Staffing list and email contacts

Classroom Teachers:

David Leung (3L) - dleung@pac.edu.au

Christopher Richards (3R) - crichards@pac.edu.au

Peter Waters (3W) - pwaters@pac.edu.au

Support Teacher:

Steph Thiele sthiele@pac.edu.au

Specialist Teachers:

Specialist lessons are an essential part of the curriculum and are not a stand-alone component. Boys are to come to lessons prepared, orderly and sensible, and willing to learn and contribute to the lesson. Communication between school and home is essential and we ask that if you feel the need to contact a specialist teacher, you initially do so by email.

Physical Education

Sam Barton - sbarton@pac.edu.au

All Reception to Year 6 boys receive one 60-minute Physical Education lesson weekly. Boys are allowed to wear their PE uniform to school on the day of PE.

Swimming lessons for Year 3 take place during Week 4. Further information will be provided closer to the time.

Language- Chinese

Judy Zhu – jzhu@pac.edu.au

All Reception to Year 6 boys participate in the Chinese program offered in the Preparatory School.

The boys build knowledge, skills, and confidence in communicating in Chinese through the program. The boys also develop an understanding of the interrelationship between language and culture. The learning experiences include a range of activities such as singing, interviewing, filming, viewing, exchanging information, language games, role-plays, projects, online research, Chinese calligraphy, artwork, and cultural performances.

The Arts

Sophia Butler– Music Teacher - sbutler@pac.edu.au

Kellie McCauley – Art Teacher - kmccauley@pac.edu.au

Adam Mason - Band and Music – amason@pac.edu.au

The Music and Art program is offered to all boys from Reception to Year 6. Through the Arts programs the boys develop their knowledge and skills in these areas.

STEM

Russell Thompson - rthompson@pac.edu.au

STEM lessons are held in the STEM classroom.

Homework expectations

Each week, boys are expected to diligently engage with a variety of English, Maths, and Wellbeing experiences as part of our ongoing homework program.

We recognize the diverse needs of boys and their families. Therefore, we do not prescribe specific tasks for specific nights. Neither will we send unfamiliar content for the boys to learn at home. Rather, weekly homework tasks will focus on the review and consolidation of content already visited in class.

Each Monday, your son will bring home his Homework Book inside his Take Home Folder. The allocated tasks can be undertaken in any order, but, they must be completed by Friday morning for self-assessment, peer-review, and teacher feedback.

Take Home Folder

All boys in Year 3 are expected to carry their Take Home Folder from home, to school, and back again each day. These can be ordered through the College Uniform Shop.

Eating and drinking

We have three eating times during the day and give the boys 10 minutes of supervised eating time during morning snack (fresh fruit or vegetables only), recess and lunch. Please remember we are a nut aware school.

Parent Volunteers

Throughout the year we require volunteers for various activities and events. All volunteers must have a valid working with children checks. There will be a volunteer information session in Week 8, March 21 at 8:30am. Please speak to your child's teacher if you are interested in coming along.

Belongings

It is important to have all belongings labelled. Lost property is located at the Preparatory School front office.

iPad expectations / Devices at School:

iPads are used during school hours with clear purpose and supervision from teachers. iPads are charged, ready for learning and are not to be taken home unless specified. Misuse of iPads may result in restricted access.

Preparatory School students must not have a smart phone, smart watch, or mirroring technology on College grounds. Dumb phones and smart watches are permitted at school but must be handed to the classroom teacher in the morning.

Behaviour Management Guidelines

A parent information brochure outlining behaviour management guidelines is available from the Preparatory School Office.

Special Events

A summary of Preparatory School related events can be accessed via the [College Calendar](#), and the

handbooks will be updated with a Year Level specific summary very soon.
