Boys have access to various playgrounds, sporting equipment and open spaces during breaks, and have 'movement breaks' incorporated into lesson time as required.

One of our four College values is 'Belonging'. Our parents, supported by the '[Friends of PAC](#)' (FoPAC), have many events and opportunities to get to know one another and welcome new families to our community.

### **Parent Representatives**

Parent Representatives play an incredibly important role within the College community. New families are encouraged to ask their son's class teacher to put them in contact with their FoPAC Class Representative.

### **Volunteers**

Throughout the year we require volunteers for various activities and events. All volunteers must have valid working with children checks. There will be a volunteer information session held in Term 1 – please speak with your son's teacher if you are interested in volunteering.
