 years. She has co-directed PAC productions and has her own youth theatre company, 'Actually Acting Youth Theatre', which produces plays during the school holidays and has featured a number of PAC students over the years. She is also an accomplished actor and performer.

SPORT

Sport at Prince Alfred College is an essential part of our co-curricular offering. Our extensive sports program allows our boys to face challenges, build team spirit, strengthen their bodies and achieve individual and team goals. From Reception to Year 12, each boy has the chance to learn sporting skills and discover which game best suits them.

SPORT

Kelly Sports (Cricket and Tee Ball Program)

This weekly program gives children skills and confidence in a fun and enjoyable environment. It also encourages their enthusiasm for sport and the life skills that such involvement brings – giving them confidence to join sports clubs and teams in the future.

SPORT

Tennis Ed

Tennis Ed is continually being developed by Jack Schipanski and Josh Gregg, based at Prince Alfred College. It is one of the most comprehensive school tennis programs catering for young beginners through to the most elite juniors in Australia. Their successes in state and national tennis championships are testimony to this.

Tennis Ed provide tennis lessons with a coach to player ratio of one to two. Players are engaged and active during all sessions. They also run holiday clinics for various age groups – see website for more information. They are currently promoting classes for Reception aged students per below, but please enquire directly for information about other age groups.
