

Year 8 Outdoor Education Program

Scotts Creek Outdoor Centre 2026

February 2026

Dear Parents and Carers

Your son will soon be taking part in the Year 8 Adventure and Challenge experience. Students will take part in a 3-night kayak expedition on the River Murray and finish their journey at the Scotts Creek Outdoor Centre. The purpose of the program is to develop teamwork, leadership and expedition planning skills as well as fostering a personal growth in resilience, independence and self-confidence as the boys embark upon their final Scotts Creek adventure at PAC.

A tutor will accompany the students and outdoor education staff from the Scotts Creek Campus will facilitate the program.

To help your son prepare for this program, please read this Program Information Booklet noting the key information you need for a safe, fun and successful camp.

The expedition part of this camp is self-catered. Please take the time to read the extensive catering guidance provided in this booklet.

We look forward to a fun and adventurous program that will help boys form and strengthen friendships and develop confidence for their Wambana experience next year.

If you require any further information, please contact me on 0436 636 565 or dcibich@pac.edu.au

Yours sincerely,

Daniel Cibich
Director, Scotts Creek Outdoor Centre

Catering and Menu Planning

The expedition is self-catered. The boys should work in pairs to plan their menu, shop and prepare their food. They will also need to complete an online fruit and veg order which will be ready for them to collect when they arrive to camp.

Students will need to menu plan for:

- 3 Breakfasts
- 3 Lunches (Note: Day 1 recess and lunch will need to bring prepacked from home with no fruit and veg)
- 2 Dinners (SCOC will provide 1 dinner while on the paddle journey)
- Snacks for 3.5 days

Fruit fly outbreaks in South Australia have forced PIRSA to place strict controls on bringing fresh fruit and vegetables into the Riverland. This means that **NO fresh fruit and vegetables** can be brought to camp. You can bring in fruit and vegetables that are in a tin or that have been dehydrated.

Fruit and Veg order

- An online order form will be given to the tutor and cooking pairs should complete this together 2-weeks before their camp date.
- Your fruit and veg order will **not be available until dinner night 1**. You will need to bring your day 1 lunch from home that does not include fruit and veg. Something like cheese and bacon scroll from the bakery or a vegemite sandwich is a good option.

Menu Planning Advice

- Prince Alfred College is a **NUT Aware school**; therefore, students are asked **not** to bring nuts.
- **Don't bring fresh meat or fish.** We suggest dehydrated products such as jerky, canned meat, canned fish, salami or mettwurst.
- **Avoid brining glass.** It's heavy and breaks easily.
- **Quantities.** Do you need to bring the whole packet, or can you portion the exact measurements you will need? Zip lock bags are great for this.
- **Rubbish:** You will need to carry all your food waste and packaging for the duration of the paddle so bring a garbage bag and bring minimal packaging.

- We recommend food to be transported in a cold bag from Woolworths or Coles.
- **Clearly label your food bag** with your name so you can easily identify it.

Breakfast

Make sure you have a big breakfast to set you up for the rest of the day. Estimate more than you usually would per serve as you will be more hungry than usual.

- Cereals
 - o Weet-Bix, muesli (something filling) is the best, but all cereals are OK
 - o Measure each serve with your usual breakfast bowl into a zip-lock bag or bring small sachet.
 - o Milk: long-life milk or powdered milk. (the 250ml fruit box size is best)
- Breakfast Bars
- English muffins, crumpets or fruit loaf with small sachet of jam, honey or vegemite.
- Fresh fruit or tubs of diced fruit (SPC/Goulburn Valley)
- **UP & GO drinks are not a sufficient** breakfast by themselves. However, they will be allowed as a side.

Note: No pancakes or pancake mix. No Bacon and Eggs. **There will not be time to cook a hot meal** on the Trangia in the mornings. Boiling water is ok.

Lunch

Students will **need to bring Day 1 lunch packed from home**, something that does not include fruit and veg. A cheese and bacon roll, or a pizza scroll from the bakery, or a cheese and vegemite sandwich is a good options for day 1 lunch.

We will stop for lunch on the side of the river and have time to prepare food. There will not be enough time for Trangia use at lunch. **No Hot lunches.**

- Wraps, long life pita pockets, pumpernickel bread, Sao's, Cruskits, Salada, Country Cheese crackers, Corn thins or Vita Wheat biscuits.
- Flavored chickpea snack tin, flavored corn snack tin, flavored lentil snack tin, kraft cheese, capsicum, cherry tomatoes, carrot, celery, cucumber, avocado, baby spinach.
- Meat: tuna sachet/tin tuna, mettwurst, salami.
- Spreads: mayonnaise, small dip sachet, mustard, chutney, jam, vegemite

Dinners

After a big day of activity, it's a nice feeling to have a good meal to look forward to. You can mix and match from the below suggested meal ideas. Try and have at least 3 vegetables in your dinner to provide you with the energy you're going to need on camp.

Dinner ideas

- Mexican burritos
- Butter chicken
- Veggie Stir Fry
- Lemon Tuna Cous Cous
- Creamy Carbonara Pasta

Suggestion: Day 1 dinner can be premade at home and frozen in a container to make for an easier first night meal preparation.

Suggested Dinner Recipes

Mexican Burritos

Ingredients

- 3 wraps per person
- 1/2 onion cut finely
- 1 red capsicum diced

2. Boil 1 pot of water. Once pot is a rolling boil. Take off the heat and place the packet of rice in the water to warm up. (keep rice in packaging, ensure whole packet is under water)
3. In second pot, sauté onion with a splash of water until translucent.
4. Stir in taco seasoning and tomato paste.
5. Add beans, tomatoes capsicum and corn.
6. Test rice for liking, can add rice to the burrito mix or serve separately.
7. Scoop a spoonful into wraps and top with cheese.

- 1 x potato diced
- ½ punnet of cherry tomatoes, halved.

- 125g tin corn

4. Add zucchini and mushrooms, cook until soft.
5. Stir through cream, cook until desired.
6. Drain water from pot of noodles, serve with grated cheese on top (do not put cheese in Trangia bowl as it will stick)
