# Welcome to Winter Intercol 2025

This winter season of co-curricular has tested the resilience and camaraderie of our boys, with many fixtures played through wind and rain. As we look ahead to this year's Winter Intercol, we're hopeful for clear skies and good conditions. But should the rain return, we will embrace it with good spirit - especially if it brings

much-needed relief to our farmers.

Welcome to the fields, rooms and courts of Prince Alfred College. It is a special time when our two great schools again come together in the hope that lasting memories will be created, building upon over 150 years of friendship and rivalry. I thank Headmaster Mr Browning and his team of staff for partnering with us in our shared mission as we both understand the collective responsibility we have to protect our great history. We know that we do this from a strong position given the foundation of our friendship and rivalry is the respect that those who compete as well as those who cheer from the sidelines share for each other.

I look forward to seeing you around the College and hearing the stories of triumph and perhaps a last gasp victory, but also stories of hard-fought losses. These experiences make up the rich tapestry of each of our lives. We know that our players, coaches and spectators will continue to ensure dignity and humility is in abundance.

Thank you to the staff who have made all this possible including the umpires, administrative staff and groundsman and all the best to the players and coaches from both schools for the playing of the 2025 Winter Intercol.

**David Roberts | Headmaster**  
**Prince Alfred College**

The Winter Intercollegiate fixtures between St Peter's College and Prince Alfred College represent one of the oldest and most respected school sporting traditions in Australia. First contested in 1871, this historic rivalry continues to reflect the best of school sport - passion, perseverance and pride in one's community.

As we gather for the 2025 Winter Intercol, hosted this year by our friends at Prince Alfred College, we acknowledge the strength of the partnership between our two schools. I thank Headmaster Mr David Roberts and his staff for their generous hospitality and preparation of the week's fixtures. We are proud to stand alongside PAC in encouraging students to engage in sport at all levels and to celebrate the many benefits of teamwork, discipline and healthy competition.

It is our aspiration that participation is maximised across the full program of sports so that every student feels part of our broader community. By encouraging all students to be active spectators as well as participants in the arena, we help them take an interest in others, appreciate the effort and endeavour of their peers and build stronger connections.

These events provide an important opportunity to reflect on the values we hold in common - mutual respect, humility in victory, grace in defeat - and to model those values, both on and off the field. I encourage all participants and spectators to take an active role in supporting their peers across the full range of abilities, and to recognise the efforts of coaches, officials and volunteers who make this week possible.

We wish all players and teams the very best and look forward to a spirited and respectful celebration of school sport.

**Tim Browning | Headmaster**  
**St Peter's College**
