ENVIRONMENT CLUB

The Environmental Club provides an opportunity for students to work collaboratively, have fun, learn new skills, and become informed about how they can do their part to help the environment. A simple action students can undertake is to learn how to grow a variety of seasonal produce. The students will work together to plan out what is planted and tend to the general upkeep of the garden. They can enjoy being outdoors, digging in the soil, getting dirty hands, creating things, and watching plants grow. Growing something brings a lot of excitement and joy to the students when they are able to harvest their own crops. TRINITY DRAMA CLUB

Trinity Drama is ideal for boys who wish to improve their speech skills (public speaking, debating) and their drama skills (using their bodies/voice for communication) and is suitable for both experienced and new students. VOICES

Junior Voices

Junior Voices is a Preparatory choir open to all boys in Years 4 to 6 who love to sing. Junior Voices perform regularly throughout the year at assemblies, concerts and join Secondary School boys as a Combined Choir for Easter and Christmas Church Services. No experience is needed. Come along and have some fun!

Singing is a great way to start a day of learning, lighting up multiple areas of the brain not in isolation, but collectively unlike any other discipline; 1) auditory networks, 2) memory networks, 3) planning and organisation networks, 4) motor networks, 5) language networks, 6) emotional networks, 7) reward networks.
