

Notes from the Headmaster

STAFF

Mr. Steele has made an excellent recovery from the operation which kept him away during the early part of first term. He had just returned to duty when Mr. R. T. Smith, our second master, had to undergo a major operation. We were glad to welcome him back at the beginning of this term and to find him so fit and well.

Mr. Graham Kelly, who had assisted us for some years in the Boarding House, left at the end of the first term. We welcome in his place Mr. J. Duffy, an old scholar of Wesley College, Melbourne.

NEW ASSEMBLY HALL

The College architect, Mr. Colin Hassell, of Hassell and McConnell has had many meetings with a special committee of the School Council and has done a great deal of work on plans for the new Assembly Hall, which will be situated near the Capper Street gate between the drive and the new class room block. It is hoped to announce details of the project during Old Boys Week.

GENERAL

The School extends its congratulations to Miss J. M. Harris, headmistress of our sister school, Methodist Ladies College, upon the honour conferred upon her by Her Majesty the Queen of Officer of the Most Excellent Order of the British Empire.

R. B. Marlow of VIUA was chosen to join the Thirteenth United Nations Pilgrimage of Youth in open competition for boys of his age. This is sponsored by the American Independent Order of Oddfellows and it is the first time it has been open to boys from Australia. Marlow will be away from school for almost six weeks. He flew from Sydney and will have a couple of days in Canada in addition to the time in U.S.A. where a busy programme has been arranged for the pilgrimage. This includes sitting in at some of the meetings of the United Nations.

SPORT

Full accounts of the first term rowing and athletics will appear in the next issue of the Chronicle. In the Head of the River, our first eight won its heat but was beaten in the semi-final by Pulteney Grammar School, who went under in the final to St. Peter's College.

R. I. Eglinton won the senior championship cup at our Senior School Sports and R. P. Bond the championship cup at the Preparatory Sports. P.A.C. finished third in the Combined School Sports held on the Adelaide Oval, but we won the cup for the Junior Division.

First eighteen matches in Students Grade are as follows:—

June	30	v. King's College away
July	7	v. C.B.C. at P.A.C.
	14	v. Rostrevor at P.A.C.

Old Scholars President's Message

This issue of the Chronicle covers details of Old Boys' Week for 1962. Your Committee and I hope that these Old Boys' functions will again be well supported.

At our Annual Dinner, we will have the honour of entertaining His Excellency the Governor, who has agreed not only to do us the honour of attending our function, but has also agreed to propose the toast to the School. This year, to make more time available at the end of the evening to enable those attending to move around and chat with old friends, your Committee has decided that there should be only one toast, along with the Hook-up and President's remarks.

With the Palais no longer available, this year's Old Scholars' Ball will be held at the Wonderland Ballroom, Unley Road, Hawthorn. It has been necessary to move this function to the Wednesday night, the 25th July. I am sure that the Ball at the Wonderland will be just as successful as those which have gone before, but in view of the altered arrangements, I ask for your full support to make this another happy occasion.

This year, it will be necessary for the Golf Match against St. Peter's Old Scholars to be played on Tuesday, 31st July, because Royal Adelaide is not available during Old Boys' Week. Badminton has also been moved out of Old Boys' Week to the 11th July, but with the golf, we hope that this is only temporary and that we can revert to the proper week in 1963.

For many years now, the old scholars' service on the Sunday of Old Boys' Week has been broadcast over Station 5KA. All will agree that this is most desirable, as it is not possible for many Old Boys to attend the School on that occasion. Also, we have very many friends, particularly amongst the ladies, who are not eligible to attend the actual service, but have pleasure in sharing the service with us through radio. However, a large attendance is necessary at the School if the broadcast, let alone the service itself, is going to be successful, and I therefore appeal to all old scholars to make every effort to be present at the culminating function of Old Boys' Week, the Old Scholars' Service at the School on Sunday, 29th July.

I look forward to meeting many old scholars at the various functions during Old Boys' Week, 1962.

Alan W. Crompton

A Pleasing Compliment

Old Reds will be gratified to know that the great assistance which the Headmaster, Mr. J. A. Dunning, and P.A.C. old scholars have given to Westminster School has been heartily and unanimously recognized by the Westminster School Council. Mr. Dunning has been invited to lay the foundation stone of the Westminster Preparatory School on Sunday, 15th July, at 4 p.m.

All P.A.C. Old Boys and present students are given a cordial invitation to attend this significant ceremony.

COUNTRY DINNERS

Successful dinners were held at Appila and Berri during May and at Maitland early in June. Full reports of these will appear in the next issue of the Chronicle.

HEAD OF THE RIVER — OLD BOYS EIGHTS

This year Princes were represented by the following crew: B. Dalton (bow), B. Clarke (2), F. Pontifex (3), W. Giles (4), R. Thomson (5), P. Woodrooffe (6), T. Binder (7), P. Humble (stroke), G. Dalton (cox).

The race was rowed in perfect weather with three new teams in the competition this year, viz., C.B.C., Pulteney and King's Old Scholars.

The first heat against A.H.O.S. was won by Princes by one-and-a-half lengths.

In the second heat Pulteney won comfortably after a hard tussle as far as the willows, but subsequently lost to Saints in a close final. Congratulations Saints!

Our thanks to the School for the use of their boat and to Bill Giles, our organizer.

CLOSE GOLF

This very popular day at Grange Golf Club was held on Thursday, 14th June, and the course, as always, was excellent. After the game members gathered in the club house and the President (Mr. Alan Crompton) thanked the Club for allowing us to have the match there. He then handed the P.A.O.C. Golf Cup (originally presented by Mr. David Clarkson) and a tankard to Eric Cox for the best individual score, and the Association trophy for the best pair to Ernie Rowe and Eric Padfield.

P.A.O.C. FOOTBALL CLUB

The Club is enjoying a successful season and is placed on the premiership tables as follows: A. fifth; B. second; C. third. Contributing factors for our high morale are—the high registration (ninety-seven), well attended practices, and the return of Perrott, Gabb and Moyse.

Hambly, Allen, Bain, Chapman, Shaughnessy and others have added strength and with our enthusiastic coach, Bill Johnson, and the strong Committee, with Don Davies as chairman, all teams could win a premiership. The Social Committee with Ian Wallace and Ian McKay are doing a great job.

Thirty-one boys who left school last year have joined the Club.

Frank Hambly and Warren Allen were selected for training with the interstate squad last month.

Old Wesley Collegians (Melbourne) will be paying us a visit at the end of September and any reader interested can secure further information by ringing Ian Wallace (8 5755).

P.A.O.C. SQUASH CLUB

The winter season has commenced and at present the team positions are as follows: B Grade, won 6, second position; D Grade, won 6, third position; F Grade, won 4, fourth position; J Grade, won 4, fourth position.

The J Grade—all new players except the captain—are doing well despite their inexperience.

On Saturday, 16th June, the B Grade team of last summer received their pennant at a social night held by the S.R.A.S.A. It is hoped that this team will be playing in A Grade next year.

Practices are held every Sunday morning at the Public Schools Club at 10 a.m.

Please complete and return as early as possible to the Hon. Secretary, P.A.O.C. Association, 185 Melbourne Street, North Adelaide.
