

SEQTA Parent Information Guide

The information contained within this guide will assist you to navigate through the SEQTA Engage platform. As a parent/guardian you will have the same access to course materials and assessment information as your son has through his SEQTA Learn platform.

The initial menu located on the left-hand side enables you to access different pages associated with your son's current studies.

COURSES

The **COURSES** link expands to reveal the subjects that your son is studying this term. If you have more than one son enrolled at the school, you will be prompted to select which student's information to view.
