Welcome to Winter Intercol 2021

St Peter's College
ADELAIDE, AUSTRALIA

On behalf of Prince Alfred College, I would like to offer to our friends from St Peter's College a warm welcome for the Winter Intercollegiate sporting fixtures. This year's events see the special occasion of the 150th anniversary of the first Intercollegiate football game in 1871, making this

the longest-running annual football fixture in this state, and one of the longest-running in any football code in the world.

We are conscious that we will in all likelihood be operating under some restrictions with this year's fixtures as a result of the current COVID situation. However, we are confident that, regardless of the circumstances, the fixtures will go ahead in the same positive spirit that we have always seen. Moreover, we saw from the way that St Peter's College hosted the fixtures so well last year how these occasions can continue under difficult circumstances.

We hope that players, coaches and supporters all enjoy participating in, and attending, some outstanding fixtures at both schools. We are confident that they will be high-standard sporting events, played in the spirit of fierce competition and respectful sportsmanship for which these events are known.

The special relationship between our two schools is something that we all cherish and we know that these events provide our students with some of their most memorable experiences from their school days.

We wish players, coaches and supporters well for the fixtures ahead.

Bradley Fenner | Headmaster
Prince Alfred College

We remain grateful to all members of our community and particularly our partner, Prince Alfred College, for their support and understanding amongst the changing community circumstances.

Winter Intercol 2021 marks the sesquicentenary of Intercollegiate Football.

The first Intercollegiate fixture played between St Peter's College and Prince Alfred College was a Football Match contested in 1871 and so began a wonderful tradition in winter and summer sports that strengthens the sense of shared community between our two schools.

I trust all students will appreciate the privilege to participate, compete and attend fixtures, when many students across Australia are in lockdown. We acknowledge the hard work undertaken by our support staff in ensuring the fixtures of this long-standing sporting tradition can take place.

Life must go on and we wish students of all ages well in each sport. In addition to the determination, spirit and skilful preparation and play, I encourage all students and spectators to represent our shared community with the highest level of integrity, sportsmanship and respect.

Tim Browning | Headmaster
St Peter's College
