Welcome to Winter Intercol 2026

First contested in 1871, Winter Intercol is one of Australia's oldest school sporting traditions. As host of the 156th Winter Intercol, we warmly welcome Mr David Roberts and the Prince Alfred College community to St Peter's College. We are proud to uphold a relationship shaped by generations of students from both schools.

Together, our schools share a commitment to recognising the individuality, energy and potential of every boy, and to creating experiences that enable them to grow into capable and compassionate young men.

Sport is an important part of that education. It allows you to test yourself, contribute to something beyond yourself and build character. It asks you to perform without certainty, respond when things do not go your way, persist when improvement is not immediate and learn from mistakes. In doing so, it develops courage, resilience, discipline, humility and teamwork.

While bragging rights in your local postcode are always highly prized, Intercol cannot be measured simply by the scoreboard. It is also about who our students become through participating, supporting their peers and representing their School with integrity.

After a particularly wet winter, our Grounds team has worked tirelessly to prepare our fields and facilities. I sincerely thank them, together with our staff, coaches, officials and volunteers, who generously give their time and energy to deliver our sporting program.

I wish all players, coaches and supporters every success. May this year's Intercol be a spirited and respectful celebration of school sport and the enduring friendship between our two schools.

Tim Browning | Headmaster
St Peter's College

We once again come together for the 156th Winter Intercol between our two great schools and I welcome families that are new to this wonderful festival of sport. The strong sportsmanship and camaraderie shown by our players and spectators reflects the values we share as a community. We continue to uphold and

promote these values by playing and supporting the game in the right spirit, displaying dignity in both victory and defeat, and showing respect for the opposition, umpires and the game itself.

We have always maintained it is the spirit in which we take part that must remain central to this friendship and rivalry. We know how fortunate these boys are to attend our schools and live each day with the benefits of a liberal all-boys education.

I thank the Headmaster, Mr Tim Browning, and the St Peter's College community for their hospitality – particularly we thank the grounds teams of both schools that have worked through a particularly wet and cold winter to prepare our grounds and facilities. I have every confidence that the boys from both schools will again compete with a level of effort and intensity befitting the occasion. Above all, they will demonstrate sportsmanship and humility, whilst preserving and strengthening the friendship that exists between the two schools. We wish all players, coaches and supporters from both schools well for the 2026 Winter Intercol.

David Roberts | Headmaster
Prince Alfred College
