Welcome to Summer Intercol 2025

The Intercollegiate rivalry between St Peter's College and Prince Alfred College has a remarkable history, dating back to 1871. It remains one of the longest-running and most respected school sporting traditions in Australia, built on competition, camaraderie and a shared history.

As we welcome our friends from Prince Alfred College to our campus for this year's Summer Intercol, we acknowledge the dedication of our students, coaches, and support staff who have worked tirelessly throughout the season. Their commitment, resilience and pursuit of excellence - often through long training sessions and testing conditions - are what make this occasion so special.

Thank you to the many people who have made these fixtures possible: our ground staff for their meticulous preparation, our coaches for their unwavering guidance, and our parents and supporters for their encouragement from the sidelines. These efforts ensure that our students not only compete at their best but also uphold the highest standards of sportsmanship and respect.

Intercol is more than a series of contests; it is an opportunity for our students to celebrate tradition, demonstrate integrity and support one another - on and off the field. Whether playing or spectating, I encourage all students to embrace this moment with pride, humility and an appreciation for the privilege of being part of something far greater than themselves.

We look forward to an exciting week of competition and wish all teams the very best.

Tim Browning | Headmaster
St Peter's College

This Intercol week is the culmination of what will be remembered as a long and hot summer. Additional stress and pressure has been absorbed by teams and crews that have worked so hard throughout their seasons. This is no different to 1871 when we first competed against each other, and this generation who now become the custodians of one of the oldest sporting rivalries and friendships in Australia.

Thank you to our friends at St Peter's for hosting the summer Intercol and to the many teaching staff, grounds staff, coaches and parents who have contributed to making this event such an incredible opportunity for the boys. We know the coaches, parents and boys will continue to embrace the high standards of sportsmanship that we all expect across these days of competition and spectatorship.

Congratulations to the grounds team and all the officials for their hard work and dedication through the season as they have guided our boys in the ongoing development of their skills, fitness and character. Within our two schools we impress upon our boys the importance of playing these Intercols under the umbrella of sportsmanship and humility. There is nothing more important as it sits as a wider example to the younger students within our communities. Mr Browning and I are united in continuing to ensure these standards are adhered to.

We look forward to seeing you around the grounds and wish all boys and coaches the best for the week ahead.

David Roberts | Headmaster
Prince Alfred College
