Many thanks to the myriad of writers who have contributed to this year's edition of the Chronicle for the liveliness of their reports; to Academy Photography, Festival City Photography, Richard Lyons Photography, Ms Monica Tbiele, Mr Grant Woolmore and especially Ben Neale of Year 12 for the majority of the photographs; to Mrs Kaye Leaker, Mr Grant Davis, Mr David Cornish and Mrs Marg Giddings for coordinating respectively the Preparatory School section and the Parents and Friends', Foundation and Old Boys' section; to Mrs Debi Wilson and members of the Chronicle Committee for their help and support; and to Ms Sally O'Connor of Peacock Publications for the flair of her design.

Editorial

As you look back over the quickly ending year, you can liken the year's events to the revolutions of cogs inside your watch as they pull the second hand into the New Year. Each time the cogs spin they travel a slightly different path and each tiny deviation amplifies the distinctiveness of each revolution. As the earth returns to the starting point of its orbit around the sun, events have changed it forever and made each cycle unique.

Every year, students coming into the school, moving through it or leaving it altogether, have the opportunity to leave their indelible mark in people's memories, recorded for posterity, perhaps, in the pages of *The Chronicle*. Let us not forget that this year's achievements may well not be end of the story. Alex Bubner's victory in the National Youth Games may lead to a successful career as an Olympic champion, whilst Aaron Jin's ability to score A+ in his Grade 7 violin exam whilst only in Year 8 could lead to his becoming the next Nigel Kennedy.

As these remarkable students strive to make their mark, the world is constantly in motion and flux. Even within our own

school grounds, we have seen the double block demolished and then raised again, like a phoenix of glass and steel. Music students have seen the miraculous transformation of the dilapidated old Health Centre into the state-of-the-art Langley Music Centre. And which of us was not marked by the extraordinary week in September when we lost three great Australians, Colin Thiele, Steve Irwin and Peter Brock, all of whom used their talents to the absolute maximum.

It is not just celebrities who have the opportunity to perform on the national and international stage. Students have been working hard in the co-curricular activities that abound at Princes, in the course of which some have travelled round the world. A handful of members of Year 11 were able to seize the opportunity to travel to Taiwan to participate in the annual Global Youth Institute along with students from all corners of the globe. They urge students in Year 11 next year to take part in next year's event which will be staged in Canada.

Closer to home, students have travelled to Perth to play hockey with other schools, the Chapel choir has flown to Hobart to sing with other choirs, and the Senior and Big Bands went to Melbourne to play with other bands. All the students involved in these wonderful trips, especially Caleb Salagaras, who will probably win the Most Travelled Member of Year 12 Award at Speech Night, found them very satisfying and hope to repeat them. With the Mount Gambier National Band Competition and China trips for Hockey and Music scheduled for 2007 and 2008, there should once again be plenty of exciting opportunities ahead.

The school motto "Fac Fortia et Patere" which is nowadays glossed as "Go Beyond!" certainly contains wonderful advice. We should all be living without regrets, striving for excellence and above all, enjoying life. The earlier we all adopt these vital principles, the less painful relearning we shall have to do later in our lives.

William Wallace

Chronicle Committee 2006

Headmaster's Report

2006 has been an important time in the history of Prince Alfred College with considerable capital development and exciting new initiatives in curriculum and co-curriculum. The Master Plan and the Strategic Plan have guided the developments in the school during this year and there is much to celebrate.

The Prince Alfred College Council, led by the Chairman, Mr Bruce Spangler, has overseen the significant developments in the school this year. I am grateful for the support of all members of Council and, in particular, other members of the Council Executive: Mr Peter Bacciarelli, Deputy Chairman; Mr Ross Dillon, Treasurer; Mr Jeff Ellison, Secretary and Mr David Stewart, Business Director. Council held two strategic retreats during the year in April and September to plan for the future of Prince Alfred College. New Governance procedures and structures have now been implemented to improve the effectiveness of Council and its key committees of Finance and Building. Mr Ross Dillon and Mr Craig Nicholls, Chairs of the Finance and Building committees respectively, have made an important contribution to Council and guided the financial and building requirements for the school. I pay tribute to Mr Greg Perks who retires from Council at the end of this year. The Moderator of the Uniting Church, Synod of South Australia, the Rev Graham Vawser has, despite a busy workload, made a serious and genuine commitment to our College Council which has served to cement the important association between Prince Alfred College and the Uniting Church.

The Master Plan for capital development of the College is continuing to provide outstanding facilities for teaching and learning in the school. In February we opened the Neil Smart Memorial Building which comprises ten classrooms including two computer rooms for the teaching of Humanities and English, and also serving as a home base for our Middle Years students in Years 8 and 9. The generosity of Mr Neil Smart, an Old Scholar of 1930, is applauded. Many of his extended family joined us for the official opening of this outstanding educational facility for the boys at PAC.

Mr Kevin Tutt with State mooting champions (L to R: Javed Alam, Ike Kutlaca and Davor Pavlin-Premrl)

This building project also included Stage 2 of the elevated walkway which has vastly improved the entrance to the Secondary School and provided better access for students and staff between the Assembly Hall and the Gerard Innovation Centre.

The beginning of the year also saw a major refurbishment of the lower quadrangle area which now provides facilities for student services, including offices and work places for the Chaplain, Youth Minister, School Psychologist, Coordinator of International Students, and facilities for learning support. In July a complete refurbishment of the old classrooms adjacent to the Museum in the Memorial Building has provided new front of house facilities for the Secondary School, and houses offices and spaces for the Secondary School administrative team. Also in July the school was very pleased to re-dedicate and open the refurbished Colton Wing of the Main Building. This magnificent renovation provides facilities for Music on the lower ground floor, virtually our own conservatorium, and on the ground floor a new Common Room and offices for our Finance team. The first floor is now occupied by Archives and the Noel Baker Centre for Mathematics. This centre also serves as a facility for staff professional development. It remains a fitting tribute to one of the school's greatest benefactors, Sir John Colton, whose portrait now hangs in the Common Room. After more than ten years of work the entire Main Building has now been fully restored to its former magnificence.

At the beginning of Term 3, two major projects were begun; a new Library/Resource Centre for the Secondary School in the area formerly occupied by the staff Common Room, and a new eight room facility in the Preparatory School, including a state-of-the-art Computer Centre. Both projects will be completed by the end of 2006 ready for occupancy in February next year.

These building projects represent in total more than \$6 million worth of new buildings and upgraded facilities. We can be very proud of our outstanding buildings, all with the best interests of our boys in mind. 2007 sees further building projects comprising a refurbishment of the Centenary Wing in the Secondary School and a long awaited Sports Centre for the Preparatory School students.

Our Strategic Plan 2005–2010 New Horizons has guided significant educational, pastoral care and resource initiatives in the school. 24 of the 40 initiatives are currently underway or complete. Major developments have included the establishment of a Middle Years Program which will comprise an Extended Stay Program for Year 9 boys on a new facility to be established at Point Turton on the Yorke Peninsula. A School Charter has been prepared and is now on display in the main reception foyer which summarises the core beliefs of the school and its commitment to the education of boys. Key developments in teaching and learning have occurred at every level in the school. Initiative 2.7 which has a focus on literacy will become a major priority area for 2007 after the formulation of a Boys' Literacy Excellence Framework prepared under the leadership of former teacher, Mrs Nan Williamson. Princes aims to set itself apart in development and achievements in boys' literacy. The Arts has also expanded under the leadership of Mr Michael Steer as Head of Department: The Arts, and Mrs

Headmaster's Report 2006

Pamela Freeman, the Director of Artistic Performance. An appreciation of the Arts is a vital component of a rich learning program for boys.

The ethos of the Uniting Church is a key element of the Strategic Plan and considerable work has been completed this year on ways to instil the ethos in the school community. This is evident in pastoral care programs, community service, staff well-being, and beliefs and values curriculum. The appointment of Mr Richard Bruford as Director of Teaching and Learning is a direct response to the initiatives of the Strategic Plan aimed at developing unique learning experiences for boys and critical and creative thinking abilities.

At the beginning of the year, two Executive Committees were established; the Education Management Team, chaired by the Headmaster, and the Business Management Team, chaired by the Business Director. These two committees have a primary responsibility for the implementation of the Strategic Plan and planning for the long-term future of the College. Both committees comprise senior members of staff from across the school who are responsible for policy and procedures in education, finance, grounds, property, boarding and development.

The school has been blessed with outstanding leadership through the work of Mrs Cynthia May, Head of the Secondary School; Mr Grant Nalder, Head of the Preparatory School; Mr David Stewart, Business Director; Mr Jim Hartnett and Mr Sam Cheesman (Term 4), Director of Boarding; Mr Grant Davis, Director of Development; and the Rev Trevor Klar, the School Chaplain. Other key management staff include Mr Darryl Buchanan, Business Operations Manager, Mr Peter Dawes, Property Manager, and Mr Ian Drake in charge of Grounds. Appreciation is also extended to the two sub-school Deputies, Mr Ken Watson and Mr Neil Andary, and Mr Andrew Fergusson, Director of Computing and Network Services. I express my thanks to all Middle and Senior management for their energy, enthusiasm, creativity and dedication to this school and its community. Without doubt my greatest supporter is my Executive Assistant, Mrs Margaret Gleaves, and I am indebted

to her for her personal and professional support and expertise.

Mrs Cynthia May and Mr Grant Nalder have chaired the Secondary School Management Team and the Preparatory School Management Team respectively. These two committees are responsible for the management of policy and programs in the sub-schools and for ensuring the effective operation of Secondary and Primary School curriculum and programs. My sincere thanks goes to all staff involved in these important committees.

The Pastoral Care of boys remains as one of the important features of an education at PAC. The House system of Cotton, Taylor, Waterhouse, and Watsford is now firmly entrenched in the school's culture and provides an effective structure for the well-being of boys and for extra-curricular programs in swimming, athletics and other events. The Heads of House and Year in the Secondary School and House staff in the Preparatory School must be acknowledged for their focus work in student welfare.

At the beginning of the year our boarders returned to refurbished facilities in Hartley and Bayly Wings, mainly comprising new and improved furniture and facilities for learning and recreation. Mr Jim Hartnett, who had joined us in 2005 left the school at the end of Term 3. I extend my gratitude to Jim and his family for their contribution to the school and the boarding community during his time at Princes. I am most grateful to Mr Sam Cheesman who took over the role of Director of Boarding in Term 4 and also thank the boarding house staff,

in particular Mrs Margaret Hurnell, Mr Phil Davis, Mr Luke Ritchie and Mr Gary Jenkinson who provided support for our boarders.

At the beginning of Term 3 the school began an exciting new initiative for our international students. An International Students Transition Program (ISTP) has been established to improve the educational and cultural transition of the almost fifty international students that form an important part of the Princes community. Ms Anna Polias, Ms Karin Iffinger and Ms Mani White have worked tirelessly to ensure that the ISTP is a best practice program.

In January we were thrilled to hear of the success of our Year 12 students from 2005. More than 30 boys received perfect scores of 20 in the SACE or 7 in the International Baccalaureate Diploma. 5.5% of the graduating class of 2005 were in the top 1% of the State, 20% in the top 5%, 33% in the top 10%, and 57.5% in the top 20%. 64% of all SACE results were As or Bs. The John Dunn Prize for Dux of the School was awarded jointly to Ross Gillott and Chong Tsang. The Malpas Prize for Science went to Anthony Noor, the Longbottom Prize for Mathematics to Anton Steketee, and the Colton Prize for Arts and Languages to Andrew Burford. We can be exceptionally proud of these achievements which confirm our place as a leading educational provider in South Australia.

The Preparatory School curriculum has continued to be among the best in the world with confirmation from the International Baccalaureate Organisation

Mr Kevin Tutt with School Captain, Stefan Pretorius (C), and Vice-Captain, Adam Cunynghame (L)

Headmaster's Report 2006

that we have an outstanding Primary Years Program. In 2007 students in Years 6 and 7 will embrace the IBO's Middle Years Program which will complement the outstanding programs we have for our students from Kindergarten to Year 5. During 2006 under the leadership of Mr Ken Watson, an exciting Middle Years Program has been established for boys in Years 8 and 9. Based on the IBO MYP it is a school-based program which meets the particular needs of our adolescent students in these very formative years.

The 9th Gerard Innovation Lecture was delivered in July by Professor Jock Findlay from Prince Henry's Institute of Medical Research in Melbourne. The lecture was entitled Sex, Science and Society and focused on the development of reproductive technology and its implications in developing nations and for the future of our world. I express sincere gratitude to Mr John Gerard for his generous support of this innovative lecture series.

One of the great joys of this year has been working closely with School Captain, Stefan Pretorius; Vice-Captain, Adam Cunynghame; and the Prefects and House Captains. Along with the Student Forum and PACCC, student leadership in the school has set an exemplary standard. Similarly, Ben Young and Jock Clarnette and other student leaders in the Preparatory School have more than met our expectations for student leadership. This year's Red and White was a spectacular event and it was a pleasure for staff to be in the company of the boys and their partners on the night. Other key student organised events have been Harmony Day and Boarders' Day. These focused on the contribution of two very important groups in our community who join us here in Adelaide from overseas and from country areas. Bo Zhu and Tseng Hui Heng have been outstanding leaders of our international students. Tom Du Rieu, Captain of Boarding; and Cameron McTernan, Lachlan Ramsey and James Smith, Vice-Captains of Boarding, have also represented the student body well and provided great support for the boarding staff.

The annual Intercollegiate sporting matches have once again been important occasions for the boys. Throughout the year we have seen much evidence of

sporting success, sportsmanship and camaraderie between the two schools. During the summer season, PAC was victorious in winning the Swimming Intercol and for the second year in a row defeating Saints in Badminton 9-nil. The swimming team was ably led by Captain Joshua Brewerton and coached by Mr Mark Shepherd with support from Mr Graham Baird and Ms Evie Morelli. The Badminton team owes much to Mr Jurgen Kracht and Old Scholar Mr Mark Surman for the success they have achieved this year. The Tennis Intercol was held at SPSC with a strong win accorded to Saints. Sincere thanks go to Stefan Pretorius, Captain; Mr Josh Tuckfield, coach; and Mr Chris Nicholls for their support of the Drive tennis team.

Once again Prince Alfred College was the premier rowing school in South Australia this year. Despite a best-ever time of exactly six minutes, we lost the Head of the River to St Peter's College and Pembroke School. Captain of Boats, Harrison James, made an outstanding contribution to this sport. I pay gratitude to the Director of Rowing, Mr Daren Potts, and to Mr Vaughn Huddleston and other coaches for their ongoing commitment to rowing at PAC. The Rowing Parents' Support Group chaired by Mr John Harry and Mr Barry Butler during the year have maintained an enormous commitment to raising funds for the purchase of boats, and also provided enormous personal support to the boys and staff involved in rowing. The annual Intercollegiate Cricket match saw a win to St Peter's after a valiant effort from all players. This annual match between Princes and Saints has been fought for more than 130 years with an almost equal number of wins for each school. Mr Peter Williams, our First XI coach, is a passionate servant of cricket at this school. Our Captain of Cricket, James Smith, a highly talented all-rounder, has a great future in this sport and will take up a scholarship with SACA in 2007.

The winter season saw contests in soccer, hockey, basketball and football. We were unable to field a First XV Rugby side this year. The Soccer saw a 2-all draw. PAC lost to Saints in Hockey and Basketball by a very close margin, but had a resounding win by 52 points in the Football. The respective Captains, Dong Hee Lee, Soccer; Alex Michell, Hockey; Elliot Watts, Basketball; and Xavier Watson, Football, ensured that our teams performed to a professional standard in our winter sporting programs. Honours

Mr Kevin Tutt with inaugural winner of the Headmaster's Medal, Sven Paschburg

Colours in Football were presented to four outstanding sportsmen, Daniel May, Brendan Papps, Tom Holmes and Xavier Watson. The coaching staff of Mr Gary Jenkinson, Mr Richard Bruford, Mr Paul Rigoni and Mr Bob Claxton enabled our sporting teams to perform and achieve at a semi-professional level.

2006 featured two outstanding musicals, *HMS Pinafore* in the Secondary School and *Bats* in the Preparatory School. This year the Princes Musical Theatre Company was formed comprising boys from PAC and girls from the five independent girls' schools. The performance of *HMS Pinafore* was a magnificent showcase of student talent under the highly capable directorship of Mr Peter Hopkins. *Bats* was a truly magnificent show with almost every Preparatory boy involved. My thanks go to Mrs Mandy Bell, Mrs Georgia Bradford and Ms Pamela Watts for their work in directing and producing this show which surprised and amazed the audience.

There were a number of interstate and overseas tours during the year. The inaugural German language and cultural tour to Germany was held in April, led by Mrs Monica McCauley and Mr Daren Potts. The football team enjoyed a pre-season visit to Melbourne, playing matches against Wesley College and Melbourne Grammar. A hockey tour to Perth in the July school holidays saw the team compete against a number of schools with mixed success. In January 2007 PAC boys will join with girls from Wilderness School for a language and cultural tour to France under the leadership of Mr Jurgen Kracht. In October, Ms Anna Polias enjoyed a week's exchange with Da Tong High School, our partner school in Shanghai. In March, I was pleased to visit Da Tong High School and also the Middle School attached to Shandong Teachers' University in Jinan.

Headmaster's Report 2006

These two schools are an important link between Princes and China, a country that will have an extraordinary influence on the world in the years to come. Also in July ten Year 11 boys travelled with Mr David Freemith to attend the Global Youth Institute Conference in Taipei, Taiwan. This three week program saw our boys engage with students from around the world in a series of problem-solving activities.

Music has developed as an outstanding feature of Prince Alfred College. The work of Mrs Pamela Freeman and Mr Andrew Newhouse has seen our bands gain state and national recognition at the Mount Gambier Jazz Festival and the South Australian School Bands Competition. The Gig at the Gov and the Big Band Bash are but two events which demonstrate the outstanding musical talent of our boys.

Chess and Debating have been important cultural programs this year. The Intercol competitions saw a loss to PAC by a small margin in debating and a vast improvement in chess, where there is much promise for the future. Sincere thanks go to Mrs Filomena Longo for her support of debating and Mr Alastair Lupton and Mr George Howard for their coordination and coaching of chess. Mr Richard Thorne continues to be an outstanding patron of chess at PAC. The PAC Mooting team of Ike Kutlaca, Javed Alam and Davor Pavlin-Premrl won the state competition giving them the opportunity to compete in the national finals at Bond University on the Gold Coast. Their knowledge of a complex legal issue and capacity to present a strong case was clear evidence of their debating skill and intellectual ability. I am indebted to Ms Helena Jaskinski, Mr Andrew Williams, Mr Mark Hosking and Mr Richard Arnold for their coaching support.

Prince Alfred College is served by an outstanding teaching and non-teaching staff. The quality of a school is highly dependent on the quality of its staff and I pay tribute to every staff member of this school for their commitment to its vision to create a world-class school for boys. At the beginning of the year we welcomed Ms Annabel Ecroyd, Mr Randall Pearce, Mr Luke Ritchie and Mr Kelvin Sparks to the teaching staff of the Preparatory School. On the Secondary staff we were joined by Mrs Sara Browning, Dr

James Flatt, Ms Emma Marshall, Mr Mark Dell'Oro as Director of Sport, Mr Andrew Chambers, Youth Minister, and Mr Timothy Agnew, Head of Humanities. New appointments included Mr Richard Bruford as Director of Teaching and Learning, Mrs Pamela Freeman, Director of Artistic Performance, Mr Michael Steer, Head of the Arts, Mr Anthony Izzo, Head of Technology, and Mr Peter Williams, Head of Cotton House.

We farewell Mr Ian Rossotti, who takes up an exciting opportunity as Director of Studies at Trinity College, and Mr Peter Karamoshos, who takes two years' leave to teach at the Australian International School in Singapore. Other staff leaving the College include Mrs Sara Browning, Mrs Carol Shaw, Ms Janet Harris, Mr Nick Venardis, Mrs Margit Hosking and Ms Rachel Merritt. A special farewell is granted to Mrs Joy Magain who retires after 33 years of outstanding service to the Preparatory School at Prince Alfred College. Joy's contribution to the school is beyond measure and we wish her the very best in retirement. A further special thanks is extended to Mrs Lucy Petherick who made a significant contribution to the administration of both the Preparatory School and Secondary School and to Mrs Dorothy Gregg who managed the Bookroom for many years. Both women have worked tirelessly for the benefit of staff and students. Mr Michael Hissey, Finance manager, also left the College to seek new opportunities.

Prince Alfred College is not only a school but a vibrant and rich community of students, staff, parents, Old Scholars, and friends of the school. The PAC Foundation under the leadership of Mr Harry Perks has made an enormous

contribution to fundraising in support of the Master Plan. The \$1 million mark was surpassed during the year. Cirque des Rouges, the black tie dinner held on 28th October, was a huge success, and one of many Foundation events including the Business Lunches held during the year.

The Prince Alfred Old Collegians Association has had a highly successful year led by President, Mr Simon Miller, Vice-Presidents Mr Rex Wilson and Mr Andrew Clarkson; Treasurer, Mr Trevor Siegele, and Secretary, Mr Peter Crouch. Over 600 Old Scholars gathered for the Annual Dinner in July and 250 Vintage Reds returned to their old school for this well-established annual event. Old Scholars Dinners were held in every capital city in Australia and all regional centres of the state and in London. We are blessed with an outstanding level of support from the Old Scholars of this school.

The Parents & Friends Associations chaired by Mrs Gerry Stevens and Mrs Janine Duffield have continued to provide support for the school in fundraising and friendraising. It is a truly generous contribution and must be acknowledged.

2006 has been another extraordinary year in the life of Prince Alfred College. For 137 years the school has provided outstanding schooling for boys. Our priorities in 2006 of academic rigour, middle years, and quality teaching and learning are not new. They have always been important. We look forward to 2007 with further Master Plan projects and new initiatives of the Strategic Plan to be completed. It is an exciting place with an exciting future.

Mr Kevin Tutt, Headmaster

Mr Kevin Tutt with Year 8 and Year 9 Effort Award winners

Chaplain's Report

This was an interesting year for chaplaincy. We wondered about Jonathon Charatsis and Jonathon Courtidis and just what trouble they would get into over prayer during Secondary School chapel services. We had a prep teacher who came along the morning after his new baby was born just to make sure his class's chapel service went well. It was a privilege to be involved in the discussions about possible themes that marked the preparation of house chapel services in the Secondary School, in which I was regularly reminded of just how thoughtful some of our students are. These were a part of the continuing program of worship that arises from the issues and needs of students in which they take a major leadership role.

This year marked some new things. We welcomed Andrew Chambers who has taken responsibility for middle years, boarders and some Preparatory School chapel services in his role as youth minister. He has continued the Friday lunchtime program for year eights as they make the transition to the Secondary School. Caleb Salagaras took on responsibility for organising Holy Week services and, with support from his regular partner in crime, Will Wallace, and

some other shady characters, did an exceptional job. Each house group of Year 12s led the whole of the Secondary School in a chapel service as the major part of an assembly, in which we got to see drama, use of multimedia, various bands/musicians and a host of participants working together towards great outcomes. The chaplain's office moved after many, many years and is now to be found in the lower quadrangle (there is a big God poster on the door, of course).

I have had opportunities to talk with many students about major issues in their lives and have been proud of the ways they have supported each other, have thought about the world in deep and selfless ways, and the times that injustice has fired them to action. I have had many opportunities to laugh (particularly in the dark at the Year 11 retreat as one student wondered just where that voice came from and how did it get so close to his tent) and more than a few times I have needed to weep because of the struggles faced by those in the Princes community.

As usual, the huge diversity of this community that is Princes has amazed me and surprised me with its depth and caring; a reality for which I am always grateful.

Rev Trevor Klar, Chaplain

L to R: Rev Trevor Klar, Mr Kevin Tutt, Mr Grant Nalder, Mr Andrew Chambers, Mrs Cynthia May, Rev Graham Vawser

Staff Farewells

Joy Magain

Joy Magain started teaching at PAC in 1974 as a Year 3 teacher. She remembers that women teachers were not permitted in the Preparatory School beyond Year 4 at that time, but were mainly there for the nurturing role in the early years of school. She had previously been

a demonstration teacher with an outstanding reputation for classroom management. Her innovative teaching techniques and the integrity of her pastoral care made an immediate impact and have continued to enrich her students and colleagues to this day.

In 1978 there was a fire in the Prep which necessitated a major reconstruction of the old building and it also coincided with the arrival of a new Master-in-Charge, Graeme Whisker. These events seemed to provide the impetus for significant change in the Prep and soon Joy was teaching the upper levels of school. In fact, Joy has taught every year level from Year 3 to Year 7. In the course of all these years she has held many positions of responsibility. She has been Maths Coordinator, Asian Studies Coordinator, Curriculum Coordinator, Year Level Coordinator and Head of Waterhouse. She has managed Hockey, Debating, Public Speaking and Tournament of Minds teams.

Her fondest memories are of the boys she has taught and the rewards in watching them grow and develop. She says it has been wonderful watching the school change and grow and to experience the tremendous camaraderie and teamwork of the staff over the years. Her passion for teaching has kept her at the cutting edge of educational progress and she has made and invaluable contribution to professional development in the Preparatory School.

Joy has been an inspirational role model for her colleagues, who will miss her sorely. Her departure will also be deeply regretted by students and the parent body. Joy is exceptionally well liked and highly respected, and the school is extremely fortunate to have enjoyed the benefit of her services over thirty-three years. We wish her every happiness and fulfilment in her retirement.

Mrs Jenny Gilchrist and Mrs Nan Williamson

Sandra Reynolds

Adelaide University was her alma mater and Sandra is still acknowledged in the Organic Chemistry Department as one of their finest Masters graduates. Although encouraged to continue an academic career Sandra chose to pursue a vocation in teaching. A generation of Princes men can be

thankful that she did, as their lives have been enriched because of her passion for science in general and chemistry in particular.

Sandra finally found her home at PAC in 1986 after serving an 'apprenticeship' at Pembroke and Saints. Despite a commitment to her classes at Princes Sandra always found time to make a contribution to the wider community of chemistry teachers. As a marker, examiner or member of the Subject Advisory Committee, her input and judgement was sought and highly valued. The depth and breadth of her understanding of the chemistry syllabus was second to none and you could always expect Sandra to make a significant contribution to any debate about curricula, examinations or assessment procedures. Sandra was never intimidated by the male-dominated environment of science teachers. In fact, she thrived with the challenge and shook many out of their complacency.

An avid reader, talented artist and closet poet, Sandra became a leading member of a writing team responsible for the production of chemistry text books and resource material used here and overseas. Her research and writing skills are clearly illustrated through the informative and fascinating articles written over many years for the Science Journal. She has promoted women in science and provided a perspective often left buried or blurred through inaccuracies in the historical record. We will miss the clarity and insight of her contributions to the Journal.

Those Princes men fortunate enough to work with Sandra will have fond memories of a camera lens emerging from a cloud of chalk dust during lessons. Sports days, Intercols, assemblies or simply eating lunch in the science courtyard, Sandra would capture the 'Kodak' moment and then rush off looking for another opportunity. Her photos have enriched Princes publications for two decades and her ability is widely recognised as illustrated by the frequency with which her photos are highlighted on TV.

Sandra has been a very supportive colleague. A sharp and insightful intellect, her contributions have been instrumental in building a sense of teamwork and collegiality within the Science Faculty, often through the organisation of social gatherings. Her thoughtful and caring nature provided a valuable perspective amongst colleagues who often needed to be reminded that boys will be boys.

Staff Farewells

Sandra made an invaluable contribution to sport. Having excelled in netball at University, her Varsity Blue provided the background to understand the demands of team work and skills development. Never one to seek the spotlight, she chose to work with junior tennis and basketball teams and nurtured emerging champions by building confidence, skills and the importance of being part of a team. Many Princes men will fondly remember the encouraging word from Sandra as they strived to achieve their best. Indeed, some of her teams went through the season undefeated. When PAC increased the enrolment of international students, many had a background in basketball and wanted to play. Sandra chose to coach these teams. As these boys were often boarders she used her car as a taxi service to transport the team to various parts of Adelaide for their matches. Having just arrived in Australia, these boys sometimes struggled with the language and culture. It was often because of the care and interest Sandra showed to these boys that they grew in confidence and felt part of the Princes community.

One might say that Chemistry has been her passion but in reality it is the boys themselves who have been her motivation. Whether it is through attending events for the sake of her students, coaching basketball, or teaching Chemistry, the growth and development of the boys is her legacy for Prince Alfred College. The outstanding results secured by her students in SACE and IBD Chemistry year after year and their acceptance into specialist courses and career pathways are testimony to the quality of her teaching. Everything she has done at Prince Alfred College has been to advance the boys in her care and the boys themselves are richer for the contact they have had with her.

The Princes Community will miss her unique blend of scholarship, sharp wit, devotion to teaching and the care she provided so willingly for students throughout her career.

*Mr Robert Holloway; Dr Murray Thompson and
Mr Chris Jordison*

An edited version of Sandra's words of leave-taking to the school:

I was born in the dark days of World War II but as a child I only knew love, joy and security. I was born lucky. I am the eldest of six children, the product of a loving, stable marriage and we were raised by a village — loving parents, involved grandparents, aunts, cousins, neighbours, teachers, the local Methodist church, sports coaches — an entire web of relationships and community structures to support young families in those first exhausting, crucial years. This must sound like the chorus in the School Musical staged recently — "All my sisters and my cousins and my aunts..." and my father used to tease my mother that she was related to half of South Australia.

Here is a description of my High School written by a girl, now a successful author and artist, who was two years ahead of me:

High School; the happiest days. At fledgling Brighton High there were about 500 students when I started and no established groups to bully or belittle anyone. Every student was made to feel special.¹

I had the same experience, and so did my siblings. NO

BULLYING and my friends from that time make the same claim. By the time I left at the end of Year 12, that school had 1400 students. I was a well-behaved child, you might say boring, with my freckles and pigtails. I did not stage a rebellion until Year 12. I did not want to study Medicine, my father's ambition for me. I wanted to be a teacher! I had never been so happy as I was at school.

Some years ago now, at the suggestion of PAC's Head of English, I held a meeting of female staff. This led to a meeting with Neil Jackson who, like his successor Mr Ken Watson, thinks with both his head and his heart. The outcome was a Senior School Staff Meeting and, most unlike me, I introduced it. I made the opening speech expressing the concerns of Neil Jackson and the women staff. Well what an outpouring ensued. Bullying and harassment of students towards staff, including student teachers, was discussed but the main focus was bullying between students. A policy against harassment was developed and Princes was one of the first schools in S.A. to admit there was a problem and to do something about it. Our sadness is that despite ongoing work from all staff today and inspiring leadership from Ken Watson and the Heads of House, there is still a problem. Bullying and harassment is still with us and it is with all other schools too.

And what should schools be like? "Warm, friendly and with very few unhappy moments for students and for staff."² It is possible to have a school environment free of bullying. I know. I experienced it. I ask you please to give to others fun, fellowship, example and care.

Adam Hanieh was a school prefect, Captain of Chess, top of PAC Year 12 Chem and Editor of the School Science Journal in 1989. We didn't know Adam is a Palestinian until Mr Kracht saw him on SBS television in Palestine. It turned out that since 1997 Adam has been working for several human rights organisations including the UN in Palestine. His role includes documenting cases of human rights violations against Palestinian children and providing legal services to children held as political prisoners. He does this despite considerable danger to himself and surely follows the School motto, "Do brave deeds and endure".

You are becoming young adults. Please carry the baton for a better society. Do you know that according to UNICEF less than half of one % of today's world economy would be the total needed to eradicate the worst aspects of poverty and to meet human needs over the next ten years? In other words, there is no deficit in human resources — the deficit is human will.

I have been very happy here — most of the time. I have done my best to care for my students, to provide a secure, happy, and disciplined environment with lots of fun and opportunities to succeed — which of course would not have been possible without the unending and generous support of my colleagues and so many responsive and absolutely delightful students. Keep your brains and willpower connected to your hearts, and you can all help to make a happy school and a better world. God bless you all.

Preparatory School

Head of the Preparatory School's Report

As another year draws to a close, the Preparatory School continues to break new ground. Over the last few months we have seen the Preparatory School numbers exceed 400 students for the first time in its history from Kindergarten to Year 7.

There were some wonderful units of work completed by the boys this year. Who could forget the Kindergarten students, the Year 3s and 5s taking advantage of the Clipsal 500. The Year 5s getting into the pits and learning the importance of 'TEAM' work (Together Everyone Achieves More). The Year 5s also visited the Stone Brothers Racing Team and the Year 3s visited Team Betta Electrical. The boys were very lucky to get to interact with Craig Lowndes, James Courtney, Brian Lawrence and Peter Jamieson.

The Year 6s took some time to focus on aviation and we were fortunate enough to have Albert McBride's father, Jim McBride land the surf rescue helicopter on our front oval. The boys certainly got a kick out of that. Through this unit, the PAC Preparatory School took part in and won the Metropolitan School category for Plane Crazy Day 2006. As a prize they were given a tour of the newly upgraded operational hangar at Adelaide Airport which is normally not open to the public. The boys got the opportunity to talk to the flight nurses, pilots and engineers and see the aircraft up close!

During National Book Week the Year 1s released their very own hand written, published story-books. Each of the books were originally written and illustrated, and featured a character derived from their Teddy Bear, a narrative framework, and a set formula. Each boy created a dust jacket and endpapers, wrote the story and the blurb, included copyright symbols and composed a dedication as well as information about the author with a photo. Once the first edition had been launched, a professional local printer — Peacock Publishing, printed the books. Parents placed orders and the Year 1 students made a gift of their collection of storybooks to the Christina Noble Children's Foundation (CNCF) — an organisation dedicated to helping children in need. These books were then sent to

Mr Grant Nalder

These are just a few of the wonderful learning experiences our boys encountered this year.

In Term 1 we held our third Year 5 Father and Son Camp, with Harry Potter as the theme. Once again the teams were responsible for generating their own group names. They included Hogwarts Gryffindor Harry Potter, Hogwarts Hufflepuffs Cedric Diggory, Durmstrang Victor and the Beauxbatons. But it was the Hogwarts Hufflepuffs Cedric Diggory who emerged as the victors for the weekend. Phil Noble, Dale Hobbs and the staff did a wonderful job of coordinating this event.

We also participated in numerous Community Service projects across the various year levels from Kindergarten to Year 7. The charity organizations included KESAB, the Juvenile Diabetes Association, Adopt-A-Family, TEAR, the Childhood Cancer Foundation, Breast Cancer Foundation, Royal Flying Doctor Service, Salvation Army, Children's Medical Research, Zoo — Endangered Animals Enclosures, Guide Dogs Association, Wesley Mission, Global Education Rescue, Prisoners of War Association and the Wesley Mission. This year, our Year 3 teacher Mrs Georgia Bradford coordinated the years most memorable fundraising activity. Propelled by her energy and enthusiasm, the school was successful in raising over \$7000 for the Leukaemia Foundation as part of the World's Greatest Shave. A number of teaching staff had their heads clean-shaven including Mr Andary, Mr Harris, Mrs Farrell, and yours truly. Other brave soles included the Headmaster Mr Tutt, Mrs Bradford, Mr Roller, Mr Ritchie and Mr Jenkinson who ordered a number 'one' haircut, and then there were half a dozen other staff who agreed to have their hair coloured, including Mrs Leaker, Mrs Magain and Mrs Polain!

On another perfect day in Term 1, Taylor won the swimming carnival competition for the third time in a row and Cotton won 'The Spirit Cup'. In Term 2 we saw a repeat of the results with Taylor victors for the Inter-house Cross-Country Carnival with Cotton again winning the Spirit Cup. Then rounding off the Inter-house sporting carnivals for the year, we witnessed at the conclusion of Term 3, Taylor taking out the third of the major Inter-house sport competitions by winning the Athletics Shield and Watsford on this occasion winning the Spirit Cup.

Last year I made comment that our Grandies Day was bigger than ever. Well would you believe this year's numbers exceeded last years and with a growing population in the Preparatory School this is unlikely to slow down. There were some 600 guests who visited the school on a day that is so important to our whole school community.

My personal favourite event of the year though, was our musical *Bats*. Georgia Bradford, Mandy Bell, Pam Watts and Mandy Varga combined to make a formidable team and put together a wonderful production. From the main cast through to the boys involved in lighting and working back stage, everyone thoroughly enjoyed the *Bats* experience. It was great to have the whole Preparatory School from Reception to Year Seven involved in one community project. Thank you again to all of the staff and volunteers that came together to make this event possible.

This year Janine Duffield took over the role as President of the Preparatory School Parents & Friends committee from Susie Clarnette. Joining her on the committee was Jane Krantz as Vice-President, Angela Macdonald as treasurer and Paula Russo continued in her role as secretary. As a team, they have done a wonderful job of continuing to raise funds to benefit our boys and enhance the facilities of the Preparatory School.

Vietnam as a gift for children that may never have held a brand new book let alone owned one. The Year 1 boys then visited a local Retirement Village to share and read their books with the residents. This project encouraged a love of reading and a passion for literature in all of our Year 1 boys.

Then there was the day/night theme in the Kindergarten, where the Kindergarten staff blacked out the entire classroom to create the illusion of night-time. You can imagine the delight of three and four-year olds in a classroom with torches, fairy lights and glow in the dark ornaments.

Head of Preparatory Report

2006 saw the continuing of the Preparatory School Year 6 Mother and Son evening. The Year 6 boys were given some tips on how to make the mums feel special on the evening. After a delightful dinner from our chef Darryl Attiwell and the kitchen staff, followed by some entertainment and poetry by our students, all boys accompanied their mothers to the Senior School musical "HMS Pinafore". Later the boys escorted their mums back to the Prince Phillip Theatre for refreshments.

There have been more additions to the extended PAC family. Over the last Christmas holidays Tim and Marnie Weatherald welcomed Katie Weatherald into the world. In the early stages of Term 3, Pip Cooper and her husband Peter welcomed their twins, William and Thomas Cooper into the home. Shortly after there was another addition with Randall Pearce and his wife Kathryn welcoming their second child, Henry Pearce.

After thirty-three dedicated years of service to the school, we bid farewell to our colleague Joy Magain. Joy has been an integral part of the Preparatory School and has played a significant role in the lives of many students and families. Joy will be terribly missed by the entire Princes Community but we wish her the happiest years ahead as she embarks on her retirement. Over the course of the year

Anzac Day

we have also said farewell to Pip Cooper (maternity leave), Rachel Merritt, Pam Watts, Annabel Ecroyd, Nick Uppill, Julie Wright, Sue Bilney, Sue Sibly, Penny Kerr and Jenny Chapman. Margit Hosking has decided to retire from full-time teaching but we were pleased to retain her services by having her run our new Reading Recovery program that will be introduced next year.

This year we welcomed Tania Crawford, Margot Gleeson, Karen Reynolds, Sean Behan, Peter Cornthwaite, Alexandra Marcus, Kellie Humphries, Melissa Brister and Marie Levesque.

As the year drew to a close, we saw the

finishing touches go on the final stages of the new classroom block that had been under construction for most of the year. This new Preparatory School building will house our Year 4s, Year 5s, Year 6s and our multi-level 3/4/5 in 2007. There will also be a third computing laboratory opened to meet the needs of students in this area. We anticipate the removal of the last of the old classrooms sometime early next year to make way for the final project for the Junior School, the Preparatory School Gymnasium.

Every time a new building project is undertaken, there are some compromises made in the transition. The most significant of those for boys in an educational setting, is playing space and noise. Despite the various challenges from time to time, the boys and teachers took it in their stride and turned a disruptive situation into a positive outcome. Many year levels incorporated the construction works occurring on our doorstep, into various units of work that could be explored in the classrooms.

As you can see it has been another very busy year for everyone involved in the Preparatory School in 2006. The staff continue to deliver terrific work that ensures the well-being and happiness of all boys in our care. Thank you for another wonderful year.

Mr Grant Nalder, Head of the Preparatory School

Prep School Captain's Report

2006 has been jam-packed with exciting events, but it has gone far too quickly.

The Swimming Carnival in Term 1 is always an incredibly fun day for the boys, and the parents that come out to watch their son's race. The spirit and sportsmanship displayed on the day was exemplary, and although Taylor just managed to take it out for the third year in a row, it was a very tight competition with all boys performing very well on the day.

The Term 1 school camps are a great learning experience and everyone always has a great time. The Year 6s and 7s head off to Scots Creek. Here the boys are taught canoe skills (capsizing always seems to be the favourite), land-care, environmental science and water testing. All the boys in Year 5 eagerly awaited their camp and from what I've heard it didn't disappoint. They launched into a mountain of great activities, including swimming, riding on the surfboards and camping out. There is always mass excitement in the Year 4 classes before they embark on their first camping trip to Hindmarsh Island. The year 4s plunge into a huge variety of things and they come back exhausted but thoroughly satisfied. There is also the most special of all when the Year 5s and their fathers head up to Scots Creek for a weekend of pure fun on the fathers and sons camp.

At the beginning of Term 2, it was announced that the school musical was going to be *Bats*. The length of time spent rehearsing helped to make it a great show, which was thoroughly enjoyed by all the audience and all the boys involved in it. There were many memorable moments and performances extracted plenty of laughs from even the most austere adults (we're all kids at heart). In Term 2, the Year 6s treated their mothers to a wonderful evening of food and light entertainment before the senior school musical production, the classic HMS *Pinafore*. The night was a great success, all boys acted like real gentleman and their mothers had a fantastic evening out with their sons. One of the classic events in Adelaide every year is the City-Bay Fun Run. Each year in September 20,000 Adelaide citizens turn out on

Captain of the Prep School, Ben Young

Anzac Highway to run or walk to Glenelg. This year PAC entered a team for the first time. It was a great day and all boys involved had a lot of fun, most of us ran 6 kilometres but some of the brave souls ran the full twelve.

Sports Day in Term 3 was incredible. There was an amazing amount of spirit, support and sportsmanship on display. The final result was that Taylor had its second win, but all boys from every house competed very well, both on Field Events Day and on Sports Day itself.

In Term 4 the Year 7 boys set off on one of the most eagerly awaited trips of them all to Canberra. We were thrown into a huge range of wonderful fun and educational activities at such places as the Australian War Memorial, the National Capital Exhibition, the Australian Institute of Sport, Parliament House, Old Parliament House, the National Gallery and the National Museum. All of the boys involved behaved and represented their school in an exceptional manner. We had the time of our lives, and we came back weary and aching but extremely satisfied.

You have to understand that this report could only be so long, and I tried to cram as much as I possibly could into, but I still have left out some fantastic events such as House Sport, the Jack De Vidas Art Exhibition, Intercol sports, changes around the school and much more. This year has been one of the most rewarding years for me and for all the boys in the school. I would like to thank my Vice-Captain Jock Clarnette for consistently backing me up when I (consistently as well) forgot my duties. My Community Service and Arts Captains, Lachlan Chapman and Albert Wu, have done more than an excellent job this year and I thank them for that. My House Captains have led their houses extremely well. They have tried their best at all times and each house won at least one house sport event. To all the staff that have made my job much easier and given me some leeway with my homework, thank you for supporting me throughout the year. Our excellent Deputy Headmaster Mr Neil Andary and our wonderful Headmaster Mr Grant Nalder have both have been exceptionally supportive, have given all the Captains guidance throughout the year, and (hardest of all) solved our many problems.

Ben Young, Preparatory School Captain

Prep School Captains

Back Row L to R: Albert Wu (Captain of the Arts), Jack Tidswell (Taylor Captain), Jeremy Pearce (Cotton Captain), Jock Clarnette (Vice Captain), Lachlan Chapman (Community Services Captain), Nathan Siebel (Waterhouse Captain), Lexis Panas (Watsford Captain)

Sam Craven creates a self portrait using the overhead projector

Slide

Ethan Hayes, Cahrlie Mills and Luciano Mercorella share a trip down the slide

Waterfall

Taine Venables helps weave fabric into our shared weaving to create a waterfall

Reception

It has been a wonderful year in Reception. We are very proud of our little Reception men and have been amazed at the growth in their learning.

The year began with two classes lead by Mrs Pip Cooper and Miss Stephanie Hart. We raced into a unit called 'Moving Right Along' as the Clipsal 500 roared outside our windows. It was fun to investigate all things that move on land, air and water. Another Term 1 unit was 'My Favourite Things' which showed the boys that we are all unique and highlighted our place in our family and the community.

In Term 2 we welcomed Mrs Margot Lesson as a replacement for Mrs Cooper who went on maternity leave. 'Once Upon a Time' was our first PYP Unit which gave the boys an opportunity to look at traditional stories. They had fun making puppets and writing 'Who am I?' character puzzles. One of our favourite units was 'My Body is a Machine'. We were fortunate to have special visitors to show us real bones and talk about healthy bodies. While eating at the dinner table one of the boys suddenly exclaimed, "Oh, my oesophagus hurts, Mum!" Understandably she was surprised and amused by his learning!

Term 3 saw our mid-year Reception class join the Junior Primary lead by Mrs Tania Crawford. Together we embarked on a great unit called 'Gardens Alive'. Our classrooms were home to many creepy crawlies. The boys began to learn about the research process. Our highlight was a visit from Kristen who brought along her amazing collection of live bugs and slugs. Boys held, touched and observed many creatures at

close quarters. Our term ended with the exciting news that William and Thomas Cooper had arrived safely.

We launched Term 4 with an excursion to the Central Market to introduce our final unit 'Shop Till You Drop!' Boys busily investigated many kinds of shops and with the help of their buddy, designed and constructed a model shop. The year finished with 'Christmas: Here, There and Everywhere' with a focus on Christmas symbols and the Christmas Story. The JP Nativity was a delightful way to end the year.

Year 1

Thirty-six Year 1 students completed an exciting and challenging year working together.

Our Princes Community

Our next PYP unit explored who belongs to our Princes community. The boys visited many people who work in our school. Through these visits and the interesting questions asked by our boys, they gained some knowledge about ways in which our community operates. Boys embraced these visits with great enthusiasm and enjoyed meeting other people who work here. They also became more aware of the history of Princes and were amazed to discover we have a school museum and enjoyed visiting the Senior School science labs to conduct some experiments.

'I am Australian'

During Term 2 our boys completed the unit titled 'I am Australian.' Part of this unit involved exploring the idea of what it means to be an Australian and how other cultures have influenced our lifestyles here. We carried out a survey of the nationalities of boys here in the Prep school and discovered that families originate from over 40 countries. We cooked spaghetti which boys voted to be the best they had ever tasted. The term ended with our Year 1 breakfast. This was such a success that we concluded every term with a breakfast served in our classrooms.

In Term 3 we visited the Global Village at Kidman Park to sample a taste of life in an Asian country. This excursion included the making of many small items to sell at a market held on the site at the conclusion of the morning.

Year 1 Presentation in the Senior School Assembly

At the request of Mr Tutt, Year 1 boys were invited to present a short item as part of the Senior School Assembly at the beginning of Term 3. Boys performed a line dance and sang a couple of songs, including Princes Men Forever. This was a wonderful experience for our boys and much appreciated by the audience of senior boys and families.

'Tell Me a Story'

The writing and publishing of their own 'first edition, hard cover' book was the focus of this term. As they wrote about their own bear, this task was a real and meaningful inquiry where boys explored the different features of books and why we write stories. They enjoyed seeing their own book develop

through the writing process, from using a simple idea and creating a wonderful book to share with others.

Our Book Launch included a special Year 1 Assembly where our boys used pictures, writing and drama to explain how stories are put together. This occasion was shared by many visitors to our school and was definitely one of the year's highlights.

Through a Literacy and Numeracy grant this year, as well as financial support from Year 1 parents and Max Edward's grandfather from Peacock Publications, all Year 1 boys were able to have their special book printed to give as gifts to family and friends. A copy of every boy's book was also presented to our Prep School Library and another copy to representatives from the Christina Noble Foundation to send to an Orphanage overseas. This was a powerful experience for our boys because they began to understand that not everyone in our world has the opportunities or resources to learn to read.

To celebrate Book Week we went to the Odeon Theatre to see the Patch Theatre Company's production of Pamela Allen stories. This was particularly relevant for our boys as they had studied her books in great detail during first term.

Billy the Goat

To continue what has become a Year 1 tradition, our boys worked together to create a large papier mache model of a goat. Boys needed to co-operate, to share and to take turns as this model was made. This task was a practical way for boys to learn the importance of commitment and perseverance, collaborative learning and problem solving, as well as what can be achieved when a community works together. Billy will enjoy life no doubt with Daisy the cow and Polly the sheep in the Year 1 corridors!

Year 2

The Year 2 boys and teachers have enjoyed their learning journey this year. We began with a PYP unit called 'Read Between the Lines'. This was a literature based unit focusing on Aesop's fables and parables from the Bible. The unit culminated in an Assembly presentation where the boys acted out a selection of fables for the enjoyment of the Junior Primary boys. Our next unit coincided with the Clipsal 500 Race. Excursions to the National Motor Museum and the Road Safety School were informative and involved hands on learning. A selection of guest speakers answered the boys' inquiry questions about cars, past, present and future. Each boy designed, made and raced his own step-in car which competed in what is becoming the annual Year 2 PAC500 Car Race.

Our Term 2 focus saw us delve into our PYP unit 'Food, Fun and Fitness'. Weekly food experiences including making fruit kebabs, ice-cream and rice provided a springboard for our inquiries. The excursion to the PAC Kitchen was a highlight. Poetry writing on different foods and fitness enriched the boys' language. Our regular fitness circuits were enthusiastically completed with the boys recording individual tallies and reflecting on their improved fitness over the term. Transferring learning into action occurred when the boys wrote letters to the school tuckshop manageress recognizing her efforts in providing healthier choices in the tuckshop.

Connecting this unit to our 'A Look at China' unit provided an international perspective where we

visited the Central Market and had lunch at a Chinese restaurant.

Our PYP unit for Term 3 'Ripples in the Pond' was a fascinating journey for the boys as they delved into pond environments, especially focusing on the world of frogs.

We were also involved in many other exciting events including Bookweek, the Premier's Reading Challenge, Grandies Day, International Day of Peace kite flying, the musical *Bats* and Sports Day.

Our PYP unit 'The Gift of Christmas' in Term 4 saw the boys study Christmas traditions in their own families and gift-givers and traditions in a variety of cultures. Each boy decorated a folk-art Christmas tree with his own hand-made decorations reflecting Christmas traditions around the world.

Our boys have now come to the end of their exciting Junior Primary journey!

We hope they will remember these years with lasting memories.

Year 3

Bodworks

We researched together about our body systems. We learned about the muscular, digestive, skeletal and circulatory systems. We really loved exploring all the interactive models of organs and systems we were lucky enough to have in our room. The body systems research taught us lots of new words we had never heard of before. Some of the words we used were long and difficult to spell like vertebrae and epiglottis. At the end of the topic we gave a presentation to our class about our systems. Some of us built models, made posters or a PowerPoint presentation to demonstrate what we had learnt. We discovered that the body systems all need to work together and we also learned how to look after our bodies with healthy eating and drinking along with regular exercise.

Cars Through Time

During Term 1 the Clipsal 500 V8 car race was zooming past our school gates. We decided to research the history of the car. Some boys chose really old cars to research and some chose more modern cars. We discussed what was similar and different between old cars and the cars of today. We got to go to the National Motor Museum at Birdwood and

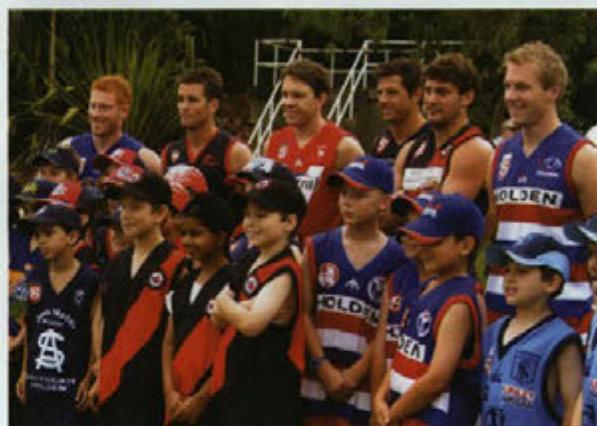

view a variety of cars. We got to sit in an old car and a convertible car. When the Clipsal 500 race was on we got to go in the pits and meet the Ford Betta Electrical Team and the drivers. In technology we used Lego to discover more about wheels and axles. We raced them down a ramp to see which wheels rolled further.

Chocolate

In Term 3 we did a whole lot of research about chocolate. We began by tasting and describing cacao beans, cocoa and dark, milk and white chocolates. We asked questions about when it was discovered, how they make it and where do cacao beans grow. Together we researched interesting facts about the discovery of chocolate and we made a time line to show some of these events. We put it up outside our room. Next we decided to create our own chocolates with individual boxes. We began with some market research, asking boys in lots of classes questions about their favourite flavours and chocolate wrapper designs. We used this information to design our own chocolates and wrappers. Some had mint in them, some had cherry or nuts and some even had a mixture. We produced our boxes on the computers. One we had printed them we carefully folded our boxes. They looked fabulous. To complete our unit we went to look at chocolates at several stores in the city.

SANFL Launch

At the end of Term 1 we were lucky enough to be invited by the South Australian National Football League to participate in the launch of the 2006 season. We were given Guernseys and caps to wear from all the SANFL clubs. On the banks of the River Torrens, at Pinkie Flat, we had a skills training session and got to meet all the captains and coaches. The players and coaches arrived on Popeye. We enjoyed watching them in the paddle boat race and kicking the footballs through the floating goals. We were allowed to have food and drinks from the food stalls that they had set up. We had a great time.

Year 3/4/5R

It was an extremely successful year in 3/4/5R with many activities including the PYP Exhibition focusing on the topic of energy. Our central idea was about humans' energy needs and how we need to sustain energy for future users. The whole class did projects, models and PowerPoints on energy. Even though the main focus was on the Year 5s the 3s and 4s did the own show called 'A Tale of Three Islands'. Throughout the year we went on exciting excursions to many places including the Adelaide Zoo where we went to learn about ecosystems, to the Royal Australian Air Force Base at Edinburgh to learn about aviation and to the Maritime Museum and to the Pelican Point Power Station to find out about energy and its different forms. In Term 2 we had a look at the atmosphere and what things use or rely upon it. We got into planes and how they work. We ended up buying two remote controlled planes and two air pressure powered planes which we had a ton of fun with. We also had a paper plane competition with many intriguing designs. We did many fun experiments using such things as fire and water and the effects they have on humans and the world. We made many scientific based models such as simple machines with simple mechanics and Marble Magics where we had to make a marble do simple tasks like go up, down and through tunnels. In maths we had fun with problem solving challenges and developing skills for working with measurement, decimals, data handling and algebra. We wrote in many ways such as creating scripts for plays, poems and articles for magazines. In summary we had a great year in Mr Roller's class. Thanks Mr Roller for the wonderful year and the experiences we had.

Year 4

Fantastic Year 4

"Welcome to year 4", our teachers said on day one. They told us it was going to be a busy year, and boy was it! At the start of the year it was hard, because there were new boys to get to know, as well as two teachers brand new to PAC. To help us to get to know each other we went on a camp to Victor Harbor.

Term 1

Throughout Term 1, we inquired into Pollution and its causes in our unit titled 'Strangling the Planet'. We enjoyed researching, writing and making projects on topics such as acid rain, factory pollution and even sewage.

We went on a camp to Victor Harbor and stayed at the Toc H camp site. We were involved in a lot of beach games and aquatic activities. We wrote in our journals each day and visited the Whale Centre and Granite Island. On our last day we went to Greenhill's Adventure Park before returning to PAC.

For the first time some of us did activities like beginner band and we finished the term with our Carol Service at Wesley Uniting Church.

Term 2

What a busy term! We completed two units of inquiry titled 'Invasion or Settlement?' and 'Change Matters'.

For 'Invasion or Settlement' we went on three excursions to help us inquire into the question, 'Was Australia invaded or settled by Europeans?' We visited the Migration Museum, where we learnt about how the Aboriginal people lived before white people and how they were treated afterwards. We also visited Tandanya, where we were further exposed to the Aboriginal culture. We went to the Botanical Gardens, our guide was an Aboriginal man named Wally, and he told us how the Aboriginal people used the environment and plants in their everyday lives. Finally we went to the Art Gallery with Mrs Watts and she described the Aboriginal paintings and art works to us.

In 'Change Matters' we became young scientists. We invited Mr Ecroyd into our classes, because he is a scientist. He did experiments with us, using dry ice, water and food coloring to make a reaction. Then we tried out our own

experiment using food and growing mould and bacteria. We learnt how to write a scientific procedure.

Term 2 finished with buddy activities with Year 6/7M and the Mid Year Receptions, celebrating the World Cup and raising money in the 'World's Greatest Shave'.

Term 3

Our first unit was called 'Packing a Punch with Poetry' and we became powerful poets ourselves. We first read many different poems, we asked parents to help us perform poetry in a 'Poet's Theatre'. We practiced poems to recite for the year 3/4/5 poetry festival. We became fans of poetry when we saw Pegge and Potter recite many poems to our classes. Our favorite was a poem titled 'Mangoes'. We used the computers to publish our own poems that went into our portfolios.

For our second Program of Inquiry we studied inventions in a unit titled 'Technological Times'. We looked into inventions from the past and present and we made our own models and researched into whether they have improved our lives. We used the library and the resource section with its encyclopedias to help our research.

To make our term even busier we enjoyed other activities such as Grandies' Day and being part of the school musical *Bats*.

Term 4

In Term 4 we inquired into 'Choices' and how to make good decisions, in a unit titled 'Being Choosy'. We worked a lot in groups and learnt how to get along as well as working to achieve a goal. We planned and lead our class in a fitness lesson.

There are many things we are looking forward to, as the end of the year comes near, such as excursions to the Central Market and the Aquatic Centre, New Boys' Day and Speech Night.

2006 has been a great year. The teachers have managed to fit in a lot of fun things for us to do, while still finding the time to do more serious work. Everybody is excited about the new buildings that are coming and can't wait to get inside and see their new classrooms. Year 4 was the best!

Year 5

Breaking Ground

'Breaking Ground' literally with a unit of inquiry not previously undertaken at Prince Alfred College. The boys accepted responsibility for a plot of land, including preparing the soil, sowing the seed with amazing care and nurturing the growing produce.

The boys funded the project completely, investing in the early stages of the process and successfully planning the marketing of the produce from their garden. Not least of the excitement and fun generated by this unit, was the dividend that was paid out to the shareholders.

Outdoor Education Camp

Waves, wind and water...

What more could boys ask for?

Over three days the Year 5s explored many rich outdoor education opportunities offered by the South Coast of SA. Based at the Toc H campsite at Victor Harbor, the boys worked in varying team settings to improve their initiative, social skills, and experience learning in vastly different environment the four walls of the class room.

Port Adelaide Excursion

During Term 3 the Year 5s engaged in an in depth unit of inquiry on energy.

After conducting numerous classroom experiments, the boys went on a whole day excursion to Port Adelaide.

One part of the day was taken up by a visit to the Pelican Point Power Station to view the state of the art facility for producing electricity for our state.

The boys also had an exciting visit to the Maritime Museum, seeing how earlier forms of energy formed a vital part of South Australia's heritage.

PYP Exhibition

The PYP Exhibition is the culmination of the boys' learning experiences through the Primary Years Programme.

The boys conducted individual and group research into the scientific and societal ramifications of a very topical topic.

The Exhibition then required the boys to present their research findings in a variety of ways from working models to PowerPoint presentations. The Exhibition was rounded off by the on stage performance looking at the past present and future of energy usage.

Year 6

What a great year, Year 6s have had. We started the year off with a bonding activity at City Beach Volleyball Centre. First we learnt how to play the game and then we were taught how to improve our technique of hitting the ball and learning the rules.

Then we headed to PAC's Scotts Creek Outdoor Centre. We had lots of fun from the range of outdoor activities. The activities ranged from Rock Climbing to Canoeing. We had lots of fun playing the game 'Escape from Kamp Krusty'. Everyone that night had smiles all over their faces but also they were very tired.

During PE we were preparing and practising for the Swimming Carnival. We enjoyed every part of it. We not only raced in all the different styles of swimming we also played novelty games, which included the treasure hunt and tube race. We all had great fun. Also during PE we did all kinds of games all made everyone happy, which included Gaelic Football, Golf and Rugby. We all enjoyed the variety of games.

Later on we had the Mother & Son dinner. We all enjoyed having our meals. The night was about looking after our mothers and showing appreciation to them. We all created a poem and a placemat to show how much we loved them. We always had to make sure if they had enough food, drink and check to see if they are having a great time. Later that night we saw the production from the senior school, *HMS Pinafore*. After that we went back and had coffee and had a chat with everyone else.

One of our specialist subjects was Technology. The first project was to create a wooden structure to hold an amount of weight. The aim of it was to carry the most weight and use the least amount of wood. 6/7M's second project was CO2 Dragsters. We created our own designs using balsa wood. There was a competition for the best looking Dragster and the fastest Dragster. The other Year 6 classes did their project on solar boats. They enjoyed building and designing their boats.

During science we all enjoyed building spaghetti bridges. We each received 100g of spaghetti. We were not allowed any more or any less. Everyone had the same amount. To start the project we all researched the strongest shapes and structures. We all had fun building and designing our structures. When it came to testing our structures it was so much fun watching them being put to the test. We all

watched in suspense as our bridges slowly cracked. Then it all falls apart. We all had great fun watching.

In Term 4 for music we played the Gamalang. The Gamalang is a cultural instrument. We played various songs and pieces trying every different instrument. We all enjoyed the experience of trying a different culture. We were also told how the instruments are made and how do the Indonesians play it? We learnt that the Indonesian people play for nearly six hours. In the end it was so much fun having a new experience in other cultures.

In Term 3, we had Sports Day aka Athletics Carnival. We had a range of novelty events as long as our individual events. They were sack races, parlouf relays, geetahs, leader ball and tunnel ball. They were serving drinks and slushies in the colours of our house. All were tired, but we all enjoyed ourselves.

In LOTE (Languages Other Than English) we had the World Cup Soccer. It was France versus Germany. We all had great fun playing soccer for our country. In the end Year 6 Germany had beaten France right at the last minute. We all had so much fun using our skills of soccer in a game for the World Cup.

As part of our community service, 6L and 6H participated in the Royal Flying Doctor Service Plane Crazy day to help them raise money to purchase a new aircraft. We held a walkathon around Rymill Park and sold flashing planes. We won the metropolitan award for raising the most money and were privileged to be taken on a tour of the RFDS base.

Year 6 had a perfect year full of education and fun!

Year 7

Hanging in suspension from a twenty metre wall at Vertical Reality Climbing — What a great way to start the school year and get to know all of our peers in Year 7! This was the first of many excursions linked to our curriculum in which the Year 7 boys engaged throughout the year. A visit to the Warriparinga Wetlands and St Kilda Mangroves reinforced our study of waterways. At Tandanya we learnt about the Aboriginal heritage and culture and in Term 2 we toured the Barossa Valley to see the German heritage. Our study of World Religions led us to the Mosque, Buddhist Temple and St Peter's Cathedral and the highlight of our year was visiting Canberra in Term 4 to consolidate our studies of Civics and Citizenship. All classes enjoyed their adventure camp at Scotts Creek and the visit to the school by the CSIRO Spacedome.

Achievements have been many in assessments such as the University of New South Wales Spelling, English, Science, Writing, Computing and Mathematics. More mathematical success was evident in the Mathematics Challenge, the Mathematics Olympiad and the Westpac Mathematics. Many Year 7 boys completed the Premier's Reading Challenge, wrote stories for the Young Writers' Award and presented models and research in the National History Challenge.

Our Family Life lessons in Term 3 focussed on puberty and reproduction and in Term 4 we really enjoyed the First Aid Course conducted by St John Ambulance volunteers, especially the opportunity to create mock wounds and walk around the school frightening people.

Sport featured strongly in the lives of many of our Year 7 boys, not only playing winter and summer sports but also participating in House Matches, Sports Day, Swimming Carnival, Cross Country and for some boys, selection in the various SAPSASA and State squads.

Music too was a feature with many Year 7 boys

participating in individual music lessons, ensembles, choirs and bands. This year the cast of our Prep School Musical *Bats* was comprised mainly of Year 7 boys who showed a wealth of talent in singing and acting.

Numerous leadership opportunities are available to boys in Year 7 and it is encouraging to see the development of leadership skills and acceptance of responsibilities. Our two days of transition into the Secondary School highlighted for us the importance of these skills as we enter Year 8.

Our Annesley exchange has become an annual feature with a Walkathon in Term 1 to raise money for the Juvenile Diabetes Foundation, a Mathematics Day in Term 2 and Ten Pin Bowling in Term 4.

Community Service is an essential part of our program and throughout the year the Year 7 boys have participated in numerous activities including the PAC/Annesley Walkathon, regular water testing of First Creek and Clean Up Australia Day where we focused on our school. We contributed to a warm clothing collection, held a successful Year 6/7 Disco, Year 7 Fair and the Entrepreneur Award, in addition to supporting the community service of other year levels. All Year 7 classes have developed a 'buddy' relationship with a class of younger students, supporting and assisting in activities once a week.

There are so many opportunities for Year 7 boys to discover and extend their talents. These co-curricular activities have included Public Speaking in the Junior Orator Competition and the Lodge Public Speaking Competition, Debating, Chess, Tournament of Minds and Future Problem Solving.

After such a busy year, including lots of schoolwork too, we really are exhausted but we've enjoyed every minute of Year 7!

From the Classroom

Chess

PAC entered five teams in the South Australian Junior Chess League Competition this year. There were two teams in A Grade, two teams in B Grade and one team in C Grade. The A Grade matches were played at PAC, B Grade at Unley High School and C Grade at St Peter's College.

We missed out on qualifying for the finals in C Grade and B Grade by one place, coming fourth in both categories. PAC Red came fifth in the A Grade, thus qualifying to play for the Koshnitski Shield.

It was pleasing to see so many boys improve their game over the course of the season. Congratulations to boys who received League trophies and certificates for high scores.

Trophy winners: Tom Milton (6.5/7), Daniel Elix (6/7), Hank Ly (6/7) and Christos Karykis (6/7)

Certificate winner: Tom Parish (5/7)

Tom Milton has further distinguished himself by coming third in the Open Under 18 Tournament.

Thank you to Mr George Howard for coaching the boys this year.

Debating

This year was a very successful debating year for PAC. Seven teams were entered in the JSHAA Competition. We had three A Grade teams (A1, A2, A3) and four B Grade teams. The A Grade teams were made up of Year 7 boys and in the B Grade competition we had three Year 6 teams and one Year 5 team. Mrs Polain and Mrs Magain coached and managed the Year 6 and 7 teams while Mr Roller looked after the Year 5 team.

Each team put in a huge amount of effort which resulted in two of our A teams making it through to the quarter-finals. Both teams performed brilliantly in the Quarter Finals and the A1 team was successful in making it through to the semi-finals. We wish them well and hope they make it through to the Grand Final. We all enjoyed the experience very much. Our public speaking skills have improved

out of sight. Things we have improved included voice projection, rebuttal and speech preparation. Speeches had to be between two and a half minutes to three and a half minutes long. We had to be very careful to be between the time expectations otherwise we would lose points. We all had a great and challenging time and gained a great deal of experience through debating. Thank you to our coaches.

Albert Wu and Tom Johns

The Lodge Short Talk Competition

At the end of Term 3 each year, PAC Old Scholars who are members of the Lodge run a short talk competition for Year 7 boys at PAC. The purpose of the competition is to provide boys with an opportunity for development in an area that is becoming more and more important.

A number of boys took part in the competition. There were two parts to the competition — first, we had to present a four minute prepared speech on any topic we chose, and second, we had about twenty minutes to prepare a shorter impromptu speech on a topic selected from a number of options presented to us on the night. The competition was assessed by a panel of four judges. The talks were all of a high standard and the prepared speeches ranged from topics such as feats of great courage which inspire us all, to funny insights into sibling rivalry.

My prepared speech was called "2006 — A year or a journey", and I talked about the highlights of 2006 from my personal point of view, and generally. My impromptu speech was "The Great Outdoors", and I got a few laughs talking about the many (true) camping disasters of my family.

I would like to thank the Lodge for running the competition, all of the boys who entered for providing a good

competition but keeping it fun, and Mrs Magain and Mrs Polain for the excellent food!

Thomas Johns

Tournament of Minds

Tournament of Minds offers students a unique, total experience, providing challenge and growth through its six week problem solving structure. Teams are required to work together on a Long Term Challenge for six weeks without assistance from teachers, parents or peers. They are encouraged to explore possibilities and experiment with ideas as they endeavour to produce their best possible solution. They develop a creative and original way to communicate their solution to others, working within predefined parameters such as limited materials, complex challenge criteria and the deadline of Tournament Day. This year PAC entered one team in the Junior Section of the Competition.

The team of seven students chose the Language and Literature problem. They presented their challenge solution to a panel of judges and an audience on Tournament Day. They had ten minutes in which to present and were given a 3 metre by 3 metre performance area. On Tournament Day, the team was also required to participate in an unseen Spontaneous Challenge. This challenge required rapid interchange of ideas, the ability to think creatively and well developed group cooperation skills. We congratulate the Language and Literature Team who worked hard on their solution to the challenge 'Flawed by Tragedy'.

Musical

Bats

What an amazing journey and experience the boys have had. *Bats* began with the gruelling process of auditions, followed by blocking the script, learning lines, coming in on cue as well as learning songs and dances! The boys demonstrated amazing commitment and a positive attitude whilst on the daunting journey towards the performances.

We are lucky to have at this school the dedicated staff who worked so hard to enable the boys to experience a whole school production, something that will leave them with great memories.

Special mention needs to be made of the extremely talented Pam Watts who gave the costumes and set design her special touch, as well as Band Director Andrew Newhouse, Big Band 2 and Mandy Varga who inspired the boys with her fantastic choreography.

The boys' first performance was fully charged with nervous excitement and eager anticipation as many schools began to arrive for the matinee. We can not express enough how proud we were of their energetic and sincere performance. Our two evening performances followed and the momentum built to a climax on the final night which was a really fantastic spectacle.

The Junior Primary students had a very important role, opening each show with brilliant panache and style dressed as bats.

Backstage the boys were full of excitement and energy and even the tech crew became involved, performing the dances in the wings for the enjoyment of our stage managers.

A show like this is not possible without the amazing support of staff, boys and parents. Once again we would like to say thankyou to all those who were involved and

supported us by coming and seeing the show.

Mrs Mandy Bell and Mrs Georgia Bradford

Row 2: William McPhee, Sam Karamoshos, Lachlan Chapman, Jock Clarnette, Nicholas Wilton, Nathan Siebel, Benjamin Stowe, Jeremy Pearce

Coach: Gary Jenkinson

1st XI Cricket

This year's 1st XI team has shown some genuine improvement through out the year. The boys have performed better in the fifty-over, two-day matches in contrast to the limited-over fixtures.

In Term 1 we lost heavily to CBC and St Michael's College, had close losses to St John's College and St Peter's College, largely due to our fragile batting. Only Harry Barnes and Jock Clarnette were consistent run scorers in first term. Louis Grope had a good innings against Pembroke and Nathan Siebel played a good innings against St John's. Overall our bowling and fielding was consistent. Will McPhee, Jock Clarnette, Nathan Siebel and Harry Barnes were the best of our pace bowlers and Alex Buckby taking many valuable wickets with his leg-spin.

Our two two-day matches in Term 4 saw gritty victories against CBC and Sacred Heart College. In these games Will McPhee took the incredible figures of 4/6 and 4/24 respectively. Opening partnerships of 38 and 50 between

Row 1: Nicholas Fitzgerald, James Keeves, Nicholas Pollock, Joshua Teisseire, James Hill, Samuel Duffield, Ross Anderson, Lachlan Burns

Row 2: William Swale, Benjamin Andary, Jack McPhee, Benjamin Stowe, Thoams Gray, George Burford

Coach: Jonathan Mitchell

Harry Barnes and Nick Wilton ensured we were able to chase down CBC's 10/113 and SHC's 10/111. Our captain Alex Buckby set intelligent fields and his leadership has been extremely positive. This maturation and growth in confidence from our players should augur well for our up-coming Intercol clash with arch-rivals St Peter's College.

I would like to thank our incredibly supportive and enthusiastic parents for encouraging their boys and helping with the scorebook each Saturday.

Mr Gary Jenkinson

B Maroon Cricket

Row 1: Reid Amos, James Elix, Alex Harris, Henry Kitto, Matthew Henry, Andrew Romano

Row 2: Nicholas Pic, Edward Carter, Elias Salagaras, Alexander Cooper

Coach: Annabel Ecroyd

B Red Cricket

This year the B Red Cricket team has had great success winning most of our games. All boys had a great time as we trained and played each week. So far all of the players have improved because of our coach Charlie. Charlie has taught us how to improve our batting, bowling and fielding. We also could not have done so well without Mrs Ecroyd coming along to score, support and organize the team. Thank you to all the boys for their enthusiasm and sportsmanship.

Henry Kitto

Coaches: Mel Bensley, Hector Bevitt-Smith

Year 5 Cricket

This year was a phenomenal year for the Year 5 cricket team. We have only lost 1 game, as a result of extras. Other than that, we have been doing an admirable job, in all areas of the game. The main thing is we have tried to a great extent and that is the reason why we have been extremely successful. Mr Ritchie has tried very hard while coaching the Year 5 team along with Paul Ellis.

Lachlan Glynn and Jake Gugliotta

Year 5 Cricket

Row 1: Marc Webber, Simon Fahey-Sparks, Lachlan Glynn, Declan Sharp, Jackson Turp, Paul Russo

Row 2: Daniel Elix, Arjun Moudair, James Whitehead, Luke Janowski, Jake Gugliotta

Coach: Mr Luke Ritchie

Year 4 Cricket

The boys started with a fantastic amount of enthusiasm which did not diminish over the course of the year. With fantastic coaching from Robert Mitchell (Ralph), the boys' skills really developed. Many lessons were learnt along the way like; don't wear boxer shorts under your cricket pants because the box won't stay in! A few hiccups along the way, with weather dramas in the first half of the season, were a little frustrating but the remainder of the season finished with lovely sunny afternoons. The boys have really enjoyed the season and are all developing a love for the game. Thanks must also go to the parents for their wonderful support over the season and hilarious commentary from the boundary line.

Mrs Georgia Bradford

Tennis

A1 and A2 Tennis

This year has seen the continual success of tennis in the Preparatory School. We have been blessed with a wealth of talent, not only among our Year 6 and 7 players, but a number of Year 4 and 5 players. This resulted with the expansion of a further two A teams during Term 4. This has enabled the boys to enjoy a better competition and more boys to play in a higher position. Congratulations must go to John Hall for making the State team earlier this year and the Schools Drive in Term 4 playing at number four. This must be a first. Congratulations also to Li Tu who represented the school in SAPSASA tennis. Jock Clarnette, Ben Young and John Hall also tried out and would have made the team had the Year 7 Canberra Trip not coincided. Well done to all 28 boys who have represented the school in the A tennis competition.

Mr Chris Harris

Row 1: Thomas Browne, Fraser Goldsworthy, Kwok Hay (Calvin) Lee, Christopher Hannemann, Lexis Panas

Row 2: Stuart Hamood-Staines, Nicholas Krantz

Coach: Pam Watts

B Tennis

In Term 1 this year there were five tennis teams in the B division, from which the Red tennis team was selected to play every Friday afternoon. We aimed to give all boys the chance to play as many games as possible in this competition. During some practice sessions, boys had the opportunity to work with professional tennis coaches to improve their skills. There were many tough sets and matches played this term, but all boys displayed good sportsmanship and tried hard to improve their games.

Mrs Leeanne Brook

C Red Tennis

The C Red Tennis team consists of Year 4s and 5s who often have not played competitive tennis before. They have had a lot of fun this year. Their tennis has improved considerably, they have learned to score, and they have learned a lot about court etiquette and how to be a good visitor and a good host. Here are some of their comments: "I like my team because this is my first time and they encourage me"; "my team hosts the other schools well"; "this season's been good because we've won a few and lost a few."

Mrs Jenny Gilchrist

C1 Tennis

Row 1: Riley Terrell, Alexander Mallia, Hank Ly, Benjamin Eskander

Row 2: James Melani

Coach: Jenny Gilchrist

C White Tennis

Tuesday afternoon practices were enjoyed by all and skills improved with the assistance of our new tennis coach. Each week, the boys had the opportunity to practise their ball skills and their serving technique. At matches, everyone's ability to score individually and play games really developed throughout the season. Both Christopher Henry and Sam Johns agreed that "the season had been really good because we won some matches and everyone played really well." The boys supported each other really well as a team and thank you to our supportive parents who helped with umpiring, scoring and encouraging the boys. Well done team!

Mrs Penny Kerr and Ms Sarah Taylor

Absent: Angus Tihema, Oliver Nicholl, Stuart Eddy

Coach: Lynda Polain

Summer Sport

Year 6/7 T-Ball

The Year 6/7 T-ball team has enjoyed a very successful season, winning every game. Our fifteen enthusiastic players have not only developed sound skills in both fielding and batting but also a team spirit, encouraging and supporting each other on the field. Quality practice sessions have helped many of the boys to improve their skills in throwing and catching. Significant matches have been against St Ignatius N1 where we won 23-2, St Ignatius N2 winning 26-21 runs and a close result and exciting match against St Peter's whom we defeated 20-14. Thanks must be expressed to the similarly keen group of parents who attend all the matches and assist with equipment and scoring.

Mrs Lynda Polain

Year 4/5 T-Ball

Row 1: Anthony De Palma, Ryan Waters, Trent Walsh, Hugo Vadasz

Row 2: Alexander Bean, William Miller, Michael Katsambis, Nicholas Athans, Anastasios Athans, Dong Sik (David) Eom

Absent: Nathan Kapitza

Coaches: Stephanie Hart, Guy Collins

Year 4/5 T-Ball

The Year 4 and 5 boys enjoyed playing T-Ball this year. While many boys were new to the sport, they tried hard, improved in many ways and developed skills. During training sessions, the boys worked to improve batting, catching, fielding and fine-tuned their knowledge of the rules and how the game is played. The matches were very entertaining although we did not win many! Special thanks to Mr Guy Collins who assisted with umpiring the matches and parental support with scoring.

Mrs Stephanie Hart

Table Tennis etc

Many boys made the choice to play table tennis this year which resulted in there being two strong teams to represent the school at table tennis. Particularly pleasing was the number of younger boys who attended practice and they have shown wonderful improvement throughout the two terms of winter sport.

Unfortunately only three schools entered teams in the competition which resulted in the boys playing the same teams regularly. We had exciting games with the teams from Immanuel and there was excellent competition on among the two Princes teams. Our boys played very competitive table

Soccer

A Soccer

Row 1: Kristian Quirke, Francis Kette, James Hill, Nicholas Pollock, Thomas Johns, James Elix

Row 2: Taxiarchis Skrembos, Lachlan Chapman, Carlo Russo, John Hall, Niwili White Forrest, Arata Gwinnett

Prep A Soccer

The season started with the team being well beaten by strong opponents. However, the arrival of John Hall in goal provided stability and allowed the defence to close down the opposition's midfield more assertively, which allowed the strikers to hit their stride. With growing confidence, determination and resilience, they held out for a gritty 3-3 draw away to Sacred Heart and on two occasions, both away, they gave St Peter's a scare before narrowly going down in the closing minutes. The year ended with a respectable balance of five wins, one draw and six losses.

Prep B Soccer

The B soccer team did not win any games this season, but we had a lot of fun and we really began to play as a team as the season ended. Our soccer skills skyrocketed and we became a lot more confident as well. We also improved friendships with our teammates. Thanks to Scott, our coach, for his input into the team and Mrs Leeson for managing Saturday games.

Coaches: Hector Bevitt-Smith, Lihwa Chu

Year 6 Soccer

Our soccer team unfortunately did not have a very successful season, losing all but one match which was drawn. Despite this, we worked very hard to improve our skills. We enjoyed our games and had lots of fun. Our goal keeper Jordan Schiller played extremely well and stopped many goals from our opposition. We were well supported by our coaches — Stuart (Term 2) and Hector (Term 3), Ms Chu and our parents.

Nicholas Karalis and Lucas Roney

Year 5 Soccer

Row 1: Richard Zhou, Daniel Elix, Alexander Bean, Alexander Mallia, Paul Russo, Samuel Johnston

Row 2: Samuel Johns, James Whitehead, Michael Katsambis, Luke Janowski, Li Tu

Year 4/5 Soccer

We had a productive season, with the boys learning the skills required to work effectively in a team setting. We had the upper hand in many of our matches, but often let our lead slip due to inexperience. As the boys continue to develop in confidence and ability they will have the experience to hold their lead until the end.

Mr Luke Ritchie

Year 4 Soccer

Early in the season we travelled to St Michael's where we went down in a fast moving and keenly fought game. The team's defensive play improved with every game and constantly kept opposing sides at bay. With increased

Year 4/5 Soccer

Row 1: Christopher Henry, Angus Duthy, Ryan Waters, Alexander Smith, Connor Perrin, Darcy Moss, Zachary Papazaharoudakis, Clayton Lam

Row 2: Christos Karykis, Yianni Venardis, Kurt Park, Lachlan Branch
Coaches: Hector Bevitt-Smith, Luke Ritchie

Year 4 Soccer

Row 1: Thomas Nelson, Harry Martin, William Kolaroff, Samuel Sibly, Adam Gwinnett, Aaron Gwinnett, Christian Oppedisano

Row 2: Anthony De Palma, Charles Marshall, Robert Colton, Michael Georgiadis, Joseph Casalbore

Coach: Greg Bishop

Year 2/3 Soccer

Row 1: William Cooke, David Linn, Matthew Georgiadis, James George, Jess Nalder, Ned O'Neil-Swain, William Robertson

Row 2: Samuel Jackson, Ayush Kumar, Hugo Fahlbusch-Moore, Lachlan Delbridge, Corbin Ross, Alexander Skrembos

Third Row: James Chalk, Lucas DeGaris, Samuel Steicke, Thomas Lancione, Matthew Giardini

Coach: Jono Mitchell

confidence and skill the boys comprehensively beat St Michaels in the rematch and then went on to comfortably beat St Peter's in the Intercol game. Peter Marshall's input on defensive and attacking positional play was invaluable and greatly appreciated.

House Activities

Athletics Carnival

During the last week of Term 3 all Year 3-7 boys participated in the Prep School Field Events Day on the Monday and then the Sports Day on the Thursday. We were fortunate to have great weather for both days. Over the two days we had some fantastic individual and team results. After being the clear leaders after the Field Events Day, Taylor was able to hold off Waterhouse to win their third cup in a row on 215 points. Waterhouse was second on 184, Cotton was third on 158 points and Watsford last on 126 points. In what was a very close competition we had Watsford take out the Spirit Cup. Throughout the day the boys were judged on their sportsmanship, organisation, chants, and overall spirit. It was fantastic to see how well the boys, parents and teachers all dressed up in their house colours and cheered and barracked loudly all day.

Individually we had some fantastic performances. In the open division Nathan Siebel won five events and came second in four to take out the Milner Trophy as the best senior athlete. He just edged out Jack Tidswell who was the Under 12 Champion by one point. Lachlan Glynn clearly won the Under 11 competition with five first place results. In the Under 10 group Andrew May was the winner with Robert Colton and Stuart Harris taking out the Under 9 and Under 8 age groups.

Taylor celebrates winning this years sports day.

This year the Sports Day and Field Events Day were both a great success, and this is due to the great assistance I had over the couple of days, as well as the weeks leading up to it. I would firstly like to thank all the staff for their fantastic efforts on the day, especially house leaders Lynda Polain and Gary Jenkinson, Joy Magain and Chris Harris. Special mentions must also go to Jonathon Mitchell who gave up his time to be our starter for the day and also to Hector Bevit-Smith the Gap student who did a lot of work. I would also like to thank the Senior School helpers and all of the parents for assisting with time keeping and judging, supporting their sons and making the day so special. I look forward to another successful Sports Day next year.

Swimming Carnival

This year's swimming carnival was held on Thursday 2nd March during Term 1. On a day when temperatures were around 35 degrees the boys all enjoyed it when they got the chance to get into the pool and compete for their Houses. In a close contest all day the eventual winner of the Gramp Cup as the winning house was Taylor. This is their third year in a row. Congratulations go to all boys who competed, with special mention to the age group champions and Nathan Siebel who won the Cox Trophy as the best senior swimmer. I am sure everyone involved in the day had a great time, this being evident when we had the Mexican wave go around the pool. Thank you to all staff, parents and friends who made it such an enjoyable day.

Year 4 boys compete in the over under relay

*House Activities***Age Group Swimming Champions**

Under 8	Stuart Harris (Watsford)
Under 9	Harry Martin (Waterhouse)
Under 10	Adam Gwinnett (Watsford)
Under 11	Jason Leung (Cotton)
Under 12	James Kolaroff (Taylor)
Open	Nathan Siebel (Waterhouse)

House Cross Country

Early in Term 2, all Year 3–7 boys participated in the Prep School House Cross Country. Boys in Under 8, 9 and 10 competed in a 2km race while the boys in Under 11, 12 and 13 competed in a 3km race. We were fortunate enough to have perfect running conditions with a cool breeze and some blue skies for the races. In the 2km race we had Adam Gwinnett lead the whole way and win the junior race. In the senior race we had an amazing performance by a Year 5 boy, Lachlan Glynn who led from the front and defeated all boys in Year 6 and 7 as well as his own age group. In the end the winning house was Cotton. The Cross Country Captain of Cotton Matthew Gillespie accepted the trophy in the assembly. One of the highlights of the day was the fantastic spirit and encouragement between the boys. It was great to see some of the older boys help out the younger runners to finish their races. Every boy, from the first runner to the last runner, gave their best and represented their House with pride. Congratulations to all boys who completed the course. Following is a list of all results from the day:

Under 8

1st	Stuart Harris (Watsford) 10:55 minutes
2nd	James Liascos (Taylor) 11:13 minutes
3rd	Andrew Thomson (Cotton) 11:34 minutes

Under 9

1st	Sean Meredith (Taylor) 9:49 minutes
2nd	Harry Martin (Waterhouse) 10:13 minutes
3rd	Cameron Scheepers (Waterhouse) 10:14 minutes

Under 10

1st	Adam Gwinnett (Watsford) 8:37 minutes (Junior Champion)
2nd	Christopher Henry (Taylor) 9:10 minutes
3rd	William Koloroff (Taylor) 9:19 minutes

Under 11

1st	Lachlan Glynn (Cotton) 11:32 minutes (Senior Champion)
2nd	Hamish Morelli (Taylor) 12:46 minutes
3rd	Charles Hall (Taylor) 12:54 minutes

Under 12

1st	William Fryer (Waterhouse) 12:30 minutes
2nd	Matthew Faul (Cotton) 12:41 minutes
3rd	Thomas Browne (Taylor) 13:00 minutes

Under 13

1st	Nathan Siebel (Waterhouse) 12:02 minutes
2nd	Nicholas Pollock (Waterhouse) 12:03 minutes
3rd	Niwilli White Forrest (Cotton) 12:27 minutes

House Cross Country Cup

1st	Taylor 168 points
2nd	Cotton 134 points
3rd	Watsford 115 points
4th	Waterhouse 114 points

**Primary 6/7A Football**

This year's Prep A football team had a season of two terms. In Term 2 we played in Division 1 against Sacred Heart, St Michael's and Rostrevor. We had some competitive games but could not match it with these three schools, although we did improve each time we played them. In Term 3 we went down to Division 2 and had a fantastic term which included big wins over Sacred Heart Bs, St Ignatius Year 6 and also St Ignatius Year 7. We did have a disappointing loss against Pulteney in a tight match. This brought us to the final game against St Peter's. We got off to a great start and controlled the whole game to pull off a comfortable victory. Winner of the best Year 7 footballer went to Nathan Siebel and the most improved player was Jos Builder. Thanks to Peta Hebblewhite who took this photo of the winning team against St Peter's.

Secondary School

Head of the Secondary School's Report

This year more than ever I have been aware of the forces operating on us as both a business and a school. The two are not necessarily compatible so there are times when I must balance what appear to be differing needs. This is most powerfully evident in staffing. A modern, international curriculum must include a range of subjects and parents in a school such as ours demand small classes. Sometimes we operate small classes to maintain what we call the 'curriculum guarantee' so that a student is able to complete a course in which he is enrolled. A business runs on effective staffing ratios and these may not always agree with the educational philosophy made explicit by the school. It makes for interesting times as a leader and manager!

One of my areas of interest in my position is the 'middle management' team. This consists of the Heads of House/Year and the Heads of Department and their managers, Ken Watson, Andrew Buxton and Richard Bruford. These staff are pivotal to the effective functioning of the school and I thank them most sincerely for their work this year. The implementation of common assessment from Years 8-12 and the Extended Stay Program are but two initiatives developed this year by these staff. In particular I acknowledge the work of Michael Steer,

Head of the Secondary School,
Mrs Cynthia May

I have continued to enjoy the relationship between the Preparatory and Secondary Schools and appreciate in particular the professionalism of Grant Nalder and Neil Andary.

As always I extend my thanks to the staff across the whole campus: in the Café, Administration, the Boarding House, the kitchen and the grounds. I hope these people are aware of how much their work means to the Secondary School.

Several new staff joined us this year and I have been delighted with their contribution to the school. Emma Marshall will remain with us for a further year as Kate Boccaccio and Rosie Brooke have extended their leave. Sara Browning has had a very successful year and has been appointed to the permanent staff at Walford. Jim Flatt has enthused Chemistry this year and will continue to do so as a permanent member of staff. Nick Venardis has completed a further contract with the school in Technology and will leave us to join TAFE. We farewell Janet Harris who will join Scott-Oakburn in Tasmania and Carol Shaw who will leave to teach German at St John's Lutheran Primary School.

Whilst Chris Jordison was on leave, Peter Hopkins assumed the Acting Head of Science whilst Dr Peter Wilson filled the teaching role. Both ensured that the faculty continued to run smoothly. Sam Jordan was Acting Head of Year 8 both while Phil McLaughlin was ill and then on leave in Term 4. This has provided him with invaluable experience as he has accepted the role of Head of Cotton from 2007.

Elena Zema has worked tirelessly to organise the relief roster this year and then the timetable. For a 'part-timer' she seems to spend a great deal of time with us! The retirement of Lucy Petherick after 17 years of service to the school was a significant moment for us all. Lucy was an asset to the school and left many memories with us. Kathryn Harding found the task of replacing Lucy enjoyable and challenging and has settled well into the role.

There are several highlights to the year which require chronicling. The first of these is the Gerard Corporation Innovation Lecture. This year, Professor Jock Findlay spoke on Science, Sex and Society in alerting the community to the fertility issues relevant both to men and contemporary society. The entrepreneur challenge continued this year under the guidance of Mr Chris McGuire. The Challenge extended to other schools this year and some exciting projects were developed to raise funds for the next trust. The Father Son Dinner took the form of a cricket forum with Old Scholars Gordon Schwartz, Simon Fry and Paul Rofe chatting with Steve Clohesy in the Bradman Room at the Adelaide Oval about their passion for the game.

As always, many boys were awarded academic certificates for their part in national competitions and it is a wonderful balance to see them also participating in a range of other activities: sport, debating, chess, music amongst others. The musical, *HMS Pinafore*, and the drama production, *Barbecue*, were quite different shows but establishing performance as integral to our culture. It is wonderful to see Drama reach Year 12 as a subject in 2007 and Philosophy extend from Years 8 to 12 in both the IBD and SACE curricula.

Stefan Pretorius as Captain of School led his team of Prefects with distinction throughout the year. Adam Cunynghame assisted him most ably and it was always good to know that these two boys could be depended upon to complete any task required of them.

Head of the Secondary School

Student Forum was a pleasure to convene this year. Discussions were hearty and relevant and the presentation of badges truly meaningful. The boys gave direction on matters relevant to their peers and this was valuable at the management level.

As always, the Year 9 class stunned us with their Personal Projects and their graduation and display was subject to much positive comment.

The Red and White saw the Convention Centre decorated beautifully and once again it went very smoothly. Hamish King is to be commended for his excellent management of the event. Valedictory was a similarly impressive event with parents hearing a thirty second snapshot of their son's achievements from their son's Head of House and dining together as adults as the boys step into the next phase of their lives.

This year has been enveloped with the Building Master Plan. The Secondary School Office is now more centrally

located and we are using the Neil Smart Memorial Wing. We will be able to move into the new library over the break. Next year will see the opening of two House areas and then the demolition of what we call the 'triple block' as it is renovated and the two new buildings linked. This building program has tested the patience of boys and staff and yet all have been generous in their tolerance of the inconvenience of the process. We know it will lead to a wonderful new environment for us all. I do thank the boys and staff

most sincerely for their patience in the face of such change.

Although we are an 'old' school, we have a modern face and our students are of a new generation. They are interesting and often challenging young people and each year brings a new facet to working with them. I am fortunate to be at Princes with such an array of wonderful people and rich and varied experiences.

Mrs Cynthia May, Head of the Secondary School

School Captain's Report

Every year, Swainson's Hawks migrate from their wintering grounds in South America to their breeding grounds in North America. They fly in flocks of up to 10,000, forming a 'V' formation to increase their aerodynamic efficiency. Those individual hawks unable to work together are left behind and fail to survive.

So it is with each year's students at Prince Alfred College. Like a flock of Swainson's Hawks, we settle at school at the same time each year, returning for each of the years of our school lives. As with the hawks, we work, grow and share experiences together — and those who fail to join in the spirit and teamwork of the school sometimes get left behind. But in contrast to the life of a flock of birds, the students and staff at Princes help and nurture fellow members of the school, displaying the leadership and inspiration for which the school is famous.

The leavers of 2006 are departing to follow our own paths in life but we move on with the knowledge of how we have benefited from the bonds of loyalty and friendship formed at school, and the confidence we have gained from being part of the flock. We are now ready to make our own way in life.

As we reflect on school life, we see the changes modern society has brought to the school as it adapts and forges its direction for the future. The creation of a new Strategic Plan has already seen the opening of the Neil Smart Memorial Building and the Colton Wing. This

Captain of School, Stefan Pretorius

remarkable change in the direction of the school has required the PAC flock of 2006 to cooperate to make the journey for each individual a more enriching and memorable experience.

The prefects of 2006 worked strongly to support the school by focusing their efforts on improving the projects undertaken. This year saw revival of the Student Forum. The students represented their tutor groups with great responsibility and took enormous pride in wearing their badges. It was a fantastic improvement that made a very significant contribution to the school.

The prefect group was also responsible for organisation of the annual Red and White school formal. Everything went according to plan and it was a very special night. The attendance of the senior students and teachers was outstanding considering that it was only a few days prior to mid-year examinations. Another priority on the prefects' list was to continue the school's affiliation to Opportunity International. This non-profit organisation has enormous potential to create more opportunities for citizens in developing countries. Anthony Pemberton took the initiative to organise the 'PAC Intercols Winter 2006' wristbands, which were worn with great enthusiasm. It was the third year of the school's involvement and I hope Princes can continue to assist people on other continents.

The Year 12 cohort's wealth of talents has contributed to the PAC flock at each year level, but especially the flock of 2006. Upon our departure we must reflect on our experiences and appreciate how fortunate we were to be able to make a contribution to such a world class school. We can now use the skills obtained at Princes to face the world.

As an enthusiastic lover of sport, I have always enjoyed the Intercol seasons. The 1st VIII rowers set a terrific record at Head of the River, while the Open A Badminton Team stormed to a sensational victory. The soccer players fought out a high quality draw, while the basketball players fought back memorably only to fall narrowly short. The 1st XVIII Football Team then outclassed their opponents in a highly anticipated match to the delight of a sea of red blazers. These events stimulate a sense of pride and a spirit of camaraderie. They create memories we will cherish with friends forever.

I would now like to acknowledge some of those who have influenced my journey at Princes. Members of the teaching staff devote many hours to students that often go unnoticed and should be recognised. I would like to acknowledge Mr Joy who has been a passionate and dedicated tutor for three years. I also want to thank Mrs Jenson whose caring nature was invaluable. Thank you to Mrs Gleaves and Mrs Petherick for always being available to assist with the events. I also must thank Mr Tutt and Mrs May, who were the keystones of my final year and helped me to grow as a leader and a person.

My Vice-Captain, Adam Cunynghame, deserves special acknowledgment for his commitment and loyalty to the school. I was very lucky to have such a close friend and balanced individual by my side. Thank you also to my parents, who have always been understanding and who have believed in me from the very first.

However, the biggest thanks should go to the boys who give this school its wonderful character. Each year a new flock of students will join Princes. Although we are all part of a large group, it is the ability of Princes, under the leadership of the Headmaster and School Board, to guide each individual that makes it a truly world class school.

Stefan Pretorius, Captain of School

L to R: Adam Cunynghame, Stefan Pretorius, Mr Bill Bundy (School Captain in 1946), Mr Kevin Tutt

Achieving Excellence

Our Year 12 students of 2005 began this year with some excellent results both in the South Australian Certificate of Education (SACE) and the International Baccalaureate Diploma (IBD). In all, 90 students attempted the SACE, and 37 the IBD. These students were awarded a total of 40 merit scores, 6 for SACE and 34 for IBD. Many boys achieved merit scores in two or more subjects, including Ross Gillott, Anthony Noor, Sven Paschburg, Oliver Burgess, George Evans, Anton Stekete, Chong Tsang, Samuel Ellison, Andrew Burford and Sanjay Schrapel. Perfect TER's of 99.95% were achieved by two of our students, Chong Tsang and Ross Gillott, both in the IBD. Overall, 5.5% of our students were placed in the top 1% of the state, 19% were placed in the top 5%, and 32.3% achieved results that placed them in the top 10% of the state.

The following prizes were awarded on the basis of the SACE and IBD results:

The Edward Spicer Prize for Dux of the School

Jointly awarded to Chong Tsang and Ross Gillott

The Malpas Prize for Science

Anthony Noor

The Longbottom Prize for Mathematics

Anton Stekete

The Colton Prize for Arts and Languages

Andrew Burford

The results of the Australian Mathematics Competition saw a continuation of high achievement from our mathematicians. 28% of our boys were placed in the top 15%. 7% of our boys who took part in the competition gained a High Distinction, placing them in the top 2%. Year 8 boys achieving this award included Tim Smith, David Brown, Yao Ly, Roberto Reidig, Joshua Gugliotta, Anthony Milton, David Nguyen and Richard Gale. Year 9 students included Zack Jackman, Scott McPhee, Jared Barkla, Sung-Hyeog Park, Lars Paschburg. Those in Year 10 achieving awards included Ben May, Tom Wu and James Griggs. Simon Xie (Year 11) and Bo Zhu (Year 12) were our high flyers in the senior age group. Angus McLaren

(Year 9) was awarded the prize for major achievement in the competition placing him in the top 300 students overall. This is an outstanding achievement considering that Angus has three more years left to enter this competition. Finally, the BH Neumann Award for Excellence, for the student who achieves a perfect score in the competition, was awarded to Philipp Allgeuer. Philipp amazingly was the only person in Australia to achieve this result!

Philipp Allgeuer

The Arts Faculty has been particularly active in 2006 and has contributed significantly to student life at Princes. Design students achieved success at a national level in the Australian Secondary Schools Digital Design Challenge run by the Griffith University in Queensland. Boys have participated in this event for the past three years, gaining recognition as the third placed school in 2004. A number of boys had work selected for the final, which led to the school again achieving third place in Australia. Congratulations to all the boys for their hard work and we look forward to improving our performance in 2007 with a new batch of budding designers. Outstanding performers who received individual awards included: Thomas Carlier (second overall), Simon Dickson and Caleb Salagaras (third place for 3D Design), Nicholas Katsaros (fourth place for Architectural Design), Alex Silins and Elliot Opie (second place Junior Graphic Design).

Our Mooting Team comprising Javed Alam, Ike Kutlaca and Davor Pavlin-Premrl, all in Year 12, won the State finals of the Bond University Mooting Competition. The boys then traveled to the Gold Coast in July for the national finals. Although not advancing to the grand final, Mr Tutt was extremely impressed with the way in which the boys tackled the complex issue of non-delegable duty of care like polished legal practitioners. Sincere thanks are extended to Helena Jasinski, Mark Hosking, Richard Arnold and Andrew Williams (parents and old scholars) who all helped prepare the boys superbly for this competition.

Once again Princes mathematicians performed admirably in the South Australian Mathematics Competition. This year the results were very strong, across all year levels. Overall, five boys placed in the top ten in the State for their division, with three placed in the top three! In the Senior Division, made up of Years 11 and 12, an outstanding performance by Bo Zhu earned a place as outright third in the State. Other award recipients at this level included Stephen Riddell (High Distinction), Simon Xie (Distinction), Will Gray, Christopher Harry and Jack Yang (Credits). In the Intermediate Section, comprising Years 9 and 10, congratulations must go to Philipp Allgeuer who was placed outright first in the State. Glynn Rice was placed outright eighth in the State. The other award winners in this division included Will Young (High Distinction), Andrew Pederick

Year 12 IBD Merit Winners 2005

Back Row L to R: Andrew Brooks, Sanjay Schrapel, Sven Paschburg, Hamish Eske, Ross Gillott, Anton Stekete, Chong Tsang, Tong Guan, Andrew Moschou
Front Row L to R: Benjamin Luu, Oliver Burgess, Mrs Cynthia May, Mr Kevin Tutt, Mr Andrew Buxton, Matthew Stevens, George Jeliakov

Achieving Excellence

(Distinction), James Griggs and Angus McLaren (Credits). These excellent Intermediate Division results clearly show that our Year 10 cohort have a promising future ahead in their study of Mathematics. In the Junior Division, largely made up of Year 8 students, David Brown was placed outright second in the State. David Nguyen also placed equal seventh in the State. Other award recipients included Tim Smith (Distinction), Richard Gale and Josh Gugliotta (Credits).

Philipp Allgeuer, Christopher Harry and Glynn Rice were all invited to compete in this year's Australian Mathematics Olympiad. Only 100 of the nation's best mathematics students are invited to compete in this event. To have three students from a single school participating in such a prestigious competition is testament to the strength of Mathematics at Prince Alfred College. Philipp achieved a Bronze Certificate in the Olympiad and was therefore selected to compete as an Australian representative in the Asia Pacific Mathematics Olympiad. As part of the preparation for this event, Philipp was invited to attend a mathematics training camp in Canberra. From this camp Australia's team is selected for the annual International Mathematics Olympiad. Given that he is two or three years younger than most of the other participants, his achievements are somewhat remarkable.

Another student who made the journey to Canberra this year was Christopher Harry from Year 11 who achieved runner-up spot in the Simpson Prize Competition for History writing on the ANZACS.

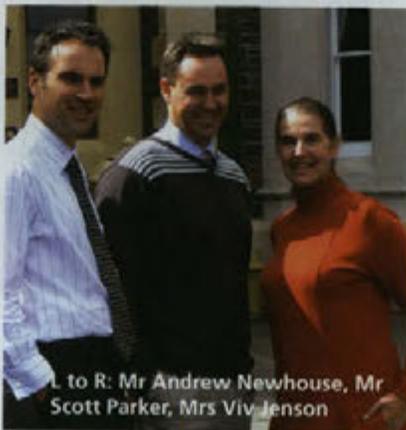

This year saw the third running of the PAC Entrepreneur of the Year Award. The pressure is always on for creative and innovative ways to commence business at a micro level with students rising to the occasion. It was difficult to determine a clear winner this year and seven boys have been selected for entry into the School Entrepreneur of the Year Competition. Ideas ranging from selling sweets at a staff versus prefects soccer game to the supply of eco-bags in the Preparatory School drew the judges' attention. Well done to Travis Cordingley, Andrew Lukowicz, Blaire Brewerton, Lars Paschburg, Richard Gale, Hamish Bubner and Michael Thompson on their advancement to the final.

This year has seen the study of Languages take a new approach thanks to Mrs McCauley who introduced the use of clay animation as a method for learning conversational German. This concept has proven to be very popular with the boys who made their first venture into this year's German School Film Festival. Jared Barkla and Jordan Agutter were successful in having their German clay animation selected for the final as representatives of schools in the South and Western Australia region.

Year 8 student Sam Wilhelm gained success in this year's Young Writer of the Year Award run by *The Advertiser*. Sam was awarded top prize from over 1000 entrants. He received his award from *The Advertiser* editor, Melvin Mansell. Sam's piece, titled 'The Oak Tree', tackled the issue of drug abuse and was described as "innovative and mature" by Mr Mansell. Congratulations are also extended to Jerome Squires in Year 9 who managed to pick up third place for his poetry in the Year 9 and 10 Division.

There were some outstanding results achieved in the Australasian School Computer Studies Competition. Overall, 44% of our students achieved awards in this event, finishing in the top 20% of the State. A total of six boys attained Distinction awards that placed them in the top 2% in the State, including Andrew Dibden and Jacob Kendall from Year 9, and David Gabb, Ian Mazure-Johnstone, Glynn Rice and Elliot Wasow from Year 10.

Students also excelled in the International Science Competition run by the University of New South Wales. Bryn Crawford (Year 12) was successful in winning a Gold Medal for achieving first place in the State. A number of boys placed in the top 1% and were credited with High Distinction Certificates. Congratulations to Year 8 students Tim Smith, Roberto Riedig, David Piper, David Nguyen, Jack Morelli, Yao Ly, Richard

L to R: Mr Andrew Newhouse, Mr Scott Parker, Mrs Viv Jenson

Gale and David Brown. Year 9 award recipients included Andrew Dibden, Jacob Kendall and Terry Moschou. From Year 10, Glynn Rice, Philipp Allgeuer and Andrew Pederick all received awards. Christopher Harry was the sole High Distinction winner from Year 11.

In the Royal Australian Chemical Institute (RACI) Chemistry Competition, Philipp Allgeuer (Year 10) achieved an Award of Excellence for top place in the State. High Distinctions were awarded to Glynn Rice (Year 10), Javed Alam, Tseng Hui Heng and Hamish King who all placed in the top 2% of the State.

The Oliphant Science Awards encourage students to enter in a wide range of categories from science experiments to scientific modelling. The competition is open to students from Year 2 through to Year 12. This year, Richard Gale (Year 8) won two awards in the experiment section of the competition.

Hugh Bond (Year 12) displayed his scientific talents for medical research with the Australian Society for Medical Research Prize.

Last but not least, our teachers have also achieved excellence in their own professional field over the past year. Many staff members are involved with subject association committees at national and state level, while some are examiners for the Senior Secondary Assessment Board of South Australia (SSABSA) or the International Baccalaureate Organisation (IBO). The willingness of teachers to be involved in education beyond the bounds of PAC is testament to their passion for teaching to bring back their acquired knowledge and skills for the benefit of the boys. This year we had three nominees for the National Excellence in Teaching Awards. Congratulations to Mr Andrew Newhouse, Mr Scott Parker and Mrs Viv Jenson on their nomination.

Mr Richard Bruford, Director of Teaching and Learning

Overseas Tours

Global Youth Institute, Taiwan

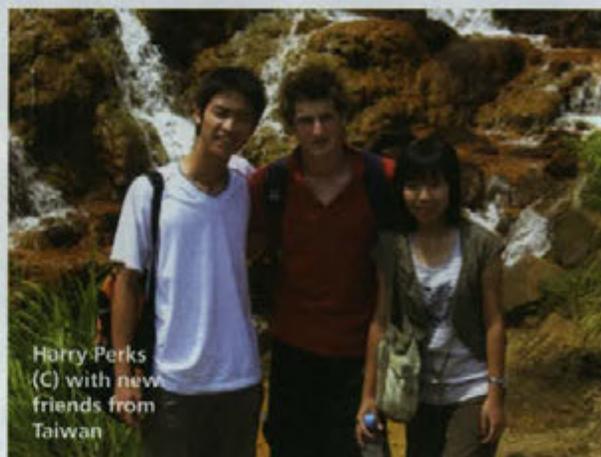

Seven Year 11 students (Chris Harry, Harold Ratcliff, Oliver Broadbridge, William Gray, Brian Chui and Harry Perks), one Old Scholar (Matthew Purdy) and one teacher (Mr David Freemith) represented PAC and Australia at the 16th Global Youth Institute, in Taipei, Taiwan in July this year. For three weeks we lived a very different life with host families in Taipei. We enjoyed the beautiful 30°C temperature and what seemed like 1000% humidity.

The first week was devoted to allowing us to get to know the other students in the program, as well as learning more about their respective countries including the United States, Germany, Latvia, Russia and Taiwan. A four day camp at Taichung was the perfect setting for this. The GYI motto, "we met as strangers, we grew as friends, we parted as one", was clearly coming to life.

By this stage, a number of stark contrasts between Adelaide and Taipei were becoming evident. Numerous students noted they had been stared at by the Taiwanese citizens, especially whilst on the MRT (metro). We were also shocked to find that the Taiwanese had never heard of having eight hours' sleep, five-and-a-half to six being the average for most high school students.

After an exciting evening at the puppet theatre, in which an Aussie who will remain nameless managed to knock the head off a puppet, the more serious side of the GYI commenced. The last two weeks included many different speeches from important Taiwanese, such as the Minister of Foreign Affairs and a telecommunication company CEO. It also allowed us all a brief camp, in which students attempted rafting, and prepared for and participated in a Model United Nations (MUN).

Very close relationships were formed between the group participants from around the world. This can be seen in the

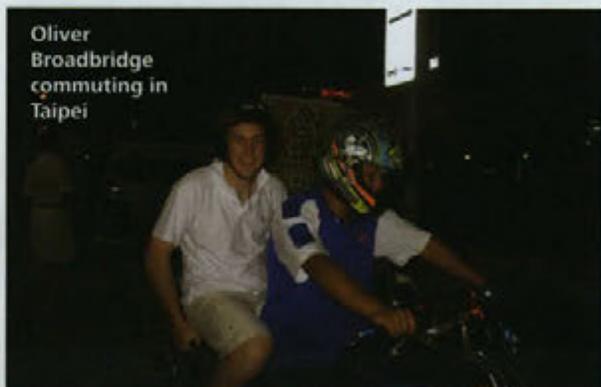

Harry Perks (C) with new friends from Taiwan

fact that during three weeks I only manage to eat dinner at my hosts' apartment on the first night. Every other night was spent with GYI members, staying out late and catching the MRT back home.

The Global Youth Institute is an annual international event. It was hosted last year in Australia by Prince Alfred College. It will be held next year in Canada and then in the USA in 2007. Interested students should contact Mr Freemith.

Overseas Tours

German Tour, 11 April to 2 May

On the 11th of April 2006, 10 boys from Prince Alfred College, along with one student from Seymour, and two staff members, German teacher Mrs Monica McCauley and Head of Rowing Mr Darren Potts, congregated at Adelaide Airport in great anticipation, as we were about to embark on the inaugural Prince Alfred College German Study Tour. Two weeks of touring around Germany, seeing marvelous sights in München, Nürnberg, Leipzig, Dresden and Berlin, was followed by a week with a German homestay family and schooling in Hildesheim, a picturesque little town situated near Hanover.

The first few days were spent exploring München and nearby tourist destinations, with the group spending a day at the extravagant Neuschwanstein castle, where arguably one of the biggest attractions was the masses of snow, which many of us thoroughly enjoyed putting to good use. The trip to Dachau, the former concentration camp during World War 2, was a revealing experience. While there, we showed the utmost respect in a place involved in a shameful chapter in a wonderful country's history. After visits to Leipzig and Dresden, we spent the next five days in Berlin, where we were able to see the remnants of the East-West Berlin division, as well as gaining a deeper understanding of the issues involved and the lives affected. We visited the celebrated Pergamon Museum which houses artifacts the Germans have acquired over the years that would otherwise have been destroyed. A memorable afternoon was spent at the Olympia Stadion, the venue of the 2006 Fußballweltmeisterschaft (soccer world cup) final, pondering the excitement in Germany of the weeks to come.

During the last week, we were hosted by families of German students from the Hildesheim High School, which was a fantastic experience for all. It gave us the chance to experience up-close many aspects of German culture and

family life, as well as to look on in astonishment and envy as the German students enjoyed the afternoons, since their school day finished at around 1 pm. Overall, the trip was a tremendously rewarding experience, and while certain aspects of life remain similar to ours in Australia, all students were taken out of their comfort zone, ensuring they reaped the full benefits of the experience. All of us wish to give Mrs Monica McCauley our utmost thanks for her meticulous preparation of the tour, for without her none of this would have been possible.

William Gray

Student Leadership

Functions Committee

The highlight of the social calendar for the Senior School was the Red and White, held at the Convention Centre. The boys arrived in sartorial splendour with their glamorous partners for a fabulous night of dancing and good company. The committee was able to make a profit on the evening which will contribute to a gift for the Year 12 class of 2007. Other events in the year included sporting competitions between PAC and other schools, including Netball, Soccer and a 'Battle of the Sexes'.

Memorabilia Committee

The tasks of this committee are to organise a Year 12 DVD, school jumper and Old Scholar tie. These have been delegated in the group and videoing of school events took place during the year in anticipation of a DVD production. The jumper arrived in the first week of Term 4 to mixed press but the boys enjoyed the freedom to look different to the rest of their cohort for the final weeks of their school life.

School Service Committee

The focus of this committee is Student Forum. Representatives have met three times a term to discuss matters arising from student concerns. Badges were presented to representatives at a School Assembly in Term 1. Issues discussed this year have included the new lockers, which were replaced by larger ones at student request, matters of classroom maintenance and student harassment. School Colours were discussed with the Director of Sport and it was agreed to keep only Colours, Honours Colours and Service as the Awards. 'Badges' will no longer apply. The Headmaster was approached to discuss matters of blazer pockets and uniform. Forum has worked efficiently and effectively this year and will continue to thrive under the new Prefects.

Student Forum

The Student Forum enables secondary students to voice concerns through their representatives and to debate solutions. This year a wide variety of interesting issues was discussed in a very constructive spirit. Familiar topics for discussion included litter and vending machines, while the impracticable possibility of a drink fountain at the hockey pitch was raised for the fifth year in succession! The Forum also looked at how to spend surplus funds from the formal, maintenance of the school car park and the implementation of the new sporting colours criteria and awards. The

implementation of a unanimous vote against the new criteria and in favour of reversion to the former system was a powerful example of democratic decision-making.

Contributions to debate were strikingly supportive of fellow representatives, the student body as a whole and the wider school community. Sensitive and controversial discussions over such things as positive and negative barracking at Intercols or the punitive and supportive roles of detentions produced very positive outcomes when forwarded to the Headmaster and appropriate staff. Many thanks to Mrs Cynthia May, Bryn Crawford, David Dixon, Luke Montaniero and all Forum representatives for their help in making the Forum operate so successfully over the course of the year.

PACCC

The PACCC is the student organisation that is primarily involved with service and fundraising events throughout the school to raise money for the wider community. To achieve this aim the PACCC is made up of three sub-committees — the School Service Committee, the Outreach Committee and the Social Committee — with a representative from each subcommittee sitting on the main committee along with the President, Vice President and the Secretary. This year the committee was comprised of Callum Brewerton (Outreach), Nick Brazzale (School Service), James Lambert (Social), Brian Chui (Secretary), Josh Orken (Vice-President) and Chris Harry (President).

Term 1 saw two main fundraisers, in Pancake Day and also a Hot Cross Bun stand at Sports Day. Pancake Day was held on a Tuesday recess and saw primarily the boarders cooking up a pancake storm, which was incredibly

popular with the students. The Hot Cross Bun stand on Sports Day was also popular, with some of the items on sale selling out within minutes of the stall opening. James Lambert and Henry Schilg did a lot of work for this fundraiser.

Term 2 saw the beginning of winter and Australia's Biggest Morning Tea. To celebrate this event we had a hot chocolate and donut stand in the quadrangle, again proving a great success and selling out the donuts yet again. Later in the term we held a sausage sizzle, again cooked and organised superbly by the boarders, led by Josh Orken. Money raised from this event went towards Opportunity International.

Term 3 saw the major event in the Year 8 and 9 Social. The night was a great success with good attendance, and was largely planned by James Lambert. All the boys involved helped make the night a spectacular success, and was greatly appreciated by the PACCC Committee.

Special thanks must go to Mr Watson, who attended all the PACCC meetings and was instrumental in supporting the students involved and assisting in organising the fundraisers. Again, everyone who has been involved with the PACCC must be thanked for their assistance. All the money that has been raised throughout the year will go to worthy causes.

Chris Harry, President of the PACCC

Community Service

Outreach Camp

For Outreach Camp 2005, I was fortunate enough to have Philip as my buddy. Philip is the kindest, sweetest, most well-mannered person I have ever met. If you are lucky enough to have Philip as your buddy, then you're in for a fantastic trip. Camping with Philip was a lot of fun; he never let me become bored. Philip's language was easy to understand and he had no problems following instructions.

Philip loved to tell me stories about things he had done and seen. He told me about his favourite movies, hobbies and TV programs. I was surprised at the broad spectrum of interests he had. On the first day I spent a lot of time listening and talking to Philip. I had no problems connecting with him and he was very attentive. He loved hearing about my experiences and asked lots, and I mean lots, of questions which ranged from the childish to very thoughtful.

Philip really loved to fish, so we spent a great deal of the camp sitting and fishing, and Philip certainly enjoyed disposing of the carp, when it came time to 'bop' them on the head. Philip also enjoyed playing one-on-one catch with balls and Frisbees. He loved the water and took every opportunity to get dripping wet. He especially took a liking to canoeing, but his attitude changed quickly once a snake was spotted on the bank near where we were canoeing. Philip was very sociable and had a great time interacting with his classmates. This was fantastic for me as it

gave me an opportunity to meet the other members of his group.

Philip was very polite and good with his 'pleases and thank-yous'. There were no sleeping troubles to worry about in the dorm other than the usual fun that happens on camps after lights out. Philip didn't like me to overwork and loved helping out with dishes after meals (something I'm sure his family appreciates).

Part of my responsibility on Outreach camp was to write a report on my buddy which will be passed on to the Prince Alfred College student who will work with Philip next year. The aim of this is to make the task easier for both campers. This is my report:

Philip is really easy to look after, providing you spend time getting to know him. He is easy to get attached to, as I did, and he became very attached to me. Philip is a whole package of fun and a great kid to hang out with. He made Outreach Camp 2005 one of the best camps I have been on, probably the best. My advice to anyone considering this camp is: keep your wits about you, as you will be busy chasing kids around all day, but at the end, you will be rewarded with a magnificent feeling of fulfilment. The camp is what you make of it, so enjoy it. If things get hard, focus on the positives and they will guide you through.

Ben Neale

Editor's note: two of the students from the 2005 Outreach Camp, Caleb Salagaras and William Wallace, found the camp so rewarding that they volunteered to go again in 2006.

Chess

This season has seen a vast improvement in Chess at PAC. The hard work of this year's boys and the abundance of talent coming to the school from the preparatory years have shown in excellent results which promise even greater things in the years to come.

We were especially successful in Division 2. The Gold team, made up of Year 8s, topped the division, while the White team, consisting of Year 9s, came third. This was an outstanding result by these boys, as it not only secured vital championship points but also demonstrated the depth of talent at the school. A special mention should go to the three other teams who played well throughout the season but were unlucky not to be placed. The renewed interest in chess at PAC saw the school replace Saint Peter's College as the school with most chess players in South Australia.

We were also third and fifth in Division 1. This was an improvement on last year. This not only put us in a strong position going into the Intercol but also secured the most prestigious prize in School Chess, the Champion School Shield. The boys thoroughly deserved this recognition of their status as the premier chess school in the state.

Unfortunately our strong form during the season did not correlate with Intercol success. As usual the Intercol was a competitive match with both sides having opportunities to secure victory. Despite the boys' valiant efforts they were defeated narrowly by 61/2 to 31/2. This result was especially creditable as the top five boards of Saint Peter's College are the national champions.

Special thanks must go to Mr Lupton and the other coaches. The contribution of Peter Avina and Tony Le over a number of years has been an asset to the school and their departure will be a loss to chess at PAC. This year's other Year 12s (Bo Zhu, Stephen Squires, Hugh Bond, Oscar Bailey and Heng Tseng Hui) have been the backbone of the team and have ably led the younger members of the team.

Mooting

This year's mooring team consisted of Javed Alam and Ike Kutlaca as the two barristers, and Davor Pavlin-Premrl as solicitor. The boys, who had no previous legal experience, had to argue a case in the magistrates court, in front of two judges from Bond University. The team was coached by Helena Jasinski, Mark Hosking and Richard Arnold, and assisted by Mr Andrew Williams, Mr Andrew Toakley, Mr Tim Bryant and Mr Kevin Tutt. The team was fortunate to win the South Australian round, and travel to Bond University, in Queensland, to compete in the highly prestigious Australian finals. While unfortunately not winning, the team mooted very impressively, and also enjoyed three days on the Gold Coast, at the university's expense.

Debating

Open Debating

This year's firsts debating team had a mixture of success and disappointment. The team, debating together for the fifth year, consisted of Javed Alam as first speaker, Davor Pavlin-Premrl as second speaker and Ike Kutlaca as third speaker and captain. During the preliminary rounds of the South Australian debating competition the team won all their debates, with an average margin of 8 points. This led to the team being the highest ranked in the open A competition, and qualifying for the finals series. The team convincingly won their first final debate, but narrowly lost in the semi-finals, with a 2-1 adjudicator split.

The team's next challenge was the Intercol. The team went in as favourites against Saint Peter's, but again, in a contentious decision, lost narrowly on the topic "that human rights are more important than economic development." The team was ably assisted by Mrs Longo, in her position as coordinator of debating.

Ike Kutlaca, Captain of Debating

A Grade Debating

The A Grade PAC debating team, PAC III, had its best season since the team's formation five years ago. Hugh Bond first speaker, Jahan Penny Dimri second speaker, and Nicholas Harris third speaker have been together since Year 8, and in their six debates this year, their congruency with each other showed.

Debate three was possibly the highlight of the year for the team. Facing the best team in the zone, Seymour I, the team worked hard in the secret topic debate to overcome the opposition with a four point victory. In the quarter-final the boys encountered Sienna College. The three judges reached a unanimous decision to award the debate to PAC, and the team progressed to the semi-finals in which PAC III was unfortunately beaten by the championship team, Seymour I.

The team would like to thank their coach Mrs Longo, their parents and other debaters for their support. The team encourages all boys to be involved in debating, as the skills acquired do become useful in other aspects of both school and non-school life, and the experience itself is great fun.

Nicholas Harris

Intercollegiate Debating

L to R: Mrs F M Longo, D B Pavlin-Premrl, A I Kutlaca, J M Alam

Year 10 1st Team

Year 10 debating has been an eventful ride. 2006 has been the first year of competitive debating for two of PAC I's three debaters. Elliot Wasow, James Griggs and Harry Crawford have joined together to form a formidable team this year, winning one debate convincingly and coming very close in all other attempts. One of the closest calls came against the very successful Scotch team in our first secret topic debate, in which we were only defeated by one point. This is very promising for next year's competition.

Harry Crawford

Year 10 2nd Team

PAC II also learned a lot about the skills of debating. Unfortunately the team experienced little success in the competition, though, despite some very close results. Over the season the team has had a lot of fun preparing and presenting the debates. Our coach, Miss Clune, has been a great help and team members are looking forward to the challenges of the 2007 debating season.

Cameron Coventry

Year 9 1st Team

The Year 9 First Debating team has had a very successful season, winning all its five debates. Travis Cordingley, Tom Cocks, and Jacob Kendall did well to overcome strong opponents, quite often through the use of humour and acting skills. Debating evenings were always full of good cheer and fun. We must give thanks to Joel Amos who has stood-in for people who have been sick on the day of the debates and to Simon Rogers who has been the chairperson on some of our evenings.

Jacob Kendall

Year 9 2nd Team

Though we had mixed success, Zack Jackman, Jerome Squires, Simon Barnett and Joel Amos all thoroughly enjoyed the debating season, and we certainly refined our debating skills greatly. The team found a structure that worked well, and in our meetings were productive. Mr Freesmith gave us great help preparing our speeches and providing criticism, and our thanks go to him and all the others who stepped in to help with timekeeping or chairing. Debating is certainly a worthwhile activity, and I encourage anyone interested to have a go.

Joel Amos

Year 8 Debating

Another wonderful debating season has come to an end for the Year 8 debaters. This season has been a great and enjoyable learning experience. The team consisted of Iain Cooper, Joshua Gugliotta, Anthony Milton, Duncan Soang and Owen Yang. These five debaters formed a strong and intelligent team. Despite achieving only one victory, every team member has put large amounts of effort into preparing their speeches in their own lunch times and at home. Every debater has significantly improved their skills in both writing up their speeches and speaking to an audience. Special thanks must be given to the coach, Ms Polias, and Mrs Longo for organising the teams at the beginning of the year. Without them, this wonderful debating season could not have been possible.

Owen Yang

The Performing Arts

HMS Pinafore

The newly formed Princes Music Theatre Company staged its production of *HMS Pinafore* in June 2006. The cast of over 40 was drawn from Prince Alfred College and the girls mostly drawn from Annesley College and Saint Peter's Girls. The set was constructed in the two months leading up to the production by a dedicated crew of students, staff and parents. The costumes were provided by the Gilbert and Sullivan Society of South Australia to whom we are very grateful.

Our wonderful orchestra was drawn from Princes and the girls' schools and was prepared by Mr Andrew Newhouse. The quality of the music was outstanding and well above Secondary School standard.

The cast was led by Charlie Benson, whose outstanding portrayal of Captain Corcoran was exemplary. Javed Alam was a suitably laconic Sir Joseph Porter while Jared Frost sang in the role of the romantic hero Ralph Rackstraw. James

Moffatt was a standout in the role of Dick Deadeye in a secure, energetic performance. William Wallace, Ben Neale and Hamish King led the boys' chorus with commitment and enthusiasm.

The performance of the girls was sensational. Claira Smith sang brilliantly

in the role of Josephine, while Hillary Richards was a delight as Little Buttercup. Eleanor Stankiewicz led the sisters' cousins and aunts with elegance and style, especially in their exuberant entry.

The stage, technical and backstage crew led by Braden Reidy and Mr Peter Sillett ensured a slick performance each night. Mrs Pamela Freeman as administrator and Ms Carolyn Statton gave great support to our inspirational leader Mr Peter Hopkins. There was a wonderful atmosphere of fun throughout the rehearsal season, but particularly in the performances.

Mr Peter Hopkins and Charlie Benson, Director and Captain of Princes Music Theatre Company

The Performing Arts

The Pardoner's Tale

A chilly Friday night at the end of a very busy week and after interschool sport supervision is not a time conducive to extracting positive responses! BUT, from the moment the doors of the Prince Phillip Theatre opened, the audience was transported to another world!

The vibrant music and Andy Dibden's enthusiastic rendition of 'Mustang Sally' brought smiles — and quizzical expressions — to many faces. Were we in the right place? Is this supposed to be the Chaucer we studied at school and comprehended poorly?

Throughout the evening we were treated to magnificent performances which fully reflected the fertile imagination and creative flair of our Head of Arts, Mike Steer. Aply supported by Year 12 students Hamish King, Bryn Crawford and Tristan Goss, Mr Steer brought us an almost surreal visual which displayed very strongly the latent talent of the Year 9 Drama students.

The performance was delivered in a series of background tableaux. The makeup was garish and reinforced the rather sinister tone of the play. Stunning performances by Tom Cocks, Karl Siebels and Lucas Lovell, who revelled in their representations of deviousness, left those of us who have worked with them in other contexts wondering at this behaviour so apparently contradictory to their nature.

The greatest surprise though was in the scintillating performance of The Pardoner in the person of Joel Amos. Where was our sensitive and gentle-natured student? His conversion to such

malignance was magnetic! Voice, facial expression and movement all supported his thoroughly convincing presentation of this dishonourable character.

The entire cast and crew exuded joy in their participation. Their timing, delivery and wicked humour were superb, leaving the audience amused and invigorated — and in awe of such talent. We await their next performance with great eagerness.

Mrs Viv Jenson

Barbecue

The office barbecue is an Australian ritual. As the blowflies gather and the chops sizzle we stand around and grill our mates. The only thing worse than turning up to a work barbie is not turning up — because you'll be on the proverbial menu. This was the premise of *Barbecue*, the latest Senior Drama presentation. Like the script itself, the interpretation by the Stage 1 Drama students was funny because it was true. Each character was simultaneously loveable and grotesque for their familiarity.

The play was performed by two different casts on consecutive nights and was moderated as part of their SACE Stage 1 Drama course. Alex George, Adam Raslan, Hugh Burford and James Spencer performed with distinction on Thursday night, relinquishing their roles to other boys on Friday. Special mention should be made of Zsach Weiler who showed considerable potential in the role of Gerald. On Friday night Jon Charatsis sustained his bluster from curtain to curtain

as the begrudging, eye-rolling host of the party. The distinctive Jonny Courtidis shone in his role as the endearing clown. His wonderful sense of comic timing maintained the rhythm of the play. His greasy grin could only be wiped from his face when his over-capitalised Monaro was defected by a pair of unimpressed cops, coolly rendered by Steven Hewlett and Cameron Coventry. Jeremy Broadbent worked hard to create the office gossip Steve. Steve, a particularly repellent character, was played with closely observed and "slimy" delight by the affable Jeremy. Alexander White humorously played a bumbling computer geek, whose childhood self-defence classes ultimately gave him revenge over the volatile office bully, performed with disarming credibility by Edward Wendt. Zac Tschirn was in his element as the whinging old codger from over the back fence. Other workmates were ably and amusingly portrayed by Colby Grace and James Murdoch. The last guest to arrive was the boss, played with enthusiasm by Cameron Coventry, whose tardiness turned out to be rather inconvenient for the host. Suffice to say, by the time he got there, the party was pretty dead... With friends like these, who needs enemies?

Written and directed by our very talented and very own Head of Arts, Mr Michael Steer, *Barbecue* was a hilarious, mysterious and, ultimately, close-to-the-bone critique of workplace politics. As well as entertaining us, the play forced the audience to look unnervingly at ourselves. In so doing it reminded us of the purpose and power of dramatic art.

Mr David Freesmith

Music Captain's Report

Music Captain's Report

This year has been one of massive change and progress for the Music Faculty, and probably the most successful year in recent times. This year we have seen the Music Centre renovated to state-of-the-art conditions, we've had two tours for the first time this millennium, and we've put on new public gigs.

The Langley Music Centre was built in the old Health Centre/Chaplain's office area underneath the main building, and has undergone a huge change. New air-conditioning (a recent phenomenon in the Music Centre), new lighting and new practice rooms — soon to all be with state-of-the-art stereos and computers — have been introduced and well used by the students this year. The new facilities helped our bands reach all new levels in time for the Senior and Big Bands' tour to Melbourne and the Big Band Bash in Term 3.

First term was filled with the buzzing of excitement as Caleb and I started working together with Music-Captain veteran, Adam Cunyngame. Together with Mrs Freeman and the other music staff, we helped plan the Café Princes Faculty Recital, featuring the single studies teachers and some of their students, as well as the Music Captains and the Music Council's silly hat theme. The small music groups started coming into their own this year, with the Sax Quartet playing for school tours and the public opening of the Neil Smart Memorial Building, and the Princes Jazz Band playing at the Art Show and at the cocktail party for the opening of the Neil Smart Building.

Term 2 opened with the inaugural Gig at the Gov(ernor Hindmarsh Hotel), which was the result of months of planning and negotiation between the Music Captains and Mr Newhouse, the Band Director. For a first-time event, it was clear that it was popular, with well over 170 people coming along, raising \$1,200 for the Music Council's fundraising project, which this year was chosen to be a recording setup in the new band room. The term also featured the inaugural Princes Music Theatre Company performance of Gilbert and Sullivan's highly popular and well known

Music Council

operetta, *HMS Pinafore*. The Company allows girls from Seymour, Wilderness, Saints Girls and Annesley to take part alongside our Princes boys in the annual musical, whether on-stage, back-stage or in the orchestra.

In Term 3, we held two tours. Regrettably, I couldn't participate in the tour with the Chapel Choir to Hobart, but I did manage to go on the Senior and Big Bands' tour to Melbourne. Staying in the Bayview on the Park, we played with Wesley College and Ivanhoe Grammar bands during our four-day tour, before spending Saturday engaged in cultural activities (shopping). At the end of the term we had the Big Band Bash, which was also the send off for the Year 12s.

Bands

Saxophone Quartet

L to R: J A Clarnette, C G Salagaras, S J Wilhelm

Absent: J Zielienecki, Mr D Brookes (Tutor)

The evening was filled with wonderful music, and several great prizes were won, with all profits going towards the tour to China.

This year has been one of the most enjoyable years for me since joining the school back in 2003. My transition to Princes would have been much less smoother if not for the always helpful and cheery Ms Statton. Thank you for your support throughout the years and good luck for the future! I am very grateful, too, to Mrs Freeman and Mr Newhouse for their unfailing friendliness and encouragement over the years, and hope for further opportunities to work with them in the future. I would also like to thank Caleb Salagaras and Adam "Bean" Cunyngbame for their support through this year, for the fun times and the best times; the memories will last a long time.

William Wallace, Captain of Music

Bands

What a year in the history of Bands at Prince Alfred College! The boys have excelled under the demanding and challenging program of 2006, which involved many performances, tours and competitions where all events were performed at an exceptional standard. Highlights were plentiful over the year with the talent of our bands demonstrated at the annual SA School Bands Competition at Westminster College. The Senior Band was awarded outright first with the two Big Bands, Intermediate and Junior, each being awarded a Gold standard against some of the top Bands in the state, including Marryatville and Pembroke. The depth of interest in the PAC Band Program was also displayed with many new bands being generated this year including Big Band 3.

Prince Alfred College Bands are now becoming well respected outside of Adelaide through the tours that were conducted this year. Both Big Bands 1 and 2 travelled to Mt Gambier, with Big Band 1 performing well in a division higher than they had the previous year and Big Band 2 finishing in the top four in Division 3. The Senior Band travelled to Melbourne where it was able to learn from some of the leading conductors and bands from Wesley College, Ivanhoe Grammar and the Melbourne Army Band.

Senior Percussion

L to R: Mr S Varga, J E Eske, O Dell, J M Griggs, W H Young, J C Moschou, T E Gleeson, A W Walendy, M D Riceman

The inaugural "Gig at the Gov" was a great night of the year where most of the bands performed at the Governor Hindmarsh on Port Road, which has hosted many well-known performers including Pete Murray, Ross Irwin and Wolfmother. It is hoped that this will become an annual event like the Big Band Bash which was also a huge success this year. This year the Bash was limited to the more senior Bands with the night concluding with a grand finale of the 1812 Overture which combined the Senior and Intermediate Bands to capture the powerful nature of the piece — unfortunately we did not have any cannons!

Special thanks to Director of Bands Mr Andrew Newhouse who continues to improve the standard of our bands, and was nominated for the National Excellence in Teaching. Many thanks also to Mrs Pamela Freeman for her work throughout the year.

Choir

Choir

This year has been an eventful one for the Chapel Choir. Our second ever interstate tour, numerous performances and a large amount of new repertoire kept the Choir busy all year. While the entire Choir sung admirably, the performances of our Year 12 Choristers stood out. James Moffatt, Benjamin Neale and Jared Frost all have contributed high standards of musicianship and leadership this year, and proved to be exemplary leaders on the tour to Hobart. The tour, the Choir's second, was great success, and helped to spread the Choir's reputation across Australia. The performances at the Hutchins School and with the Rosney Children's Choir were particularly enjoyable.

Chamber Choir

L to R: J W B Keeves, E J Young, L A Tatterson, B M Neale, Mr R Dawe (Choirmaster), A C Dibden, C A D G Evans, P Russo

Closer to home, the Choir performed pleasingly at a larger-than-usual number of school services. While many of our strongest vocalists will sadly be leaving at the end of this year, I have no doubt that the younger choristers will also distinguish themselves in the years to come.

The Brian Fricker Sports Science Centre

As we come to the end of the second full year of operation, it is pleasing to see that the use of the facility has increased with sports teams, predominantly Rowing and Football, using it extensively. In addition, use by individual students, pursuing their own goals of strength and fitness, has increased, as too has the use by PAOCA which now has 130 gym members.

The Brian Fricker Award for Overall Development through Physical Conditioning. The recipient this year is Alastair Murray who has been training for over five months.

Mr Vaughn Huddleston

Athletics

Knockout Cup

The athletics season started with PAC competing in the final of the Knockout Cup athletics at Santos Stadium. In a very close contest the senior team finished fifth but only ten points behind the winning school, while the junior team finished second.

All athletes acquitted themselves well with a number of personal best performances attained. Highlights of the meet were wins by Jack Trengove in the junior high jump with a leap of 1.70m and the Open 4 by 400m relay team consisting of Stefan Pretorius, Daniel May, Alexander Bubner and James Lange.

School House Athletics Day

In magnificent weather the school house athletics carnival was run on the front oval in the final week of Term 1. Competition was keen between athletes and houses, spirits were high and the level of performance was excellent with a number of records being broken on the day.

Steven Pallotta was outstanding on the track with a 12.20 second performance in the U14 100m which equalled the old record. He also set new marks in the 200m (25.03 seconds) as well as the 400m (58.38 seconds). Tom Teague also set a new record by throwing the U14 javelin a distance of 40.55m.

Individual age group winners were:

U13	Hamish Bubner David Piper and Jack Tonkin tied for second
U14	Steven Pallotta Tom Teague Andrew Lukowicz
U15	James Murdoch Jack Stephens Andrew Dickson
U16	Chris Brebner Winston Luu Jason Schell
U17	Mathew Farkas Aaron Watson James Bade
OPEN	Alexander Bubner Cameron Grace William Dalwood

Alexander Bubner won the champion of champions 100m race for the third year in a row with a performance of 11.35 seconds, followed by Stephen Elley who recorded 11.95 seconds. James Lange was third in 12.08 seconds.

As an indication of the closeness of the competition, Waterhouse and Taylor house tied for first place honours in the relay shield, followed closely by Watsford and then Cotton.

Final House points for the day in an exceptionally tight contest were:

1072	Waterhouse
1052	Taylor
1035	Cotton
973	Watsford

And so, in a break-through victory, Waterhouse was the winner of the House Cup by a very close margin from Taylor, which has been second three years in a row.

Mrs Virginia Bubner, as mother of the Captain of Athletics Alexander Bubner, congratulated all boys on their involvement and competitive spirit displayed on the day and with the help of Mr Tutt presented the cups and awards to each recipient.

Achilles Cup

The annual Achilles Cup athletics meet was held at Santos Stadium in the final week of Term 3. Weather conditions were magnificent and although not winning the overall competition a number of outstanding individual performances

were recorded throughout the day. Steven Pallotta was the star in this regard with four wins from four starts in the U14 Div 1 100m, 200m, 400m and 800m. Andrew Lukowicz won the U14 Div 1 hurdles and long jump while Tom Teague won the U14 Div 1 triple jump and was placed second in the Div 1 javelin and Div 2 hurdles. Lucas Lovell won the U14 Div 2 800m. These four boys also formed the relay team which won

their race in dominant fashion. Matt Sallis was another member of the very strong U14 age group with a win in the Div 1 shot and second in the Div 2 javelin. Our Captain of Athletics Alexander Bubner also had a good meet with wins in the Open Div 1 200m and 400m and a second in the 100m. Stephen Elley was also successful on the track with wins in the Open Div 2 100m and 200m. These two boys along with James Lange and Max Clarke won the Open relay.

First and second place winners throughout the day were:

Hamish Bubner	1st in U13 Div 1 discus
Steven Pallotta	1st in U14 Div 1 100m, 200m, 400m and 800m
Andrew Lukowicz	1st in U14 Div 1 long jump and hurdles
Tom Teague	1st in U14 Div 1 triple and 2nd in Div 1 javelin and Div 2 hurdles
Matt Sallis	1st in U14 Div 1 shot and 2nd in Div 2 javelin
Lucas Lovell	1st in U14 Div 2 800m

The U14 age group were easily our best performing group on the day as they won this age section by almost 50 points.

Other good performances came from:

Jack Trengove	1st in U15 Div 2 high jump
James Murdoch	1st in U15 Div 2 100m
Sam Sobels	2nd in U15 Div 2 1500m
Mezerhard Shroff	2nd in U15 Div 2 discus
Alfred Carlson	2nd in U16 Div 1 discus
Edward Lucas	2nd in U16 Div 1 javelin
Alexander Bubner	1st in Open Div 1 200m and 400m and second in 100m
William Dalwood	1st in Open Div 1 high jump
Stephen Elley	1st in Open Div 2 100m and 200m
Sam Pearce	1st in Open Div 2 high jump

The U15 relay team consisting of Andrew Dickson, Jack Stephens, Jack Kelly and James Murdoch also managed to finish a creditable second to add to the victories by the U14 and Open teams.

Athletics 2006

Final scores for Group A schools were:

SPSC	1287
Immanuel	1108
Pembroke	1086
PAC	1045
Trinity	1007
Rostrevor	911

State Powerade Athletics Championships

Owing to good performances at the Achilles Cup the following boys competed very successfully in the State Championships:

Steven Pallotta — was outstanding and was first in the U15 400m (53.76 secs) and 800m (2.09.64 secs), second in the 200m (24.38 secs) and fourth in the 100m (12.01 secs)

Andrew Lukowicz — sixth in the U15 Long Jump (5.01 m), second in the 100m hurdles (16.67 secs) and fifth in the 200m hurdles (32.06 secs)

Hamish Bubner — third in the U14 discus (26.83m)

Connor Pye — fourth in the 3000m (10.51.24 secs)

James Murdoch — sixth in the U16 200m (25.67 secs) and seventh in the 100m (12.73 secs)

Mathew Sallis — fifth in the U15 shot put (9.86m)

Steven has our best wishes when he competes at the National All Schools Championships in Sydney in early December.

Victorian Open State Championships

Alexander Bubner competed in the Victorian Open State Athletics Championships held at the MCG. He managed to come fourth, clocking 47.8 seconds for the 400m and was able to run on the Commonwealth Games track.

World Junior Athletics Championships In Beijing

Alexander also represented Australia in the World Junior (Under 20) Athletics Championships. He competed in the 400m where he was able to reach the semi-final stage of the competition after running a personal best time of 47.42 seconds. This performance places him in the top twenty-four competitors in the world as an Under 20 or the top six when ranked with other Under 18 athletes.

He recounted a number of stories concerning his time away with the Australian team. His first message to his parents was that he was mid-size in comparison to other athletes in his event... amongst the girls! He also made mention that the winner of his first heat was a 200 cm (6 feet 8 inches) tall Englishman named Martyn Rooney who came fifth in the final in the Commonwealth Games in Melbourne. This was an indication of the quality of the meet as Rooney only managed third in the final despite being the favourite.

The meet continued for seven days with morning and evening competition being the norm in order to avoid the extreme humidity and heat in the middle of the day. Certainly northern hemisphere athletes had an advantage over the southerners as far as preparation for the meet went as they were able to come straight from their summer competitive season. At the end of the meet Alexander was afforded a sight-seeing day with the Great Wall being the highlight. He now appreciates more fully the Australian lifestyle that at times we take for granted.

Prince Alfred College's two Open A Badminton teams dominated the sport once again this season. Despite losing many of last year's strongest players, including six of the eight 2005 Intercollegiate players, both teams enjoyed great success.

The teams powered through Term 1 this year, only losing to one school each. The Open A1 team managed to gain a well-earned 6(151):6(147) victory over Glenunga International High School, and then also won all five reverse singles games. Glenunga is traditionally one of the strongest of our opponents, and their teams have defeated us the past two years. The Open A1 team also managed to snatch victory from another of our close rivals, Adelaide High, a team which also won against us in 2005. The score, 6(126):6(117) shows just how hard everyone had to fight to win this match.

The main event in the 2006 Badminton calendar was the annual Intercollegiate match against our biggest rivals, St Peter's College. Coming off a 9-0 win in 2005, the team was careful not to underestimate our opponents. This was reflected in the sheer number of hours and amount of effort put into training by every member of the Intercol squad.

This year's Intercol was held at St Peter's College, giving Saints the home ground advantage. Despite this, the size and volume of the Princes crowd dwarfed that of the home team, definitely helping to motivate the team throughout the night. Play began with the three doubles matches played simultaneously on all courts. With lightning speed, the powerful third doubles pair, Davor Pavlin-Premrl and Lewis Graham, annihilated their opponents, dropping only three points in the entire two set game. Shortly afterwards the second doubles pair, Richard Seglenieks and Winston Luu, comfortably won their game in two sets, putting Princes ahead 2-0 very early in the night. By far the most exciting and closest of the doubles matches

was played by the first pair, Tanawat Sutuntivorakoon and Dong Hee Lee. After narrowly losing the first set, hard work and determination saw them win the next two sets to give the team a solid 3-0 lead at the end of the doubles.

The singles players then walked onto the court for the next matches. Davor managed a close two point win in his first set and then with his superior fitness he walked all over his opponent to win the second set convincingly. Lewis was unlucky to be down at the end of his first set, but bounced back amazingly, only allowing his opponent to score eight points in the remaining two sets. The Princes Intercol team now had an unassailable 5-0 lead, but the match of the night was still being fought on the first court. Winston, appeared extremely evenly matched with his opponent in the first set which he narrowly won 17-15. The second set saw him worn down and was the biggest win Saints achieved on the night. Come third set, however, Winston got a second burst of energy and ended with a very solid win. The first three singles were then played by Tanawat, Richard and Dong. These players were generally older and more experienced than the rest of the team and this was seen in the convincing manner in which they won. Not one of Saints' first three singles players scored double figures across the three straight set Princes victories.

A 9-0 win alone is a rare enough occurrence, but the 2005/2006 Intercollegiate Badminton competitions made history as the first consecutive 9-0 victories. The win was well-deserved after a successful season for all players. I would like to thank the coaches Mr Kracht, Mr Surman and Mr Tsang, badminton players from all year levels and last but not least all those who made the effort to come out and support us; you made the season worthwhile and the Intercol unforgettable.

1st XI Cricket

Coach: Mr Peter Williams

Team: J Smith (C), S Hilditch (VC), J Vass, Michael Clarke, Max Clarke, W Dalwood, A Greenslade, N Noblett, B May, T Brinsley, C Kennett, C Shaw, E Watts

Our year was kicked off with a win in a match against a touring college from Colchester Royal Grammar in England. Bowlers throughout the season were openers Tom Brinsley and Elliot Watts followed by Will Dalwood, Max and Michael Clarke and the spin twins Chad Kennett and Ben May. Our batting through the season saw some big totals but also some totals on the other end of the scale. Batters were James Smith, Sam Hilditch, Alex Greenslade, Charles Shaw, Jesse Vass and Nick Noblett. Jesse Vass was very solid with the gloves all year playing a major role in the team's performance each week.

The main highlight for the year was the unforgettable hat trick of Chad Kennett against Pultney.

Our year ended with a loss to St Peter's in the Intercol. Despite being rank underdogs the boys worked extremely hard and pushed the game to four days. Sam Hilditch top scored with 76 in the second innings.

A special thanks to Mr Peter Williams for his outstanding coaching, which was very much appreciated by the team.

James Smith, Captain 1st XI Cricket

Intercollegiate Cricket 31 March–3 April 2006

The 130th annual Intercollegiate cricket match got underway at Prince Alfred College under cloudy and threatening skies on Friday 31st March. With a new full square cover purchased recently, however, we felt confident that the match would proceed without too many problems. Our Captain, James Smith, won the toss and decided to bowl. Despite a beautiful looking pitch he felt that the overcast conditions along with a very inexperienced Princes team meant that this was the better option.

When James trapped the Saints opening batsman, Eddie

Morgan, lbw early on it indeed looked a master stroke.

Persistent rain throughout the first session restricted play but after lunch St Peter's batsmen Sam Mc Neil and Henry White started to consolidate the innings. Leg spinner, Chad Kennett, bowled McNeil with a beautiful "wrong'un" and once again we were back on even terms. It was now that White and wicketkeeper Michael Cranmer combined in a fantastic 205 run partnership which put the blues right on top. Despite this the Princes bowlers toiled away manfully and our fielding was exceptional with Nick Noblett setting the standard. The Clarkes, Michael and Max, both bowled well and kept it tight, as did James Smith. William Dalwood took the bowling honours with three well earned wickets from 23 overs. Young leg spinner, Ben May, playing only his third 1st XI match bowled 38 overs with great control and maturity. St Peter's declared their innings at an imposing 8/388 after lunch on the second day. At tea we had made a good start with 38 runs on the board without loss. Chad Kennett and James Smith looked solid until Chad was adjudged lbw for a well compiled 23. In the face of aggressive and consistent bowling every Princes batsman competed hard but only Smith (61) and youngster Charles Shaw (25) were able to prosper.

Summer Sports Cricket

Alex Greenslade showed great character to stay at the crease for a long period of time.

A modest total of only 203 runs meant that Saints skipper, McNeil, had no hesitation in enforcing the follow on. At three wickets for only eight runs in the second session on Day 3 it appeared that we were about to suffer an humiliating defeat. It was then that Vice-Captain, Sam Hilditch, strode to the crease with a view to rescuing the team. In compiling a brilliant 78 runs, Sam built significant partnerships with Charles Shaw (29) and then with Alex Greenslade (49). At the end of Day 3 we had recovered to be 4/149 and we had given ourselves some chance to save the match. Unfortunately we lost Sam early on Day 4 and despite hard work from wicket keeper Jesse Vass, who had kept exceptionally well, and Michael Clarke, we were dismissed for 232 leaving Saints 48 runs to make to take the shield. While we were pleased to have fought back well, much credit must be given to our opposition who were able to respond to any challenges which we presented. After the loss of two early wickets, St Peter's completed their task and the match finished at about 4.30pm on the last day.

We were pleased to have given a good account of ourselves against a very good St Peter's team who had started the match as very warm favourites. Nevertheless, the Princes team played with great character and with considerable dignity throughout the match and for this they can rightly hold their heads up high.

Final Scores: St Peter's 8/388 (dec.) and 2/51 defeated Prince Alfred College 203 and 232.

2nd XI Cricket

Coach: Mr M Dawe

Team: N Katsaros (c), T Blanch (vc), T Bell, B Cody, B Chui, C Grace, A McKinnon, E Monfries, T Nihill, J Prest, R Price, S Richards, J Southcott, X Watson, E Watts, S Wood, J Zacker

Our year started off with a friendly game against a travelling English school, Colchester Royal Grammar. Andrew McKinnon's stylish half-century assured us of a comfortable victory.

The depth in our bowling was the backbone of the Princes 2nd XI. Cameron Grace, Elliot Watts, Jackson Southcott, Ben Cody, Tom Blanch and myself, all delivered persistent bowling.

Our batting, although not as strong as our bowling, was at times extremely impressive. Consistent performers in our steady batting line up included Ben Cody, Elliot Monfries, Tom Blanch, Jack Zacker and the rock at the lower end of the list, Cameron Grace.

Our year ended with a nail biting Intercol victory. Saints had a very

intimidating batting line up and dangerous opening bowlers. We started shakily, but after the first 20 overs we came out after drinks as a new side. Cameron Grace, Elliot Watts, myself and a lift in our fielding efforts pulled Saints back into our target range. After we saw out Saints' aggressive opening bowlers, our batters backed up our bowling efforts. Great performances by Ben Cody, Tom Blanch, Cameron Grace and Elliot Watts saw us to victory.

Mr Malcolm Dawe was an inspirational coach throughout the year, always knowing how to draw the best out of our abilities. He believed in us achieving what we were all capable of, and this was borne out by our win over Saints in the Intercol.

Nick Katsaros, Captain

Year 10A Cricket

Coach: Mr Steve Clohesy

Team: B May (C), S Pittman, T Barnes, C Shaw, M Amos, Z Tschirn, J Spencer, H Lecamwasam, E Opie, J Stephens, S Moroney.

The Year 10A Cricket team enjoyed another very successful and enjoyable season. Several of the players were selected for the First XI team, a terrific opportunity. The team won five of their six matches over the summer with each player making valuable contributions. Sebastian Moroney led the way with highest batting averages and exceptional wicket keeping. This contribution culminated in him winning the award for 10A Cricketer of the Year.

Ned Thwaites shouldered the responsibility of leading the pace attack, taking twelve wickets over the season. Other impressive players included the talented Michael Amos who opened the

Summer Sports Cricket

batting with distinction, the classy Tom Barnes who held batting performances together with stylish innings at number three. Pace bowlers Elliot Opie and Hiran Lecamwasam, and wily leg spinners Benjamin May and Sam Pittman ensured opposition batting line ups were always under pressure.

Benjamin May, an astute student of the game, performed outstandingly in his captaincy, ensuring each player was given significant opportunity to contribute. Many thanks to Mr Steve Clohesy who coached the team and ensured that each game was enjoyable and challenging.

Benjamin May and Sam Pittman

Year 9A Cricket

The 2006 season has been promising one to date. The season itself commenced with a close and exciting win against Marryatville High School with Jack Trengove starring in his first match with 77. The team then overcame Rostrevor by 9 runs with Tom Welsby, Tom Wicks and Karl Siebels all taking two wickets. Adelaide High proved to be an easy win in the end by 95 runs. Welsby scored 41 and Andrew Sykes 34. We had a setback in our penultimate match against Westminster when we ended up going down by 44 runs.

Our most important match of the season was played in the last week of Term 1 against St Peter's. PAC won the toss and elected to bat first with Welsby top scoring with 15, while Trengove

made 12. The team made 6/76 by the end of their 30 overs. Despite some good bowling Saints triumphed by 33 runs.

Tom Welsby, Captain

Year 9B Cricket

Coach: Mr Geoff Brougham

Team: T Heddle (Captain), J Agutter, A Athanasov, S Barnett, M Barry, A Butenko, M Easther, J Foster, J Kelly, V Lee, A Luckowicz, S Mitchell, H Nadolny, B Orken, M Sallis, M Schiller

The summer season saw the 9B cricket team undefeated, winning all but two matches easily. The season didn't exactly look all that bright at the beginning: in our first match against Cabra the opposition was 1/72 off a mere eight overs before we fought back to hold them to 9/123. Then we were in a desperate situation until Jack Kelly (79 n.o.) and Simon Barnett (20) took us to an easy win. We never looked back. Jordan Agutter joined us to star with the bat while Michael Schiller, Tom Heddle, Matt Sallis, Ben Orken and Alex Butenko bowled tightly to take enough wickets and keep the run rate down. In the Intercol things looked shaky until, chasing 83, we were rescued by a stunning 80 run partnership (Agutter 53 and Barnett 25).

Tom Heddle, Captain

Year 8A Cricket

Team: W Latchford (C) E Young and D Brown (Co-Vcs), R Gale, E Greaves, M Gillespie, T Hobbs, J House, W Paynter, M Rhode, M Scheepers, D Soang

The Year 8A cricket team came together from various schools at the beginning of the season. We began with several net sessions and a trial match between all four Year 8 classes. Our team is made up of mostly all-rounders and this makes us a very flexible team. The 8As had a

confident start with an eight wicket win over Blackfriars at home, with bowlers leading the way, Matt Rohde with 5 for 5 and Duncan Soang with 3 for 4. We then went on to have a seven wicket win over Rostrevor and a close two run win over Sacred Heart College with Will Latchford and Matt Scheepers scoring 34 n.o. and 23 in blistering heat. Our game against Pembroke was a two day match which we lost despite a gallant 61 n.o. by Will Paynter. Our final match was a close loss to St Peter's by seven runs. We look forward in Term 4 to building on our skill level with view to going on as a team and eventually representing the school at the top level.

Will Latchford, Captain

Golf

Coach: Mr Steve Clohesy

L Brandwood, A Brown, C Shaw, A Lee, P Toh, A Sykes, E Monfries, W Hugo Ch Shaw

The Prince Alfred College Golf Team competed in a number of competitions throughout the year and performed exceptionally well in each. The PAC A team was proudly represented by Lachlan Brandwood, whose driving off the tee was exceptional, Alexander Brown, who played the most consistently over the courses and the seasons, the talented Charles Shaw, and the ever reliable Andrew Lee. The team was well supported by Peter Toh, Andrew Sykes, Elliott Monfries and William Hugo.

The team finished in a commendable fifth position in the state secondary teams event and each player performed admirably in the state schoolboy championships held at Metropolitan Courses. Congratulations go to Elliott Monfries who won the C grade title. With many talented juniors looking forward to playing in 2007, the future looks encouraging. Thanks go to Mr Clohesy who transported and coached the team throughout the year.

Mr Steve Clohesy, Golf Coordinator

1st VIII Rowing

Team: N Whitham (b), E Lucas (2), J Alam (3), E Stollery (4), A Murray (5), B Reidy (6), S Elley (7), J Admiraal (s), W Turner

Coaches: Mr B Noske, Mr A Ratcliff and Mr V Huddleston

At the start of the season there was great doubt amongst senior rowers and other students about whether Princes would have a chance this year against Saints, judging from last year's results at Head of the River where we came fifth. The First VIII certainly started the season as underdogs but fortunately, this all changed. The ergo times fell, and the boys' morale started to rise as we began to win races against experienced crews, such as Saint Peter's, Pembroke, Scotch and Pulteney.

To continue this success most of the rowers attended all rowing sessions during the Christmas holidays to ensure that the fitness level would not drop off over the break. Rowers endured both a physiological and physical challenges as they experienced the trials of training as an athlete. As the season drew to an end, the final torture was enforced. It was time for final crew selection. The selection process was done in a way that ensured every rower would be treated equally thanks to Mr Vaughn Huddleston's complex mathematical matrix calculations, which only he could understand. After days of tough seat racing the crew was determined, with neither Luke Montaniero nor I making the final selection.

The 1st VIII

One week before Head of the River the First VIII won the race that earned them the title of state champions, though unfortunately Saint Peter's and Pembroke proved to be faster on the day of Head of the River. There was a gap of approximately three seconds between Saints and PAC, whilst Pembroke put up a good fight against Saints going at it head for head at the finish. Unfortunately, neither the Second VIII nor the First IV achieved a Head of the River win. Astonishment, pain and disappointment were some of the many emotions the rowers experienced after their races. However, the boys soon lightened up as they knew that they had come a long way on the journey to personal success and recognized that they were true state champions.

Harrison James, Captain of Rowing

2nd VIII Rowing

O Thomas (b), J Lambert (2), H Ratcliff (3), A Giulianetti (4), L Montaniero (5), H James (6), M Farkas (7), C Harry (s), J Riebolge

The 2nd VIII this year had a great season, competing strongly throughout the year, winning many races and most notably, State Championships. It was a relatively young crew, with only two Year 12s, both having narrowly missed out on First VIII selection. The rest of us were lucky indeed to have Harrison James and Luke Montaniero in the crew, because it was their desire to succeed in their final year of rowing that was one of the inspirations to the crew.

At the beginning of the season the crew was up in the air, with constant changes being made during Term 4. With many of the crew competing for places in the 1st VIII, it was a remarkable achievement to be so competitive when the crew was never the same for two consecutive regattas. As the season progressed the crew became more and more settled, with only two places unknown. Rowing camps at Berri and at the Port River decided these places and with Head of the River fast approaching, the crew to have a crack at the major event was finally settled. We were successful leading up to the regatta, having good results and winning State Championships three weeks from the finals.

Summer Sports Rowing

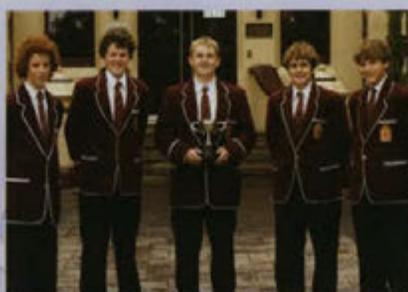

On the day, however, our fortunes were not so good. In rough conditions the crew raced well to be with Saints at the halfway mark, but were unable to hold with them for the entire race. It was a disappointing end to an otherwise successful season for a crew that prided itself on performing at every event. It will serve as a reminder next season for the Year 11s to make sure we push ourselves even harder to achieve Head of the River success. Many thanks go to the coaches who gave up a lot of their time to push us and we hope to see them again next season.

Chris Harry

10C Rowing

It has been a very enjoyable season for the Year 10C crew. Although the coaches struggled to decide on crews until late into the season, as all boys quickly became very competent rowers, the C crew immediately bonded together as soon as the crew was finalised. As the year went on, the skills of the three other men in my crew improved out of sight as we experienced both wins and losses. I was extremely proud of my crew's ability to be humble in winning and gracious in defeat. We were unfortunate not to win the Head of the River; however we were all stoked with second place as we were up against some very strong opposition. The C crew's quick development was all because of one man, Graham "Coldy" Coldwell. Much gratitude must go to Mr Coldwell, who put his heart and soul into this crew and helped inspire us with his enjoyable stories.

Jeremy Broadbent

9B Rowing

Absent: Mr D Potts (Coach)

9A Rowing

Team: Scott McPhee (b), Firas El Achkar (2), Mihailo Spasojevic (3), Jack Turner (s), W Zogopoulos

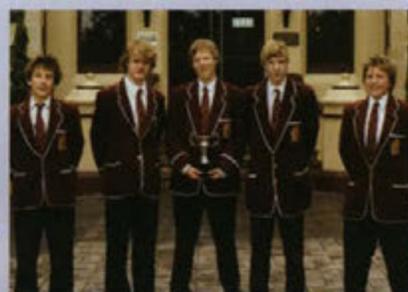

The Year 9A crew that raced in Head of the River in 2006 did not get the result we hoped for. We had a fairly consistent result throughout the season, regularly finishing second by half a boat length to the Pembroke crew. Unfortunately in the qualifying race for Head of the River, Firas's rigger popped out of place and then left us with no chance of winning the race. We got the rigger back on the boat and finished the race in last spot. This forced us to race in the second division A finals at Head of the River. We raced and we won comfortably by around 100 meters. By hypothetically comparing our times to the A division race times, we came third against the other crews.

Jack Turner

9C Rowing

Team: W Bickley (b), T Cordingley (2), L Perks (3), B Pearce (s)

The Year 9Cs had a very successful rowing season this year with many close regattas that went down to the wire. Our main competition throughout the season was an extremely strong Pembroke crew, to

9D Rowing

L to R: T W J Pearce, J L Barkla, S J R Rogers, S A Sanders, P J W Hannemann
Absent: Mr T Robinson (Coach), Mr P Sadleir (Coach)

which we usually finished second. One of our few victories over them was at the Port Adelaide regatta where we came in first place, a victory that was definitely one of the highlights of a great season.

The Head of the River was raced at an extremely quick pace for a C crew event. After finding ourselves in third behind CBC and Pembroke with 200 meters to go the rating was picked up and we began to quicken. After picking up two lengths on Pembroke we were unfortunate to come in second only 0.59 of a second behind Pembroke in a respectable second place. The efforts of the crew throughout the season and the hard work of our two coaches, Patrick Sadler and Tom Robertson, made the season very enjoyable for the crew.

Travis Cordingley

Rowing 125: Celebrating 125 Years of Rowing

All rowers are invited to celebrate 125 years of Prince Alfred College Rowing at an evening of reminiscences, guest speakers and interviews on 8 November 2008 at the Adelaide Oval Pavilions. Rowing memorabilia (uniforms, video tapes and photographs) would be very gratefully received by the school archivist, Mr Tony Aldous (taldous@pac.edu.au). Please contact the school on 8334 1200 or rowing125@pac.edu.au for further details.

Front Row L to R: J Sanders, D McDonald, E Parsonage, Mr M Sheppard (Coach) W C S Benson (Vice Captain), J P G Brewerton (Captain), G Baird (MIC Swimming), M J Rundell, A M J Pemberton, H W King

Swimming this year at Prince Alfred College has been phenomenal. All year the team has been working hard in training and really concentrating at competitions with one goal in mind: back-to-back Intercol victories. The ISSA championships half-way through the season were an eye-opener for the team. For the first time we swam against St Peter's and we thoroughly enjoyed our victory over our arch-rivals. It was a great night of swimming and the team performed really well. We won another decisive victory over St Peter's in the Intercol fixture, but unfortunately the Pembroke team was too strong for us and won the overall gala by a substantial margin. It was still a great season and we were very satisfied with a second successive Intercol victory. We are very grateful to Mr Graham Baird, Ms Evie Morelli and Mr Shepherd for all their help, coaching and management over the course of the year.

Josua Brewerton, Captain of Swimming

Drive Team Tennis

Coach: Mr J Tuckfield, Mr C Nicholls (Manager)

Team: S Pretorius (Captain), J Wolfe (Vice Captain), A Young, J Foo,
G Wiseman, J Cuzzocrea, S Chalmers, B Carroll, W Hugo, C Roy

The team was confident and ready for a competitive Intercollegiate match against St Peter's. PAC created many opportunities to take the lead in the first tension-filled round of singles matches. Unfortunately, St Peter's won both the first and second singles rounds. Although the overall result had been determined by lunch, the doubles round was played with high intensity. Though that too was lost, the experience gained by the younger members of our team will be of great value in the future.

A special thank you to our Manager, Mr Chris Nicholls, and to our coach, Mr Josh Tuckfield, who have made an enormous effort to develop our skills. I would also like to thank the players' parents for their enthusiastic support throughout the season.

Stefan Pretorius, Captain of Tennis

If it wasn't for the individual brilliance of Stefan we may have well found ourselves in Division 2 in 2007. Stefan won the Memorial Drive Player of the Year award for 2006.

Mr Chris Nicholls, Manager of Drive Tennis

Open A1 and 2 Tennis

Coach: Mr C Nicholls

Team: W Gray, D Hunt, N Daniel, A Watson, S Pearce,
S Dickson, H Bennett, J Frost, S Sharley, M Roscow,
W Heaslip, A Franklin, S Fitzgerald, L Ramsay

Results varied due to the fact that some schools field their best six players outside of the drive team regardless of age in the Open A division. Nevertheless, the boys took the opposition on gamely each week and did surprisingly well. Andrew Franklin and Will Heaslip formed a very effective

team, while Dylan Hunt and Will Gray also improved considerably over the season.

Mr Chris Nicholls, Coach

Open B1 and 2 Tennis

Coach: Mr C Nicholls

Team: J Fyfe, E Easling, U Lakra, A Pemberton, N Tyrell, L Riggs,
W Gebhardt, E Pitts, E Hayter, N Kinnaird, D Vanderpeer,
J Barker-Gale, S Hanzalik, G Jeffrey

The boys trained enthusiastically and maintained a strong tradition of sportsmanship during the season even in defeat.

Mr Chris Nicholls, Coach

10 AB1 Tennis

Coach: Mr M Turner

Team: W Hugo, N Whetstone, J Murdoch, H Murdoch, A Rowntree,
J McNeil, A Michael, C Altschwager, P Deegan, T Bade, B Virgin,
F Jennison, J Thompson

Will Hugo impressed with his tennis and is to be commended on making the Intercol team in his first year at the school. Nick Whetstone and the Murdochs show potential, considering that tennis is their second sport.

Mr Chris Nicholls, Tennis Coordinator

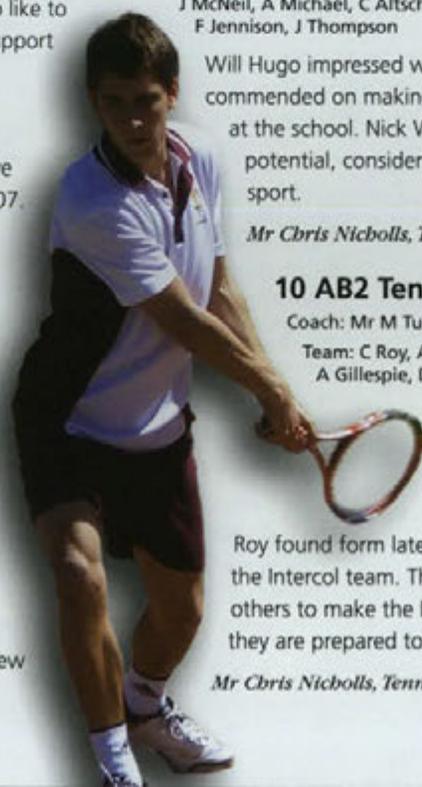

10 AB2 Tennis

Coach: Mr M Turner

Team: C Roy, A Bajcarz, A Kurup, L Stranks,
A Gillespie, D Stevens, R Cannizzaro, W Wood,
G Rice, C Wasow, E Wasow,
V Giourgas, C Winter, W Ellison,
J Boord, C Comerford, S Boorman

This team had a solid season and had excellent depth. Callum Roy found form late in the season to claim a place in the Intercol team. The potential is there for one or two others to make the Intercol team in the coming years if they are prepared to work hard at their game.

Open A Water Polo

Coach: Mr Murray

Team: C Benson (C), J Brewerton, C Brewerton, S Elley, A Gabrovsek, T W Heng, A Cunyngname, J Bade, T Bade, L Campbell

Prince's Open Water Polo Team enjoyed a competitive season with a mix of experienced and younger players. If commitment to training attendance waned at times over the years, it was always made up for by the camaraderie of those members who did make it to the pool. Water polo is in no way an easy sport, and with the opposing team doing its best to disrupt, team-mates have to work together and show courage to survive. As a minority sport at Princes, players from younger year levels than 11 and 12 are often required for the open team and on this occasion I would like to thank particularly Alex Gabrovsek and Tseng Wen Heng for playing up the division and learning more than just skills from their older team-mates. I would also like to thank all the other boys involved over the season. The highlight of the year would have to be the narrow 6–7 loss to St Peter's 1st team, which had dominated this season's competition. Many thanks to Mr

Don Murray for giving us the benefit of his wide experience in coaching us and to Mr Mark Brewerton for assisting in transport.

Charlie Benson, Captain of Water Polo

Year 9 Water Polo

Coach: Ms Ashley Murray

Team: M Burford, A Butenko, S Sobels, T Teague, J Eske, L Quirke

This year was a tough year from other points of view, too, in that our team began the season with three players, Alex Butenko, Liam Quirke and Sam Sobels, who were complete novices to the sport. Though they were understandably cautious at first, their confidence increased incredibly once they had experienced a couple of matches. We also had a new coach, Ms Ashley Murray, who motivated us to work together very effectively. Despite our relative experience and the fact that few of us play the game outside school, the standard of play we achieved was very encouraging for the future.

Thomas Teague, Captain

Continued from page 73

9 A,B and C Tennis

Coach: Mr C Bowyer

Team: N Dorsch, J Perks, B Wolfe, J Galloway, L Lovell, H Marshall, S Elliss, M Burford, C Miliado, J Sanders, S Pallotta, C Pye, T Moschou, A Sivam, J Acott, P Tridente, M Pascoe, B Kerin, T Boord, J Amos, T Hilbig, P McCole, P Hannemann, B Pearce, T Pearce

Practice sessions combined structured coaching drills, fitness work and challenge matches. All players developed the ability and desire to stay in the point and work on the weaknesses of their opponent. The A team finished Term 1 strongly with a convincing win over their Saint Peter's rivals.

Mr Craig Bowyer, Coach

8A 1 and 2 Tennis

Coach: Ms J Harris

Team: J Agnew, M Brown, S Day, T Fitzgerald, J Fyfe, J Hood, A Jin, P Kirwan, Y Ly, W Mackenzie, A Murdoch, M Riceman, A Russo, T Smith, J Tonkin, S Wilhelm

This year the team played with enthusiasm and determination. Each boy's skill level increased as the year progressed. Angus Murdoch is to be congratulated for his consistency, winning every game he played in.

Ms J Harris, Coach

8B Tennis

Coach: Ms J Harris

Team: I Cooper, J Cuzzocrea, O Dell, Z Hanzalik, D Li, D Nguyen, C Nosworthy, T Park, T Purdy, R Riedig

Even though the boys did not win many games, they still maintained their energy, drive and sportsmanship throughout the season. They all participated in the training sessions and challenges, where their skills and technique has improved.

Ms J Harris, Coach

Absent: S D Thomas

Open A Basketball

We were fortunate indeed to begin the season with only one fresh face joining last year's team. Our match against a very strong St Paul's side was perfect preparation for the Intercol the following week. Although our opponents established a 12 point lead, pin-point shooting from Jack Harford and Billy Wilson enabled us to win by four points at the final whistle. We also conceded a 12 point lead to St Peter's, but this time, despite the best efforts of the same two star players, we were still four points adrift at the end of the game.

I would like to express my thanks to the parents who helped to raise our spirits when things were not going our way and enjoy our achievements when we were playing well. I am especially grateful to our coach, Mr Paul Rigoni, whose tireless effort and enthusiasm really helped us to give of our best. I would also like to thank my team-mates not only for all their hard work but also for teaching me invaluable skills.

Vice-Captain Matt Rundell, too, was an enormous help and support throughout the season.

Elliot Watts, Captain of Basketball

Open B Basketball

The Open B Basketball team finished the season with a record of seven wins and six losses, although three of those losses were by five points or less. Thanks in part to dedicated attendance at training sessions, we achieved convincing wins against Trinity (by 24 points), Adelaide High (16 points), Blackfriars (38 points), and Saint Pauls (17 points). We were unlucky to lose to Westminster, Rostrevor and Concordia by very small margins. The Most Valuable Player was Alfred Carlson, who scored 71 points along with an uncountable level of rebounds in the course of the year. Many thanks to manager Mr Baird, for co-coordinating events so smoothly, and coach Mr Paul Rigoni, for preparing the team for each game with such commitment.

Udit Lakra, Captain

Open C Basketball

The Open C Basketball team has had an enjoyable and successful season, coming away with six wins, two draws and only four losses. We weren't too confident going into first game of the season was against Unley, one of the best teams in the league, but we were delighted to lose in the end by only two points. This game gave us confidence which we built on throughout the season. The Open C team consisted of Andrew McKinnon, Scott Boorman, Cameron Winter, Josiah Fyfe, Sam Pearce, Sam Hanzalik and myself. As the season progressed each player's skills improved dramatically. I thank the guys for an enjoyable season; however none of it would have been possible had it not been for Mr Parker. Shortly before each game he taught us plays he had worked out the previous evening, thereby greatly enhancing our enjoyment of the season.

Nick Crawford, Captain

Winter Sports Basketball

Year 9A Basketball

The 2A basketball team started impressively, winning three out of their first four games. However, the middle of the season produced mixed results. Overall, the team won five games and lost eight. Most opposition teams had players who were either two meters or so in height and/or state representatives. Injuries and sickness forced several players to miss games but this created opportunities for some of the 2B players (Thomas Cocks, Karl Siebels, Max Burford, Christopher Le and Lewis Perks) to show their skills. The team played their best each week and remained competitive.

The coach Mr Ray Lukowicz introduced a leadership focus to the group where there was a different nominated Captain and Vice-Captain each week. The players all brought their own different skills and abilities to the playing group. The team bonded well early in the season with the inclusion of two Year 8 students, Thomas Hobbs and Philip Harford, who brought considerable experience and shooting skills to the group. Thomas Hilbig and Jonathon Foo were excellent playmakers with both speed and ball handling skills. The taller players such as Theodore Skrembros, Alexander Brown and Andrew Lukowicz were also major contributors through rebounding, offensive and defensive skills.

The highlight of the season had to be the team's impressive win at the intercollegiate match against St Peter's which Prince Alfred College won by six

points. All the players contributed to the team's success and final score on the day.

Andrew Lukowicz

Year 9B Basketball

The 2B Basketball team had a very successful year. We had decisive victories over Westminster, Glenunga and Pembroke, with a hard-fought win over Saints in the Intercol. The team was full of good players on offence and on defence.

Our main tall centres were Angus McLaren, Lewis Perks and Jesse Fyfe. These guys improved rapidly as season progressed and regularly proved the difference in close games. Tom Cocks, Chris Lee and Max Burford played very well in defence and their quick reactions helped them to score quite often.

Hayden Nadolny, Karl Siebels and Chris Miliado were excellent with their three-

point shooting and they were solid in defence.

Thanks must go to our coach Mr Brad Cook and Mr Baird for helping us to improve, and to all of the parents for their much-valued support.

Max Burford

Year 8 Basketball

The C Basketballers had a very successful season overall. The team consisted of Atanas Athanasov, Chris Miliado, Justin Winter, Max Sullivan, Chris Russell and Hamish Bubner while Jesse Fyfe, Lewis Perks and James Townsend also played a number of matches over the course of the season. Many matches were decided by extremely narrow margins.

The CBC game, which we won on the last shot of the game with seconds to spare, was a real heart stopper and typical of the evenness of the competition that we found ourselves in.

We improved significantly over the course of the year and every team member felt well pleased with himself when we defeated a much taller and physically stronger Saint Peter's team in the final game of the season. We must thank our coach Mr Baird for the time he gave and the careful manner in which he melded us into a very cohesive team unit.

1st XVIII Football

The 1st XVIII has had a very successful season in 2006 with 13 wins and 2 losses, both to Sacred Heart. We had convincing wins against all other schools. The season started with two matches in Melbourne against Melbourne Grammar and Wesley College where we had a tight two point loss in the wet and a comfortable victory respectively. The team made the final of the Knockout Cup after coming from behind victory against St Michael's on their home ground in the Semi-Final. A PAC team had not got to this stage of the carnival for 20 years, so it was quite an achievement by the boys. We played under lights at Norwood Oval and put up a good fight, but unfortunately went down by 26 points. The team played without two star players in James Van Hoof and Vice-Captain Daniel May who suffered a terrible knee injury while playing for South Adelaide mid-season and was sorely missed for Term 3. They may well have made the difference but the team put up a tough contest despite the injuries.

The Intercol against St Peter's was one that had been long anticipated since starting pre-season in Term 1. Both schools had strong sides and we went in to the game as equal favourites. The game started off as a tight contest with Saints taking a lead of eight points at quarter time. From then on, the boys rose to the occasion and applied physical pressure that rattled the opposition. The boys continued to pile on the goals and didn't give Saints a sniff for the rest of the game. The team celebrated a 51 point win at Next Generation where the awards were presented. James Van Hoof played exceptionally well and deserved the Norman Dowie medal which is the Intercol medal for Best on Ground. The atmosphere within the team was great to be a part of and something that we will never forget. It was a powerful asset to our success this year.

Many thanks to Gary Jenkinson for a great year of coaching, Mr Vaughan Huddleston and Mr Nick Joy for their work in the rooms before the games, Craig Altus for his commitment in being the runner and William

"Thumper" Thomas for his professionalism as Team Manager. Thank you to Mr Steven Clohesy for his organisation of the dinner and Melbourne Trip. All of your work is very much appreciated by the boys.

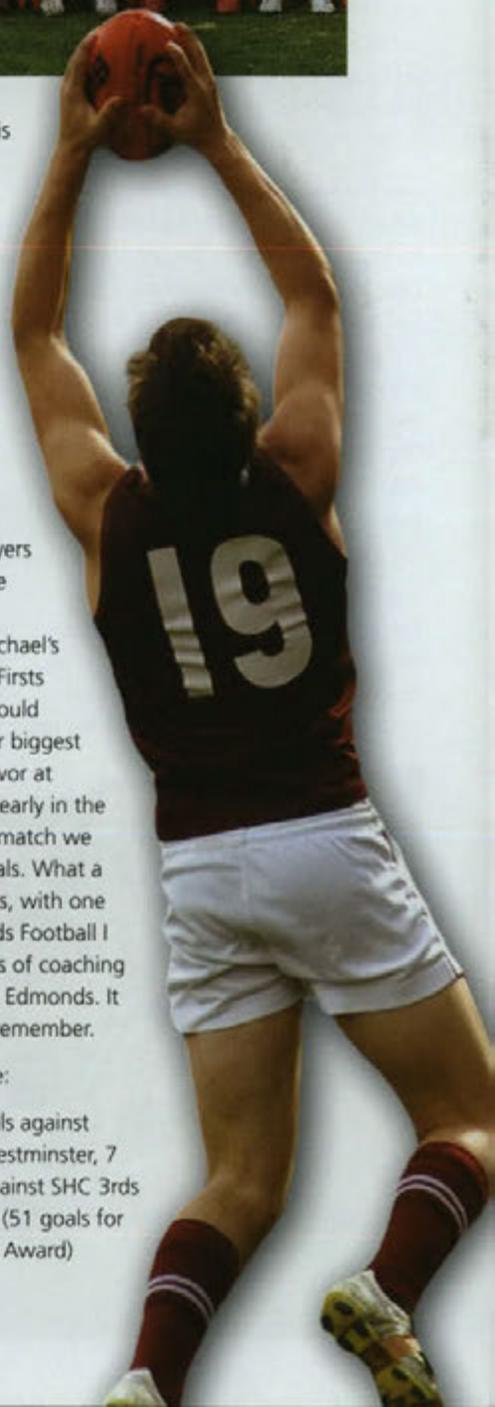

Xavier Watson, Captain of Football

2nd XVIII Football

Our Squad of over 30 players has had a very competitive year with four very close games both against St Michael's Seconds and Marryatville Firsts which we lost, but both could have gone either way. Our biggest defeat was against Rostrevor at home with a 10 goal loss early in the season but on our return match we were the victors by 10 goals. What a 20 goal turn around it was, with one of the best displays of 2nds Football I have seen in my four years of coaching this side, ably led by Chris Edmonds. It was a game I will always remember.

Other highlights include:

- Clayton Sporn's 10 Goals against Immanuel, 8 against Westminster, 7 against Pembroke, 6 against SHC 3rds and 5 against St Peter's (51 goals for the leading Goal Kicker Award)

Winter Sports Football

- Seb Richards' 6 and Toby Nihill's 4 goals against Westminster in the first game
- Tom Bell, Harry Perks and Sam Chalmers and their further development as players during the second half of the year
- Alex Greenslade's strength and Best and Fairest Award for 2006 while runners-up Clayton Sporn and Dylan Hunt also had a very good seasons
- Best Team Man for the year was Nick Katsaros
- Coach's Award Chris Edmonds.

The final game, the Intercol, saw us allow Saints to kick away in the first half 7.1 to 1.2 but to our credit we outscored Saints in the second half. The damage was done, though, and went down by four goals SPSC 11.4 d PAC 7.4

Thank you to: Alan Kent for his help over the four years as I couldn't have done it with out him; Bruce Noblett for his tireless running for the last two years; Peter Williams, Gary Jenkinson, Steve Clohesy and Mark Dell'Oro for their fantastic help; the parents and supporters who came to the games throughout the year and whose help and support was greatly appreciated; the entire squad of the players who gave their best will go on to greater things next year.

I would like to say to the over 120 boys and their parents whom I have come into contact with over the last four years as the 2nd XVIII Football Coach that it has been my pleasure; and to all the boys (young and not so young), remember to

enjoy this fantastic game and never hold back.

Intercol Team: A Nicholls (C), D Hunt (VC), C Edmonds (VC), T Bell, A Greenslade, J May, R Price, C Sporn, N Katsaros, S Wood, S Chalmers, M Clarke, T Du Rieu, J Southcott, H Perks, T Nihill, J Prest, B Cody, W Heaslip, J Bailey, J Stoyanoff, J Zacker

Reserves: S Richards, T Polkinghorne, L Ramsey, R Oates, L Brandwood, B Carroll, N Riddell, C Harry, E Monfries

Coach: Mr Grant Woolmore

Assistant Coach: Mr Alan Kent

Runner: Mr Bruce Noblett

Mr Grant Woolmore, Coach

3rd XVIII Football

Team: H Bennett (C), C Kennett, E Monfries, N Riddell, R Oates, S Harris, C Harry, L Ramsey, M Walden, G Wiseman, C March, L Brandwood, A Franklin, J Leak, T Polkinghorne C Brewerton, S Richards, L Cooney, R Barry, J Bade, W Noble, A Pemberton, D Sandercock, J Vasileff, O Thomas

The 3rd Football Team enjoyed mixed success in 2006, recording three victories in the course of the season. Opposing teams found it hard, though, to penetrate the driving force of a centre half-back line that consisted of Lachlan Ramsey, Greg Wiseman and Lachlan Branwood. A touch

of class was provided, too, by a talented midfield made up of Chad Kennett, Chris Harry, Tim Polkinghorne and Elliott Monfries. Spark was added up forward by Henry Bennett, Sam Harris, Luke Cooney and Seb Richards. We are all very grateful to Mr Williams for his tireless efforts and passionate coaching throughout the year.

Henry Bennett, Captain

10A XVIII Football

PAC started the season well, coming from behind to record an exhilarating five point victory over Pembroke, before totally outclassing a lacklustre Trinity outfit the following week.

This early success was followed by a disappointing loss away against Rostrevor after kicking the first four goals of the game and a gallant three goal loss away to Sacred Heart which underlined the potential of the team, potential that was realised over the next eight weeks as the side went unbeaten. The PAC team played with increasing pace, skill and strength at the contest and obliterated the likes

Winter Sports Football

of St Ignatius, St Paul's and Unley High. The fantastic victory over the undefeated Sacred Heart side in Term 3 indicated just how much the team had improved. However the Intercol proved to be a bitter disappointment as St Peter's overpowered PAC after we had initially taken an early two goal lead.

Overall it was a successful season and many members of the team should make a strong contribution to future PAC success at First XVIII level. Tom Barnes (Best and Fairest winner), Jeremy Broadbent (Best Team Man), Charlie Olsson, Seb Moroney, Elliot Opie, Tom Brinsley, Angus Rowntree, Nicholas Whetstone and Jack Stephens were strong consistent performers. Ben May, Henry Riggs, Ned Thwaites and Lachlan Sandow improved substantially over the course of the season and team captain Jason Schell's steady leadership made important contribution to the team's development. Finally I would thank Steve Clohesy for his invaluable assistance, unfailing good humour and enthusiasm, and the parents for their strong support of the team.

Coaches: Mr Steve Clohesy, Mr Bill Stevens

The 10B team had a remarkable season, winning eleven of thirteen matches, the losses being to Sacred Heart. The season included terrific wins over Sacred Heart, Rostrevor, Pembroke and Pedare. The team ended on a high note with a hard-fought nine-point win against local rivals Saint Peter's College. Patrick Deegan, the captain, did a mighty job all year and clinched the season's best and fairest award, thanks to his consistent and courageous season. William Virgin was also exceptional and he came a close second. William Lambert was a livewire across half forward and his wonderful contribution to the team over the season was rewarded with the Best Team Man award. Leading the team's goal kicking,

William Farminer finished the season with over twenty goals. The season was most enjoyable and memorable. The team thanks the parents for their support of the team, and the coach Mr Steve Clohesy and assistant Mr Bill Stevens who gave their time generously.

Coach: Mr Peter Karamosbos

Despite only having fifteen players all season, our group combined well as a team against more talented opponents. Although only winning two games during the season, and losing the Intercol by 12 goals, the team stuck together and fought out all games till the final siren. We suffered two major setbacks to the spine of our lineup, with James House fracturing his knuckles and Angus Murdoch breaking his collar bone. This left us exposed against bigger opposition for a few weeks, with other players having to step up. Congratulations to Sam Day, Will Paynter, Matthew Rohde, Will Latchford, Angus Murdoch and James House for being consistently in the Best. Nick Woolmore deserves a special mention for kicking the most goals this season.

N Brazzale, S Hilditch

Coach: Mr Bob Claxton

The 1st XI had a season worth remembering. The team began as a collection of skilful individuals who enjoyed their hockey. They trained hard in the early stages of the season, including early morning sessions, which helped the team to bond. As a result of enhanced confidence and understanding, the team improved significantly in the course of the season. A number of convincing victories were won in the courses of the season, due in part to a lack of strong competition in the pool. The team was only faced with challenging matches when we came up against Pembroke and Saints. Nevertheless, each game formed an important element of our preparation for the Intercol.

The Intercol match was a great game and fought out strongly by both sides. Being defeated by a final score of 1-0 was not an easy reality for many members of the team. The team went into the game with the expectation that they

would play their best hockey, and that the result would come from that. As things turned out, the score line did not reflect the way that the team played. A small mix up in the back line early in the game cost the team a goal. The team bounced back with more enthusiasm and courage and was prepared to take it to the Saints opponents. The team then took control of the game with over 60% of the play conducted under Princes possession, and a great deal in the attacking half of the field, but unfortunately we couldn't pierce the Saints' defense significantly enough to reply to their goal. The team played the best hockey they could have hoped for but were unfortunate with the result.

The success the team achieved throughout the season would not have been dreamt of without the assistance of Bob Claxton. He ensured that any important or threatening aspect of Saints game would be shut down in the big game, and with a different drill at every training session, he ensured all players reached their full potential and enjoyed their hockey.

Alex Michell, Captain of Hockey

2nd XI Hockey

Team: H King (C), J Barker-Gale, S Keith, N Kinnaid, C London,
A Nobbs, N Pugh, W Selway, M Selway, H Schilg, E Stollery,
N Whitham

Coaches: Mr Chris Jordison, Mr Craig Bowyer

The 2nd XI's has had a difficult season, with many hard games against talented teams. Despite the obvious talent of individual players, the team had trouble working efficiently together for the first part of the season, but by the end we were playing as a collaborating more effectively. A highlight for the team was playing the Saints First, when we even managed to score the first goal of the game. Although the final score was 6-1, it was a sign of things to come for the team. The team's hard work was best reflected in our Intercol game, which was arguably the team's best game for the season. Despite being easily beaten by Saints Seconds earlier in the year, the Seconds Hockey Intercol was a close contest. Everyone played with determination and passion

Winter Sports Hockey

that is a credit to them, and despite our solid defence in the first half, we were unfortunate to go down 3-1. Regardless, we had all grown as players and as a team. All players can be proud of their efforts during the season.

Hamish King, Captain

Tour of Perth

During the second week of the Term 2 school holidays the 1st XI Hockey Squad, accompanied by Bob Claxton and Mr. Dell'Oro, toured to Perth to play against stronger schoolboy and club teams from the West.

On the first day we were confronted with an hour and a half long training session which enabled us to get used to the Perth conditions. The temperatures were substantially hotter than the cool conditions of Adelaide. The training session ran smoothly and shortly we were heading back to Trinity to get ready for dinner.

The second day saw the team come up against some tough competition. This game was against Hale Hockey Club U/17 Men's team. This was a hard-hitting team, and was somewhat stronger than the competition we were accustomed to. We lost the game 3-2, but it was a great game and enabled our team to rise to the occasion and play some great quality hockey.

The next day we took a bus trip down to the famous Cottosloe Beach. This was the spot where a man was taken by a shark in waist deep water, but this still wasn't enough to deter some of the team members from racing to the freezing cold water. We were all instructed to wade along in waist deep water as part of the recovery process. It was a valuable exercise as we had four

matches in four days and we waded every morning in an attempt to relieve the pressure on players' legs.

The second game we played was against the Hale School at Stadium Australia, a huge complex used by the Hockey Division of the Australian Institute of Sport. This match was action-packed and both teams played some good hockey. At the final whistle the result was PAC 5-Hale 2. This was the first win for the tour and provided a great filip to our morale.

The third game was against Christchurch Grammar. The grass pitch caught our players' attention and was more like a bowling green than anything else. The majority of the game was played in torrential rain and was one of the

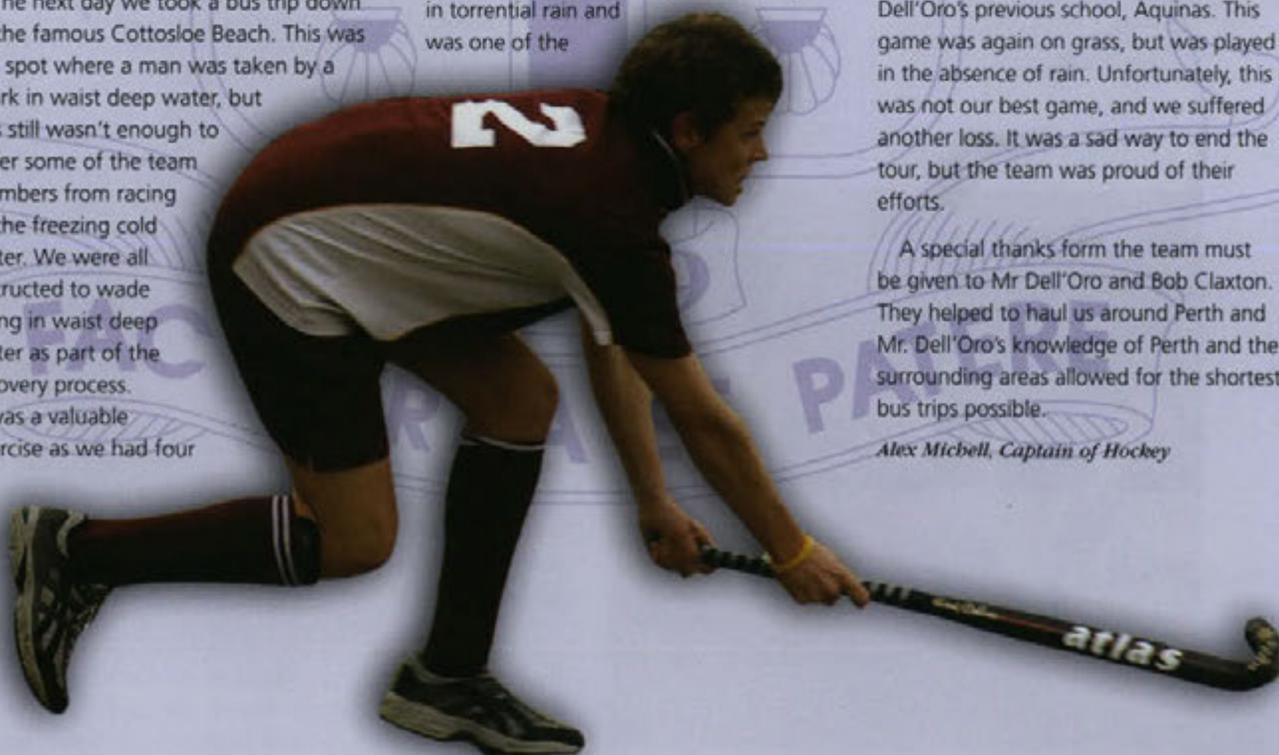

most intense games the team had played. The final result was two-all draw.

The final game was against Mr Dell'Oro's previous school, Aquinas. This game was again on grass, but was played in the absence of rain. Unfortunately, this was not our best game, and we suffered another loss. It was a sad way to end the tour, but the team was proud of their efforts.

A special thanks form the team must be given to Mr Dell'Oro and Bob Claxton. They helped to haul us around Perth and Mr. Dell'Oro's knowledge of Perth and the surrounding areas allowed for the shortest bus trips possible.

P DeRuvo, J Courtidis,
T Suntuntivorakoon

The 1st XI had a successful season going from strength to strength. A positive attitude and good team spirit were the foundations on which we built the season. The team developed an attractive passing game and managed to score in all but one of their games. A few defensive lapses, mainly through naivety, cost the team at times and the boys soon realised the need to be more ruthless with the opposition. Defeats by one goal to Rostrevor, CBC and Trinity all hurt the team, especially after being in front and dominating the game. These performances were critically evaluated by the boys and were the springboard to a fantastic second half of the season where the boys were undefeated. Good wins against Immanuel, Mercedes and Scotch had given the boys much confidence prior to the much-anticipated game with St Peter's.

The Intercollegiate match proved a tough encounter with Princes going behind to an early goal and then completely dominating the first half only to go in level at 1-1 despite numerous good chances. Saints rallied after the break

forcing Princes to play a more counterattacking game as they struggled to deal with the long ball style of their opponents. The boys felt harshly done by when Saints, perhaps, should have been reduced to ten men following a foul on vice-captain Adam Cunynghame when clean through on goal. Princes momentarily lost concentration and the Saints pressure told with a well-taken goal. The boys now had to dig deep and wrestle the momentum back in their favour. This they did well, equalising with ten minutes to spare. Despite an action-packed final few minutes the teams could not be separated and the draw a fair result.

Mr Richard Bruford, 1st XI Soccer Coach

The 1st XI had a successful season going from strength to strength. A positive attitude and good team spirit were the foundations on which we built the season. The team developed an attractive passing game and managed to score in all but one of their games. A few defensive lapses, mainly through naivety, cost the team at times and the boys soon realised the need to be more ruthless with the opposition. Defeats by one goal to Rostrevor, CBC and Trinity all hurt the team, especially after being in front and dominating the game. These performances were critically evaluated by the boys and were the springboard to a fantastic second half of the season during which the team remained undefeated. Good wins against Immanuel, Mercedes and Scotch had given the boys much confidence prior to the much-anticipated game with St Peter's.

The Intercollegiate match proved a tough encounter with Princes going behind to an early goal and then completely dominating the first half only to go in level at 1-1 despite numerous good chances. Saints rallied after the break, forcing

Winter Sports Soccer

Princes to play a more counterattacking game as they struggled to deal with the long ball style of their opponents. The boys felt harshly done by when Saints, perhaps, should have been reduced to 10 men following a foul on Vice-Captain Adam Cunynghame when clean through on goal. Princes momentarily lost concentration and the Saints pressure told with a well-taken goal. The boys now had to dig deep and wrestle the momentum back in their favour. This they did well, equalising with ten minutes to spare. Despite an action-packed final few minutes the teams could not be separated and the draw a fair result.

The PAC 1st XI soccer team has had a successful season that has been steadily improving over Terms 2 and 3. The team consisted of a wide cross section of players, including one Year 8 and two Year 10s. Mr Bruford, in his first year of coaching the 1st XI, has introduced a new style of soccer, and Mr Joy as fitness coach, trained us hard in preparation for the Intercol.

One of the highlights of this season included the 1-0 win over Blackfriars where our defence was unbreakable. Again our performance was sensational when we narrowly lost to Rostrevor when it looked as if we could have been the first PAC team to knock off the Red and Blacks in many years. When Van Vlassis and Patrick DeRuvo returned from long-term injuries for the game against Immanuel, the side rose to the occasion by winning 9-1. Comprehensive victories against Mercedes and Scotch were also excellent preparation for the Intercol.

We dominated possession in the first half putting together many chances, however Saints scored first and this was what we unfortunately needed to get into gear. Mr Bruford introduced Patrick DeRuvo and it paid-off when he equalized with a strong volley from the top of the box to level the score. Princes

started the second half strongly and could have taken the lead had an important decision gone our way. Unfortunately Saints capitalized on the confusion and scored bringing the ball out of their defence. In the later stages of the second half, we began to succeed in playing the ball out of defence and working forward with well-controlled two touch football, a strategy dependent on numerous players making supporting runs. After a period of sustained pressure, Sean Dods was able to capitalize on a loose ball on the goal line to score the equaliser. The score remained 2-2 at the conclusion of the game. Andrew Dickson had an inspirational game and was voted "Best on Ground".

Despite only drawing the Intercol, in the course of the season as a whole, the team played some entertaining soccer, forged friendships that will long be remembered, and maintained high standards of determination and sportsmanship.

Dong Hee Lee, Captain of Soccer

2nd XI Soccer

This year's team consisted of some good players and can be considered to be one of the best 2nd XI teams that Prince Alfred College has had in recent times. We had great

coaches in Mr Bruford, Mr Joy and Mr Marcus who improved our skills in training. During the season we played many strong teams such as Rostrevor, CBC and St Peter's. The season started well winning away to Westminster 10 goals to 1. Simon Dickson played very well along with Jason Kim who scored 4 goals. Unfortunately we did not get the wins against the tougher opponents, with Rostrevor and CBC defeating us both 2-1 in hard fought games. The Intercol game at Saints saw a 0-0 draw despite our team having many opportunities to win the game, with George Vlassis playing very well on the left side of midfield.

Our defence consisting of Simon Dickson, David Dixon, Davor Pavlin-Premrl and, occasionally, Brian Chui was solid all season. The midfield was very industrious with Tanawat Suntivirakoon, Jonathon Courtidis and Joseph Cuzzocrea holding the team together and setting up the attack. Mahesh Umaphysivam and George Vlassis both played well on the wings, while Stephen Elley, Alex Economos, Jason Kim and Daniel Badawee made up a formidable attack. In goals, Oliver Morgan was superb and a real asset to the side and he is only in Year 10!

Finally, I would like to say that our team this year was outstanding as everyone took part and most importantly enjoyed playing good football. Also thanks to those who helped out the side occasionally, including Edward Pitts, Soong Kim and Brandon Lovell.

Year 10 Squash

L to R: Mr N Venardis,
M D P Bolzon, E M Wasow,
D A Humphray, C G Wasow

2006 was yet another successful year for PAC Squash. Even with several high calibre players opting higher profile sports this year, no less than eleven of the twelve teams competing managed to make it to the semi-finals, with six teams progressing into their respective grand finals. This was a truly amazing effort.

This year saw PAC compete in six divisions ranging from Year 8 to Division 1, the new name for the Open A grade. Teams in Year 8, 9, 10, and Division 2 were able to progress to the grand final. Of these four finals PAC managed to win two, with wins in the Year 8 and Year 10 competitions.

Three PAC teams competed in the Year 8 league, with all three progressing to the semi-finals. The grand final saw PAC (2) — Aaron Russo, Anthony Milton, Duncan Saong, Joshua Gugliotta — narrowly defeat PAC (1) — David Piper, Jack Morelli, Matt Barnett, Callum Norsworthy — in a tightly fought match. All teams and players are to be commended for their efforts in making it to the finals.

2006 saw another strong showing in the Year 9 league with four teams and close to twenty players competing. Three of the four teams progressed to the semi-finals with PAC (2) — Tom Cocks, Karl Siebels, Mitch Pascoe, Akash Sivam, Terry Moschou — progressing to the grand final. Unfortunately the team lost valiantly to a tough St Ignatius team, with Tom Cocks the lone victor. Nick Dorsch, Tom Cocks and Tom Teague have all proven themselves this year with outstanding performances.

Only two teams represented PAC in the Year 10 league yet their quality is undeniable, with both teams reaching the grand final. In this competitive final PAC (1) — Michael Bolzon, Chris Wasow, Dean Humphrey, Elliot Wasow — defeated PAC (2) — Marcus Butler, Joshua Gerard, Tom Bade, Alex Papadopoulos — three games to one. With both teams progressing to the grand final, PAC squash has a bright future if all boys continue to participate in Year 11 and 12.

Our Division 3 team was composed primarily of boys who had never picked up a squash racquet prior to the start of the season. Coached by Dr Flatt the boys had a fantastic year

and were able to progress to the semi-final, where they lost valiantly to a strong Blackfriars outfit. The team consisted of Bo Zhu, Hui Tseng, Peter Peng and Stephen Squires for the majority of the season.

The Division 2 team consisting of Peter James, James Moschou, Mahesh Umapathysivam, Duncan James and Adam Collins also enjoyed a successful season, reaching the grand final. Dubbed the Squash Intercol, the grand final was played against a tough St Peter's team who took out the final three games to one.

Hopes of a finals appearance for the Division 1 team were not high at the beginning of the season. The team consisting of Daniel Renshaw, Shaun Conroy, Will Gray and Chad Kennett managed to finish in third position at the end of the season to move into the semi finals. Facing tough opponents from Blackfriars, the team lost narrowly in an extremely tense match. Standout players were Will Gray and Chad Kennett who rarely lost a match in their respective positions.

As is the custom, after the completion of the squash season, players in each year group compete for the title of PAC squash champion. The results are:

Year 8

Champion: David Piper

Runner Up: Anthony Milton

Year 9

Champion: Tom Cocks

Runner Up: Tom Teague

Year 10

Champion: Michael Bolzon

Runner Up: Tom Bade

Open

Champion: Will Gray

Runner Up: Daniel Renshaw

Finally, thanks must go to Mr Vernadis for his first year as Squash Coordinator, who organised the PAC championships. Thanks must also go to Mrs Jenson, Mrs May, Mr Urban, Dr Flatt and all other members of staff who helped supervise teams and training sessions. A big thank you must also go to Dan Jenson, who was kind enough to give up his time to help the Division 1 team prepare for their semi-final match.

Daniel Renshaw, Captain of Squash

Skiing

Ski Team

L to R: A W Milton,
M K Burford, C N Pye,
N J Dorsch, M A Pascoe,
H J Lloyd, L R Lovell,
P J W Hannemann

From a parent's perspective the ski trip was very well run. The bus was comfortable and our driver for the week was excellent. I don't think you could find better accommodation than Howman's Gap for our group. They have great facilities. Mr Bruford was a big bonus with his skiing ability and his interaction with the boys. Mr and Mrs McLaughlin have everything extremely well organized; and with no major injuries what more could you ask for. (Except maybe a little more snow!)

Mrs Di Gillispie, Parent

The ski trip was great fun for all the Year 8s. It was a good opportunity to spend a week skiing with friends. All the older boys were easy to get along with which made the week enjoyable. Each day we would ski for a few hours in the morning before meeting the group for lunch. A lesson in the afternoon followed by free time to practice skiing and just enough time for a hot chocolate before we headed back to Howmans Gap accommodation for the night.

Matthew Robde, Year 8

Well, here I was back for a second visit to Falls Creek — fervently hoping to move beyond the beginners' class

this year. It wasn't to be — I still have my "L" plates firmly attached to my parka but I sure had fun trying.

I had been spoilt by the gorgeous picture perfect weather and snow of the 2005 trip and it was a shock to the system to be greeted by foggy, windy weather on our first day on the slopes. I was beginning to think I was mad to even attempt to find a run to ski on but our instructors confidently led us off into the mist and I soon began to remember the lessons of last year. Then the fog lifted and the sun came out and we had a chance to admire the view from the chairlift once again.

The boys I skied with were wonderful teachers — zooming past but waiting patiently for me at the next bend with cheerful words of encouragement. I was inevitably the last in the group but without fail they would save me a spot in the lift queue so we could go back up the hill and try again. It was an honour and a pleasure to spend time with these boys beyond the brief contact I have with most of them in the Health Centre and they were a credit to the school. My thanks go to them, the great group of parents and Megan, Phil and Richard for another brilliant ski trip.

(Vice-Captain)

This year PAC has sported a young, developing team with considerable potential after the losing several key players last year. A large number of boys made themselves available to play every week, and many young players were introduced, particularly into the Open C/D team.

The Open A/B's season was filled with ups and downs. We were unfortunate to beat the receiving end of some very narrow losses against Pembroke and Blackfriars. The match against Saint Peter's was hard-fought on all fronts, and although we were unable to record a win, the enthusiasm and optimism displayed by the boys were exceptional. The Open A/B was victorious over Norwood and Glenunga, defeating them in convincing fashion. Players like Harry Crawford, Jonathon Foo and Vincent Cheung have been consistent performers week after week. A special mention must go to our departing Year 12s, David Hanin, Victor Seng and Paul Hosking, for their contribution to table tennis, and for being part of the backbone of the success of the team over the years.

The Open C/D team had a particularly successful season, winning the majority of their matches. Ashwin Kurup and Jason Gillespie have been in scintillating form all season and, along with others in the team, they will undoubtedly be invaluable assets in the years to come. Resounding victories were recorded over Blackfriars, Marryatville and Saint Peter's.

Special thanks must go to Mrs McCauley for her tireless efforts in organising the team each week, and to her son Andrew for his commitment to coaching the team.

Tony Le, Captain of Table Tennis

Year 8 Table Tennis

Team: H Bubner, B Chia, J Hunter, D Li, A Jin, P Kirwan, M Riceman, J Townsend, J Winter and O Yang

Another table tennis season is over, with every player experiencing improvements in skill after playing 13 exciting rounds of the competition. Throughout the season, the team suffered some crushing defeats but made up for them with some amazing wins.

Every player in the team was in Year 8 but we played in the Year 9 competition. So winning games was an outstanding achievement. For example, against Mercedes College, the team won 9 of 12 games played.

Throughout the season we had some amazingly close matches. Quite a few matches had a score line 31-30 which is the closest you can get in the Year 8/9 competition. Also, the team made some good recoveries and no player stopped trying until his game was over.

Our important match was in the Intercol against Saints. All team members played some of their best table tennis for the season. The convincing victory was won by a margin was 57 points. Most team players won a game in the doubles and there were only two losses in the singles.

Our success during the season would not have been possible without the help of Mr McLaughlin and Dr Wilson, who stepped in to assist when Mr McLaughlin was on sick leave. We thank them for their assistance during the season. All team members look forward to the table tennis season next year.

Year 8

Mr Phil McLaughlin

I have enjoyed having new people coming to the school so I have a huge variety of friends.

Matthew Barnett

The atmosphere in the senior school

is really relaxed and there is a wide variety of subjects and sports.

Richard Bethune

It has been a great year, coming into a new environment and learning in a new way.

Blair Brewerton

I really enjoyed all of the senior Intercols that I attended and also playing in my own basketball Intercol.

Hamish Bubner

Playing in the intermediate and senior bands was great, especially the trip to Melbourne.

Nick Burton

I am really forward to next year's long camp after having a great time this year doing some great activities.

Richard Gale

I have met lots of new people this year and have made heaps of new friends.

John Hood

The highlight of my year was the Year 8 basketball Intercol which we won by 64 points.

Tom Hobbs

I really enjoyed doing Lego robotics in Technology this year.

Robert Katsambis

Playing in the First Eleven soccer team was great, especially the Intercol against Saints.

William Katsambis

PAC gives lots of opportunities, especially in sport and music. PAC is a great school.

Michael Riceman

I enjoyed the high ropes course at Scotts Creek as well as camping out in tents.

Harry Riebolge

The best thing I liked about Year 8 has been the wide variety of sports and having the option of playing more than one sport.

James Risby

I enjoyed the camps to both Goolwa and Scotts Creek, I really got to know the other boys well.

Roberto Riedig

Year 8 was a fascinating foundation stone for our future years at PAC.

Duncan Soang

I have enjoyed being at PAC. I have learnt a lot throughout the year. PAC is a great school.

Yiran Tan

Year 8 is great, you really get a chance to be more independent.

Luke Tatterson

This year I have found that Year 8 has given me freedom but within boundaries. This has been a great change.

Michael Thompson

There is more variety of sports this year — my favourite one has been rowing.

Will Tbredgold

Year 8 academic classes were excellent learning experiences and school sport was great too. I also really enjoyed the camps we went on.

Jack Tonkin

At the start of the year I was having a hard time fitting it but I have made some great friends throughout the year.

James Townsend

Year 9

Mr Paul Balestrin

I enjoyed the Personal Best Project the most as it gave me the opportunity to show what I can achieve.

Atanas Athanasov

Year 9 was great

because I got to do Metalworking.

Jarad Barkla

The Mt Gambier Jazz Festival was immensely enjoyable.

Simon Barnett

My highlight was our German trip to the School of the Future where we made our clay animation films.

Wil Bickley

I really enjoyed Food Technology this year as I got to make great food.

Travis Cordingley

I love the whole positive atmosphere at Year 9.

Andrew Dibden

Working as a team member in my sports has taught me how to work cooperatively with others.

Nicolas Dorsch

I really enjoyed the House competitions at lunchtimes.

Jake Galloway

I really like having my mates around!

Tom Heddle

The winter sports program has been excellent. Even though we lost the Intercol we had a great year and I loved every minute.

Jack Kelly

Playing one of the leading roles in the middle school Drama production was a highlight and a learning experience.

Lucas Lovell

The highlight of my year was taking the 'Leap of Faith' blindfolded on the ropes course at Scott's Creek.

Benjamin Orken

I really enjoy my subjects, but Science is great. I love the practicals.

Huey Marshall

I have enjoyed my Computer Aided Design work in Technology and will likely explore this as part of my future.

Angus McLaren

The fun and enjoyment I received through my squash games was immense.

Terry Moschou

Athletics Day was an outstanding event with many records broken.

Steven Pallotta

The Personal Best Project is a great way to work independently and to do something you have always wanted to do.

Mitchell Pascoe

The support and spectacle of our Head of the River race lifted our crew.

Benjamin Pearce

I really enjoyed our football season this year due to our great coach and success.

Jordan Sanders

The self-defence lessons were enjoyable and rewarding.

Theodore Skrembos

I have changed the way I think in both Art and Philosophy. They are very good courses.

Jerome Squires

I liked the social life and independence in Year 9.

Jordan Walsb

Mr Williams had the faith in me to allow me to play in the First XI Cricket team. I am the youngest person to have played for them.

Tom Welsby

The Choir trip to Hobart was one of my highlights. I enjoyed performing to the Collegiate Girls College and visiting the Cadbury chocolate factory.

Alistair Young

I have really enjoyed Art this year.

William Zogopoulos

House Report

Cotton

Cotton House Leaders 2006

L to R: L O Wood, B Chui, J P G Brewerton (Captain), Mr P Williams, D Pavlin-Premrl, (Vice-Captain), T A D Blanch, J A J Risby
Absent: J H Sanders

The year began on a positive note for Cotton House, with a narrow 1 point loss to Taylor House at the school Swimming Carnival. The house spirit was fantastic, as boys from all year levels did their best in the pool or in the stands. Particular mention should go to the Brewerton boys, who achieved the trifecta by winning the individual championships in Years 8, 11 and 12.

The next major house event on the school calendar was Sports Day. Unfortunately for Cotton House this competition wasn't quite as successful as Swimming Carnival, although the same house spirit was still present. There was a large contingent of boys on the oval cheering on the Cotton athletes, especially at the end of the day when the crucial relays were being run. All the events were filled, even by the Under 12s who only had a pool of 15 boys to choose from and more than 50 places to fill. Alex Bubner again dominated, winning the individual championship, champion of champion's race and just about every event he entered.

Throughout the year, Cotton was also a consistent participant in the inter-house sports. Thanks to the efforts of the year level leaders, we had a team put together every week even when some classes were away on camp. This showed through in the results where Cotton House managed to win several encounters simply by being better organized than the other participants. The inter-house sport organized by Cotton, basketball, was well-received by the other houses and fun for everyone involved. Special thanks should go to Sam Hanzalik, Jack Harford and Elliot Watts who gave up many a lunchtime to help with the refereeing.

But Cotton House isn't all just about sport as there were many other new and exciting activities

Cotton House

that occurred during the year. First and foremost was the arrival of a new head of house in Mr Williams who took the job up after Mrs Jenson stepped down at the end of last year. Mr Williams has had a remarkable impact upon the house, ranging from a new style of house meetings to improving house spirit at sports events. Most noticeable was the new ideas he brought to house meetings, an example being the inspiration to write a house song. Instead of sitting down to labor over a song and find that no-one liked it, Mr Williams had the inspiration to

allow the boys to sit down in groups and write their own songs. As a result of this particular meeting the house now has a variety of new songs and chants that will be taught to the boys next year.

This year with Mr Williams at the Head of Cotton has been a great experience for all the boys in Cotton. Unfortunately all good things must come to an end and Mr Williams has decided to relinquish the role. Members of Cotton would like to thank Mr Williams for being there for us and making our experience of belonging to the house a memorable one.

Josbua Brewerton and Davor Pavlin-Premrl, Captain and Vice-Captain of Cotton

Taylor House
Leaders 2006

L to R: J N Charatsis, B Zhu,
W J Thomas (Captain),
Mr S F J Reidy, S J Elley
(Vice-Captain), J P Schell,
A D Young

Absent: W Katsambis

Taylor House has had a very busy but enjoyable 2006. Though still relatively young, the house has taken significant steps this year towards establishing its identity within the Princes community.

For the first time, house meetings began with a procession of the house flag to the tune of the house theme song lead by the Captain and Vice-Captain. The leaders played a more active role, planning and running meetings in close collaboration with Mr Reidy. House meetings this year have included speeches and presentation of sporting and academic achievement certificates, as well as activities and performances, all aimed at boosting student participation and house spirit.

At the swimming carnival held in the third week of the first term, Taylor 'tamed the beast' to beat Cotton by a solitary point, signaling a wave of euphoria and a new found house spirit. Exceptional performances in the water by the likes of Alistair Young (Year 9 champion), Matt Claxton and Alex Gabrovsek (Year 10 runner up and champion respectively), accumulated significant numbers of points. The vociferous support for swimmers, both in the water and in the stands, helped to give our competitors an edge over their opponents. By all reports, the boys' enthusiasm over their victory was shared by their parents, and the mood at the annual Taylor House function for parents that night was positively euphoric. The support the boys received from the parents both at the swimming carnival and sports day was very much appreciated.

Although we were unable to achieve a victory on sports day, it was very pleasing to see the work

put in by the boys and their performances won second place behind a surprise victors, Waterhouse. Fantastic individual performances were put in on the day by Tom Teague (Under 14 runner up), Jack Stephens (Under 15 runner up), James Murdoch (Under 15 champion), Winston Lu (Under 16 runner up) and Matt Farkas (Under 17 champion). Results in Years 8 to 11, both at the swimming carnival and sports day, indicate that Taylor has a bright future in the inter-house sporting competitions.

Every term each house has the responsibility of a competition run over a three week period for teams at all year levels to compete at. This year the house ran the Ironman competition, at which Taylor performed exceptionally, gaining first place. Our other results included second in volleyball, equal first in flag football and equal first in basketball, all of which counted to the Wesley Cup. Unfortunately we were narrowly beaten in the Wesley Cup overall, however it was still a great year for the house in the competition.

In term one the school was treated with a chapel service run by Taylor, a service which sent the bench mark for the other houses to follow, one which in many eyes is yet to be exceeded by the other houses. The service took the theme of 'missionaries', and was chaired by Taylor prefect Hamish King. The service included a reading about an Ethiopian missionary read by Stephen Elley, a prayer read by Nick Whitham, a talk from Rev Klar, a performance of U2's 'In the Name of Love' by a band consisting of a number of Year 12's from the house, and arguably the highlights of the service, a drama performance by Jon Courtidis and Jon Charatsis on the theme of the assembly. Thank you to Mr Steer and all boys involved for their efforts in what was a fabulous performance.

There were some fantastic achievements by both the boys and the staff this year. Among the boys, Taylor featured prominently among summer and winter sporting colours. In summer, sporting colours were awarded to Winston Lu (Year 11) and Tanawat Sutantivorakoon (Year 12) for badminton, Alistair Murray (Year 11), Javed Alam, Stephen Elley, Ed

Taylor House

Stollery and Nick Whitham (all Year 12) for rowing, and Alex Gabrovsek (Year 10) for swimming. Badges for summer sport were awarded to Hamish King and Nick Tormay (both Year 12) for swimming. Winter sports colours were awarded to Matt Farkas and Matt Roscow (both Year 11) for football, Matt Claxton (Year 10), Sam Fitzgerald and Simon Frisby (both Year 11) for hockey, William Katsambis (Year 8) and Lewis Graham (Year 11) for soccer and Victor Seng (Year 12) for table tennis. Most impressively, Brendan Papps (Year 12) achieved honours colours for his efforts in football. Stephen Elley (Year 12) showed what an exceptional athlete he is by earning merit colours for winning colours in three or more sports. Hamish King (Year 12) earned a service to sport award for his efforts in hockey, as did William Thomas (Year 12) for football. The amount of sporting awards received by the boys in the house really emphasizes our growing strength as a house when it comes to sport. In the arts faculty, an arts award for creative achievement was

awarded to Nick Harris (Year 12), and arts awards for artistic performances were awarded to Sam Fitzgerald (Year 11) and Bryn Crawford (Year 12). Arts honours were awarded to Javed Alam, Hamish King, James Moschou, Ben Neale, Nick Tormay, Will Wallace (all Year 12), indicating Taylor's great strength when it comes to Arts, well done to all boys who received awards. Similarly, Mr McKinnon (Year 9) became the Vice-President of the SA History Teachers Association and Mr Parsons (Year 12) represented the staff as President of the Common Room. No doubt some of their leadership skills rubbed off on members of the house during the year.

In closing, I take this opportunity to thank a few people for their efforts in making the house run smoothly over the course of the year. To the year level representatives, thank you for your efforts in helping to organize teams for sporting activities and your overall contribution to the leadership of the house. Thank you also to the boys for maintaining a high level of participation and contributing to a newfound house spirit that has become so evident throughout the year. The

work of the year level tutors, who work tirelessly to organize the boys and look after their wellbeing within the school, is much appreciated by all boys. Stephen Elley has been a fantastic assistance to me in his role as Vice-Captain of the house, really leading the way on the sporting field and providing an excellent role model for all boys within the house to follow. Finally, I can't thank you enough, Mr Reidy, not only for working so hard to administer the House in the best possible way, but also for the great assistance and inspiration you have provided me with throughout this year and my time at the school.

I wish every success to the new house Captain, Lewis Graham, and House Vice-Captain, Tom Sullivan, who I hope will continue the development of the House, as well as forging their own part in the tradition of the House. I wish all the boys within the House every success in their schooling, and all the best for the future, and thank you for what has been a very memorable year leading Taylor House.

William Thomas, Captain of Taylor

House Report

Watsford

Watsford House Leaders 2006

L to R: Mr S Parker,
J L Wolfe (Captain),
A I Kutlaca (Vice-Captain),
E Parsonage

Absent: J Harford, M Butler,
S Day, S McPhee

As the school year draws to an end, so too does another year in the house system. This year, Watsford House finished third in the overall house competition, though this is not an accurate reflection of our achievements. The members of Watsford House have had a wide range of successes both in the academic and sporting field this year. The House has also fulfilled many of the goals that were set out during the year, including an increase in house spirit and participation levels. Realisation of these goals was particularly noticeable at Sports Day and the Swimming Carnival.

The Swimming Carnival produced in mixed results. The house unfortunately finished fourth, however participation was very encouraging, both in the pool and poolside. There was also a great individual effort from Cameron Wong in Year 9, who won his year level. Sports Day also saw great performances and wonderful house spirit. Again the house walked away with fourth place. However, outstanding performances from Aaron Watson and Chris Brebner, both of whom were placed in the top three of their year levels, were a boost to the spirit in the house. Other great individual efforts came from Caleb Salagaras in Javelin. Special thanks must go to Ike Kutlaca and Eric Parsonage who devoted their spare time to putting up balloons and banners for the House.

During the year Watsford had many other individual successes. Many Watsford boys took part in the various Intercol matches, with very strong performances in both summer and winter sports. Dong was a part of the back-to-back 9-0 winning of the Badminton Intercol, showing a great amount of skill; he also captained the soccer side to a nail biting 2-2 draw. The majority of the Intercol Tennis Team was made up of Watsford boys from Year 9 to Year 12. The winter Intercols also had a strong Watsford showing, with many boys in the house playing in Firsts Football, Basketball, Hockey, Debating and Soccer. Xavier Watson captained the Football Team to a superb victory over Saints and a brilliant display of debating by Ike in the controversial loss in the Debating Intercol.

Watsford has proven to be a strong, well-balanced House, with as many achievements in the form of academic awards as in sporting achievements. The number of effort awards received by members of Watsford House continued to grow and in Term 1 Watsford boys had the most effort awards of any house, which is a fantastic effort.

Inter-House sporting competitions have reflected a keen commitment from Watsford, with the boys from Year 8 to Year 12 competing in Volleyball, Iron Man, Flag Football and Basketball. Watsford showed sporting prowess and team camaraderie by winning the Volleyball for the second year in a row. The house also made a strong effort in the Basketball. It was great to see many people of all year levels to compete

Watsford House

James Byers and Vice-Captain Ed Lucas will step up and I am sure that they will do their best to make the house an even better place than it is now. I wish you the best of luck to all the Watsford leavers in whatever path they have chosen to follow. Finally, I encourage those of you still in the house to make the most of it while you can and to enjoy your remaining time at Prince Alfred College.

Jasper Wolfe, Captain of Watsford

House Report

Waterhouse

Waterhouse Leaders 2006

L to R: J R Spano, R L Seals, A W Franklin, N Katsaros (Captain), Ms E Morelli, B W Edwards (Vice-Captain), T Skrembos, A P McKinnon

2006 proved to be a very successful year for Waterhouse, not because we won the Interhouse Athletics Carnival and the Wesley Cup, but because Waterhouse showed true House spirit. Our early House assemblies provided us with the opportunity to set some long term goals and as House Captain my main aim was to see greater participation and teamwork within the House. The boys shared my vision and responded well by striving to achieve their best in a variety of areas including academics, sport, culture and service to the school.

Our first full House activity for the year was the swimming carnival. The boys put in a strong effort and must be commended for their participation. It was a true show of House spirit when the entire House (bar a few) lined up for the Participation Event to try to score a few extra points. Unfortunately the day's final result was not the best as we finished third but several boys deserve special mention for their outstanding performances. Peter Avina was Year 12 Runner-up champion, and Jonathon Spano was Year 8 Runner-up champion.

The lead-up to Sports Day this year was very exciting. Our confidence was boosted and inspiration was generated by several Waterhouse students participating and winning the long distance

events prior to the day. Cameron Grace has won the 3000m and 1500m events since his enrolment at PAC, and other strong performances came from Ned Young, Brandon Kerin, Jack Trengove and Blake Carroll. Cameron Grace was also the Athletics Day Open Runner-up winner. It was yet another hard-fought battle, with many strong performances in the shorter events giving us a strong lead and culminating in the relay teams cementing our victory on the day.

With the Wesley Cup within our reach, participation in the lunch-time activities was high. Having won the Touch Football and Basketball competitions, the final determination of the overall winner came down to the House with the best effort scores and the boys are to be congratulated for their achievements in helping us secure this victory.

Waterhouse also had many boys that achieved excellence in their own individual fields and although they are not always House-related, we acknowledge their achievements. Elliot Opie was selected to represent SA at the School Sport Australia Boys Cricket Championships and in the Australian Secondary Schools Digital Design Challenge he was placed second in Australia in the junior section. Alexander Brown and Charles Shaw participated in the State Secondary School Golf Championships, Bill Wilson participated in the State Basketball Championships, and James Lange was selected to represent SA in the U18 Hockey team. Seb Moroney was awarded Cricketer and Batsman of the Year. A number of boys also participated in the Achilles Cup, competing amongst the best from other schools.

Not only in sport did we excel. Some strong academic achievements were recorded throughout the year with many students being awarded Effort Awards and winning national competitions. Philipp Allgeuer received the BH Neumann Certificate for Excellence for achieving a perfect score in the Australian Mathematics Competition, the only Australian student to do so this year, and he also came equal top in the State in the Royal Australian Chemistry Institute Quiz. Glynn Rice was awarded a High Distinction Certificate in this science

Waterhouse House

competition and both boys participated in the Australian Mathematical Olympiad.

Honours Colours were awarded to Sasha Crossley (Arts) and Tom Holmes (Football); Colours to Luke Montaniero and James Admiraal (Rowing), Peter Avina (Swimming), Cameron Grace, Lachlan Riggs, Nathan Daniel (Football), Tony Le and Vincent Cheung (Table Tennis), Mahesh Umaphathysivam (Chess), Toby Nowland, Sean Dods (Soccer), Bill Wilson (Basketball); Badges to Sasha Crossley and Matt Rundell (Swimming), Alex Greenslade, Chad Kennett, Andrew McKinnon, Charles Shaw (Cricket); Arts Awards to Hugh Bond, Cameron McTernan, Stephen Squires, and Mahesh Umaphathysivam.

On Speech Night several boys will be

Waterhouse 2006

Back Row L to R: F E Achkar, S V Squires, B W Carroll, A C Economos, V M K Cheung, H P Burton, M J Rundell, E T Easling, S B Dods, D P Vandepeer, S T Harris, T R Nihill, C I London, M R Sallis, W A Noble

6th Row L to R: A J Noble, J S Frost, M M Umaphathysivam, S J K Riddell, G C H Jeffrey, D M James, B M Francis, A R P Giulianetti, H M Bond, H A J Ratcliff, P M Douglass, D R Piper, N B Stevens, L J Ramsey, B Wilson

5th Row L to R: Z A A Weiler, T B Nowland, A M A Crossley, S P Mitchell, W H Young, A T Sykes, S Sharley, T M Holmes, J H Min, J K Trengove, J Zacker, J R Foster, T H Welsby, P J McCole, F C Jennison, R I Oates, E K Opie

recipients of academic, sporting, cultural or service prizes but a student who clearly symbolizes the efforts of Waterhouse students to participate in all aspects of school life is Mahesh Umaphathysivam, winner of the Morley Bath Prize for his character and service to the school.

Leadership in Waterhouse also deserves a mention with several boys willingly accepting the responsibility and commitment required in their specific roles. David Dixon and Luke Montaniero were both chosen to be school Prefects, and co-curricular leaders included: Mahesh Umaphathysivam (Captain of Chess), Tony Le (Captain of Table Tennis), Chad Kennett (Co-Captain of Squash) and Matt Rundell (Vice-Captain of Basketball).

As the year drew to a close, the House came together once more in a show of yellow House spirit and identity to show our appreciation of the excellent

contributions made by fellow students to the House. To this end, a barbeque was organised and the Life-Be-In-It activities provided an opportunity for us to enjoy a relaxed and friendly setting with each other and our Pastoral Care teachers.

In conclusion, I would like to thank the Year Level leaders — Jonathon Spano, Theo Skrembos, Robert Seals, Andrew Franklin and Andrew McKinnon — who have been crucial to the success of the House. The House tutors must also be thanked for their care and guidance of the boys — Mr Clohesy, Mr Rossotti, Mrs Samuels, Mr Hopkins, Mr Muzik and Mr Colaiacovo. Special thanks must go to Ms Morelli for the genuine interest she has had in our welfare and in keeping us on track. I would also like to thank Vice-Captain Ben Edwards who has helped me to lead the House this year.

L to R: L Ramsey, T Du Rieu,
Mr J Hartnett, J Smith,
C McTernan

Another year has rolled by for the Boarding House, formerly Rushton, and as usual it leaves us with plenty to remember for years to come.

The staff members that contribute to the Boarding House are crucial but to mention everyone individually would be almost impossible. Once again the laundry staff, kitchen staff, maintenance and all of the boarding house staff have given great efforts for the boys. The resident masters have made a positive contribution with a relatively fresh line up. Mr Jim Hartnett after nearly two years as Director of Boarding resigned from his position at the school. Mr Sam Cheesman stepped up to the plate as a worthy and well-respected Acting Director for the remainder of the year. Mr Luke Ritchie also made an entrance into the Boarding House assisting with senior master duties, with his co-Prep-School-worker Mr Gary Jenkinson also assuming similar work in the Boarding House.

The Boarders had a great year in sport at PAC in 2006. The swimming carnival saw the boarders put on a tribute to Rushton in its absence, and much sorrow was felt. It was a great day and many boarders had their moments. Charlie Benson gave the top swimmers a run for their money in the formal events, while everyone else was splashing their way to the dayboys' defeat in the group events.

The Athletics Day was another great display of Rushton talent. The country boys again proved that great athletes are produced by the whole state. James Murdoch represented us outstandingly in all of his events, claiming the Year 10 cup. Jimmy Lange showed his consistent fitness for a small unit in the long distance running and sprint events by competing in the champion of champions' event. The boarders versus day-boys relay was only lost by a close margin to the day-boys but this was only to keep the day-boys happy, as we know that the boarders should have won.

There were also many boys representing the boarding house in the first teams for all sports. Tanawat Sutuntivorakoon and Richard Seglenieks, who was Captain,

were huge contributors to Badminton. James Smith captained the 1st Cricket Team.

Xavier Watson captained the victorious 1st XVIII Football side, which included Brendan Papps, Cameron Grace, James Lange, Matt Roscow, Aaron Watson, Nathan Daniels, Lachlan Riggs, Tom Holmes, James Van Hoof, James Smith and Daniel May, all from the Boarding House.

Team Rushton was this year's Boarding House play which was written exceptionally well by Charlie Benson, Cameron McTernan and Hamish King (Director). The play was inspired by the film *Team America* and got plenty of laughs from parents, boys and even staff, in particular Mr Tutt who was played by Cam McTernan.

For the second time in Rushton history the Dare-to-Win social event was run by Nick Greb with Phil Davis to entertain a range of boarders around Adelaide held in the PAC gym. Plenty of good feedback came out of this night and it will remain a prominent boarding social in future years.

The third annual Boarders Day, culminating in a boarders' assembly with presentations from various boys, gave the rest of the school a good insight into what they may not know about a boarder's life outside this city. The boys also arranged

Rushton House

to put some vehicles on show during the day including the Whetstones' Malibu Wake-boat. A colourful display of photos from most boys was also presented and a barbeque fundraiser for the Boarding House sponsor child was held during lunchtime.

It is fitting to mention that Hamish King was one prefect responsible for organising the 2006 Red and White at the convention centre, which was again a much enjoyed evening.

The Boarding House has had another social year associating with girls' schools on various occasions. It is always pleasing to mix and meet with girls whom we might have otherwise not met. We had a number of chapel services and dinners with the Annesley girls throughout the year both at PAC and at Annesley. There were also a couple of occasions where we met up with the girls from Wilderness

to challenge them in a game of netball, which proved to be quite memorable for some.

The group of Year 12s this year, as in any year, is quite unique. Everyone has got along really well with each other and there have been few hassles amongst the 35-plus boys despite living together for nearly the whole year. The majority of the boys in this year were together in the Boarding House for at least two years now and so everyone became great mates. I am sure that we will all make the effort to have long-lived mateship for years to come. There is such a great mix of people

in this Year 12 group and we all manage to get along well with the dayboys, too, making it such an enjoyable year both in and out of school. I have been fortunate enough to have the privilege of being Boarding House Captain this year and it was a great pleasure contributing what I could. I know I will take away a great deal of memories, experiences and great mates from my last three years at PAC.

Tom Du Rieu, Boarding House Captain

International Students

We have grown! Not only do we have a new staff member, Ms Karen Iffinger, but we have a new ESL course — the International Students Transition Program. This is an intensive English language program. Before immersing our international students into mainstream classes, where most of them experience many language difficulties, we have prepared a program of work which helps them to understand the social, cultural and academic values of PAC.

The students are taken on various excursions that show them how to get around Adelaide. Museums: the markets and the Immigration Departments are on the list, as well as a tram ride to Glenelg (for pizza) and a trip to Haigh's Chocolate Factory! I feel that our new students have settled in so quickly as a result of the Transition Program and we look forward to welcoming more overseas students in the future.

Another first! Bo Zhu was voted our first Captain of International Students and Tseng Hui Heng our first Vice-Captain. Both helped to organise a few social events with neighbouring girls' schools.

An evening at a bowling centre had more than a few skittles bowled over.

Our international students continue to achieve outstanding results, particularly in the Maths area, but sports and the arts have also had their share of international 'stars'!

The International Students' Room (M18) is a very busy room. Often the students will gather together for a chat. The room is also where we meet parents who have journeyed from overseas. Everyone is welcome!

Ms Anna Pollas, ESL Coordinator

International Students

Harmony Day

Harmony Day was celebrated at PAC on Monday 20th March. The day was marked by a lively assembly which included: a speech by Dr Alitja Rigney, a Kurna elder who spoke in both Kurna and English; Capoeira dancers from Brazil; a presentation on school life in Africa from Ghanaian International student Gameli Ashiadey; and a tae kwan do presentation by Andrew Lee and Charlie Shin. In the evening the finals of two special Harmony Day competitions were held. The winner of the Harmony Public Speaking Competition was Tom Cocks. In the Harmony Creative Writing Competition the winner of the junior section was Jeremy Nobbs and the winner of the senior section was Max Verlatto. During the day Greek cakes were sold, raising \$200 for Amnesty International.

Some of this year's leavers have spent their entire education at Prince Alfred College. Appropriately, 13 boys have spent the full 13 years at PAC, with Chris Covino being able to claim the record since he started a term earlier in Term 4 1993, when some of the present Year 8s were newborns! Some of my own special memories include performing in the Truckers Musical in 1994, Year 2 Soccer (our first exposure to inter-school sports), Arts Weeks, Prep Athletics and Swimming competitions, the Year 7 trip to Canberra, entrance to the Secondary School and recent events such as Year 10 Peak Adventure. Below are extracts from three of their accounts of what Princes has meant to them.

Adam Cunynghame

Since arriving at Princes in 1994 I have always found it a welcoming place. I remember my first days in reception in Mrs Parker's class, learning to read and write for the first time. I used to hate reading, always choosing the smallest book or the easiest to read. However,

many things have changed since I was a little tacker.

Going through the preparatory school, I spent most of my time pushing the boundaries. Whether simply running through buildings or accidentally locking my Grade 3 teacher's filing cabinet when she didn't have a key, I was always getting into scrapes. When I look back now, I can't see how I came up with some of it. However, I was fairly unsuccessful at getting away with it!

Simon Dickson

I would always participate in sports day and cross country across the road. In sports day I remember running the 50 metres to the 70 metres and finally the 100 metres. I remember Brandon Lovell used to win all of these and I would always finish second or third, apart from once when I just beat him. The East SAPSASA X-Country Carnivals were often hosted by Pembroke and the state competition, which had up to 250 kids running at once, was held where the Adelaide Sky Show is! In Year 7 I acquitted myself well in

the East Adelaide SAPSASA Soccer team.

We had to walk in two lines around the school to assembly, chapel and art classes. In the later years of prep school everyone looked forward to the socials that were held every few months and usually ran to get the tickets when they came on sale before they sold out.

Sean Dods

Senior school life saw many changes to friendship groups as people began to head in their desired directions. People moved on, some transferred to different schools and others moving into the work force. Every senior school lesson was taught in a different room which meant that you saw a lot more of the school. Sports days were bigger and better, too. PAC has been very enjoyable and has shaped me into the person I am today. I expect to maintain for life the many friendships made along the way.

Foundation Parents & Friends Old Scholars

Foundation Report

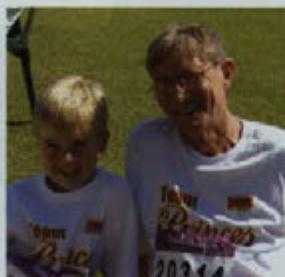

Since the release of the Master Plan in February 2005, the Prince Alfred College Foundation has been working tirelessly to raise funds to support this five year project. A campaign sub-committee, chaired by Andrew Chapman, has met fortnightly to progress the campaign. We are delighted to announce that with the overwhelming support of the PAC community, the Foundation has now received pledges and donations amounting to more than \$1.25 million. This is an outstanding amount and the Foundation would like to thank members of the community for their support of the Master Plan through membership, extensions to membership, annual giving or the new corporate sponsorship programme.

We are very pleased to announce that Westpac Banking Corporation, has agreed to a GOLD level sponsorship while Copyworld, Brecknock Insurance Brokers and Hillar Puv's Automotive Dealerships have become BRONZE sponsors of the PAC Foundation and acknowledge their generous support.

More than 80 guests celebrated the opening of the Neil Smart Memorial Building at a Foundation Cocktail party on Friday 24 February. The quadrangle of the secondary school proved to be an intimate setting where friends of PAC enjoyed fine food and wine, while being entertained by well known jazz group 'Chad Romero's Cabernet Cabaret'. The Headmaster spoke of Neil Smart's affiliation with Prince Alfred College, and Vice-President of the Foundation, Ben Tidswell, invited those present to continue their support for the Foundation's Master Plan campaign. Tours of the inspiring new classrooms were conducted by prefects, and the school jazz group displayed their wonderful musical skills as guests arrived.

A great effort by Hugo, Martins and Breda Lidums in the City Bay Fun Run

Andrew and Richard Thomson relax following the City Bay Fun Run

Board member Stephen Noble opened his home to Year 11 parents to promote the Campaign. Parents heard about developments at the school and enjoyed the generous hospitality of their hosts. The evening was also an opportunity for families who have their children in the same class to meet each other, and was very much enjoyed by those present.

Senator Grant Chapman, accompanied by the Headmaster and President of the Foundation, generously offered the opportunity for a small group to enjoy dinner at Parliament House in April. Guests were able to enjoy the unique experience of dining at Parliament House, and to hear of the exciting plans for the school over the next few years.

Paul Teisseire, Senator Grant Chapman and Harry Perks each invited members of the PAC community to join them for

Krishna and Guru Moorthy congratulate each other at the finishing line of the City Bay Fun Run

Emma Tidmarsh congratulates her son Harry on coming second in his City Bay age group

lunch in the Ashton Room during the course of the year. Tours of the new building works preceded lunch and guests were amazed at the exciting and impressive developments at the school.

Team Princes celebrates its participation in the City Bay

Twenty four new members have been welcomed to the Foundation in 2006 as a result of pledges that qualify for membership. Three existing members, Colin Dunsford and David and Jennifer Hallett, have advanced their membership to the level of Trustee, while member John Uhrig has upgraded to the level of Fellow.

Ray Michell is welcomed as a member of the Foundation by Phil Speakman

Harry Perks (C) congratulates Richard Bosie and Susan Cameron on their membership of the Foundation

Foundation Report

The 2006 Annual Giving campaign, *A Gateway to Learning*, focussed on the new Library/Resource Centre and the response

Judy Cant, Jim Moffatt, Rosemary Michell and Rev Cant admire the Neil Smart Memorial Building with Prefect Alexander Michell

has been very pleasing with more than \$51,000 received. The Foundation greatly appreciates the support of Old Reds who assist the campaign by signing appeal letters to the men of their year group.

The Foundation Business Lunch has enjoyed continued popularity with two sell out events. Sponsors who have supported the lunches this year are William Burton Architects, Hender Consulting, Trims, The Marise Restaurant, The Queen's Head Hotel, Tidswell Wines and the Treasury on King William. At the May lunch Trish Broadbridge, Young Australian of the Year, gave an emotional and heart-warming talk of the death of her husband Troy, and the sequence of life changing events that has happened to her since that time. Terry Jenner was the special guest in November and he entertained the audience with a collection of cricketing stories. Matt Benson was fabulous as the MC at both events and we are very grateful for his support.

Two editions of the recently launched Foundation Newsletter were produced and have been well received. This newsletter keeps members informed of the activities of the Foundation, and is a vehicle to promote our sponsors.

Founders' Day was celebrated at a school assembly on Monday 11 September. Sixteen Old Scholars were

Don Brebner, Lawrie Hoad and Jim Moffatt catch up at Vintage Reds

honoured with inclusion in Our Princes Men Gallery in the fields of Medicine, Philanthropy, Science and Princes Legends. David Cornish spent many hours researching and designing the new panels which will be on display in the Headmaster's waiting room.

The Foundation continues to promote bequests as an important method of supporting the future needs of Prince Alfred College. Membership of the T.G. Waterhouse Society is the Foundation's and School's way of thanking donors during their lifetime.

The Grandies' Club also enjoyed a program of events during the year which included a morning tea during the Parents' and Friends' Art Show and a trip to Scotts Creek. A Christmas lunch was held at the school in November.

The Year 8 Grandies' Day and the K-7 Grandies' Day again proved to be very popular with more than 700 grandparents and friends visiting the school. Excited students took great delight in showing their special guests around the school and the rich talent of these students was on display in concerts during the morning.

Heather McBride, Burt Admiraal and Di Murray enjoy the cocktail party opening of the Neil Smart Memorial Building

Development staff have managed the social activities of the PAOCA. Old Scholars' Week and the Annual Dinner were especially busy events. The Vintage Reds luncheon for old reds aged sixty years and over was held on Wednesday 18 October at the school with 254 Vintage Reds enjoying the guest speaker, Mr Don Candy (PAC 1942-46).

The Reunion program brings old scholars back to the school and provides an opportunity for them to appreciate the changes since their school days. Reunions have been held for old scholars who attended PAC Fifty, Forty, Thirty and Twenty years ago. An informal gathering of the 1996 school leavers was held on the Saturday following the Annual Dinner at an Old Scholars' football game.

Cirque des Rouges came to the Pavilion at Adelaide Oval on Saturday 28 October

with a spectacular night of entertainment, along with fine food and wine. More than 370 people were greeted by a carnival atmosphere with roving circus performers and a stunning big tent. Neuvo Circo dazzled the large crowd with their array of circus acts and people danced the night away to the music of Lucifer's Lounge.

Peter and Sharee Siebels at Cirque des Rouges

Circus goers were tempted by the huge array of auction items and approximately \$55 000 was raised thanks to the frenzied and competitive bidding by those attending. The Prince Alfred College Foundation and School are very grateful to the large number of donors who generously gave items for the auction.

Westpac Banking Corporation proudly sponsored Cirque des Rouges and were supported by Tidswell Wines who generously supplied the fabulous wine for the evening while Petaluma Australia provided Croser champagne. All of the printing including the invitation and superb catalogue, was donated by Peacock Publications and we thank them for their wonderful support of Prince Alfred College.

The winning ticket of the inaugural Reds in the Black School Fee lottery was drawn at Cirque des Rouges on Saturday 28 October much to the delight of Sharon and Robert Dell who took away the \$15,000 first prize. A \$15,000 travel package was one of the options for first prize and we would like to thank Travelworld, Topham Mall for their support of the Lottery.

Thank you to all members of the Princes community for your fantastic support.

Grant Davis, Director of Development

Reds in the Black Lottery winners Sharon and Robert Dell shortly before the draw at Cirque des Rouges

Parents and Friends' Report

The Parents and Friends' year started in February with the committee hosting the gathering for new parents in the Prince Philip Theatre. This is a great way for parents new to the school to be welcomed into our community while also giving them an opportunity to meet with others in a relaxed and casual atmosphere. Again this was followed a few weeks later by our fourth Princes Contemporary Art Show which was an unparalleled success. We sold a record amount of art and had great support from school families with the art show raffle. The new venue of the hall was a huge success and the art show has now become a major, and extremely successful, event not only within the school but also in the arts community.

Our AGM in March was a casual meeting, with the guest speaker being the new Director of Sport, Mr Mark Dell'Oro. Those parents in attendance enjoyed listening to Mark's presentation on possible directions for sport in the future at Princes. We also thanked our retiring Treasurer, Peter Crouch, who had served in that position for six years.

A very successful film evening was held late in May at the Chelsea Theatre. The large crowd who turned up were served with champagne and nibbles before seeing the popular movie *The Da Vinci Code*. Funds are also raised from the sale of memorabilia and used uniforms at

David and Margaret Payne with Frank Cornish at the Grandies viewing of the Princes Art Show

Princes Parade. The second-hand book sale held each December, while raising funds, is a valuable service to parents as well as aiding children in third world countries who receive all books out of date or unsuitable for sale through Pacific World Aid.

Through our fundraising efforts we have been able to donate a considerable amount of money to the school this year which has again been used to purchase a wide range of items for the school. These include new computers for the Design Department, new lockers, four marquees, resources for the teaching of road safety, electronic whiteboards, microwaves, ovens and café tables and chairs. In a historic move late last year the Parents and Friends' Association voted to become a member of the Prince Alfred College Foundation with a certificate of membership being presented at one of the Foundation's Business lunches. We are proud to support the school by contributing in this variety of ways.

Providing functions to enable parents to meet and mix is as important as fundraising. We encourage parents to get together at year level lunches or evenings as well as attending our larger events to not only mix with those parents in the wider school community but to also support our tireless committee who work so hard to provide extra facilities for the boys.

I would like to thank to all committee members for their hard work and I especially thank Di Pemberton, Narelle Humphray and Vanessa Clarkson for their continual support and encouragement. I would also like to express my appreciation to our Headmaster, Mr Kevin Tutt, Mrs Margaret Gleaves and the Foundation for their interest and support in all of our endeavours.

128th Annual Report

It has been an honour to serve as President of the Prince Alfred Old Collegians' Association and I hereby present the 128th Annual Report.

The 128th Annual General Meeting was held on Thursday 16 November 2006 at which a number of new appointments were made. Stephen Silver was an unfortunate resignation from the Committee due to work commitments, and I thank him for his efforts on the Committee and in representing Old Scholars Soccer.

We welcome two new members to the Committee for the coming year, Aaron Puvu and Mark Roma.

I would like to acknowledge the efforts of all members of the Committee over the course of my Presidency for their support of the Association. Of the 11 meetings held, the attendances were as follows:

P Brooks	7
A Clarkson	9
P Crouch	9
R Hall	9
F Hamood	8
S Heylen	8
R Hockney	4
W Legrand	6
S Miller	9
C Moffat	10
D Olsson	8
D Paterson	9
T Siegele	8
S Silver	4
G Stirling	6
K Tutt	10
A Walker	6
A Williams	6
R Wilson	9
P Wise	4
P Bacciarelli	2 by invitation
G Davis	10 by invitation

I would especially like to thank the members of the Executive Committee, Peter Brooks, Rex Wilson, Andrew Clarkson, Trevor Siegele and Peter Crouch, for their invaluable support throughout the year. While the President is often the face of the Association at meetings and events, he always has a strong support team and I appreciate the contributions

PAOCA Committee 2006

Back Row L to R: Fred Hamood, Stephen Silver, Doug Paterson, Craig Moffat
 Middle Row L to R: Peter Crouch, Rob Hall, Kevin Tutt (Headmaster), Grant Davis, Wesley Legrand
 Front Row L to R: Andrew Clarkson, Rex Wilson, Simon Miller (President), Trevor Siegele
 Absent: Peter Bacciarelli (College Council), Peter Brooks, Sean Heylen, Richard Hockney, David Olsson, Greg Stirling, Alistair Walker, Andrew Williams, Philip Wise

they have made. I would also like to acknowledge two Past Presidents, Fred Hamood and Sean Heylen, who have offered many wise words during the year.

As always, the Development Office at the School works feverishly behind the scenes for so many Association events, and the smooth running of these functions can be largely attributed to their efficiency and preparation in the build up. Thank you to Grant Davis, David Cornish and Marg Giddings for their efforts throughout the year, it is always appreciated by the Old Scholars.

And as the Patron of the Association, it has been a pleasure to work closely with Kevin Tutt again this year. His enthusiasm towards the School is limitless, and with his busy schedule the Association is grateful for the time he takes to attend so many of the Association's meetings and events. The School is in good hands.

Finance and Sponsors

The Association is in a strong financial position due to careful management of its resources and the life membership funds under its control. Special thanks go to Trevor Siegele, Treasurer of the Association, who is retiring after 18 years of service to the Committee. Trevor's efforts over this time have taken the Association to the excellent position it is in today, and we will be eternally grateful for providing for the future of the Association and the School.

Of course this is one of the major roles of the Association, to support the School. Sizeable donations have been committed in recent years, and the Committee has enjoyed the opportunities arising out of the Fricker Sports Science Centre project. The Men's Health Group, set up to provide Old Scholars of all ages the chance to utilise the facility, has gone from strength to strength.

The contributions to the School through the Strategic Plan have been put to good use, and this year has seen elements of the Plan taking shape through the opening of the Neil Smart Memorial Building and re-opening of the Colton Wing.

The success of events such as the Annual Dinner would not be possible without the continuing support of our sponsors, and I wish to thank the following organisations:

- Alfred James & Sons
- Bentley's MRI Chartered Accountants
- Custom Press
- Euro Cars
- Hamood's Plonk
- Internode
- O'Leary Walker Wines
- Tapestry Wines McLaren Vale
- Baker Young Stockbrokers
- Coopers Brewery
- Deadline Media
- Fielders Steel Roofing
- Hender Consulting
- MGA Insurance Brokers
- The Queen's Head Hotel
- Trims

128th Annual Report

Activities

What a year it's been to serve as President of the Association. It was of course a very busy year, with numerous events and a great deal of travel, but has given me the opportunity to meet lots of Old Reds throughout the countryside and interstate. The 2006 calendar held a variety of enjoyable events, beginning with the formality of the school Speech Night, and ending with a late night game of billiards on a 130 year-old pool table at Martindale Hall.

As well as the regional dinner in Clare, the Old Scholars' Roadshow has travelled to Maitland, Naracoorte, Pt Lincoln, Pinnaroo, Victor Harbor and Jamestown. Interstate functions have been held in and Canberra, Sydney, Melbourne, Darwin, Brisbane and Perth, with a dinner also held in London.

I have thoroughly enjoyed the opportunity to attend the regional dinners and interstate dinners, and made it to all but one regional and three of the six interstate. As well as being a good night or weekend away, they are an excellent opportunity to meet and catch up with Old Reds and their partners in a relaxed setting, and with the distances involved with some, I know that our attendance with news of the School and Association is appreciated. I would like to thank all of the local conveners for their tireless efforts in organising these events.

One of the highlights of the year was undoubtedly the Old Old Boys' Assembly, with 189 attending, including 35 'youngsters' attending for the first time. It was a reminder of why there are so many events to cater for Old Reds of all ages and in all locations — to promote the bond that makes 90 year-old men come back every year for such an event.

The Annual Dinner was another great success, with 650 attending at the Convention Centre at the end of July, certainly a record in recent years. Our guest speaker, former Test cricketer Mr Kerry O'Keefe, was a great drawcard, and Kerry lived up to expectations on the night, providing a very humorous account of his career and his life after cricket. Of special note was that the attendance included around 100 Old Reds who had left within the last 5 years. Many of these younger Old Reds are members of the

Men's Health Group and have maintained more of a connection with the Association and the School because of this. May this trend continue.

As always, this year's reunions were fun occasions, beginning with the 50 Year Reunion for the Class of 56, with 40, 30 and 20 year reunions held as the year went on. These have been very well attended throughout the year, a credit to the organising committees who have chased Reds across the globe for these special occasions. In addition, the Vintage Reds was held in the Assembly Hall again nearly to its capacity.

On the sporting front unfortunately Saints had the better of us this year. Losing the basketball A & B trophies on the Monday night was personally disappointing and reminded me how much we wanted to win all of the events. Of course there was also the disappointment of the narrow defeat in the Joint Committee Wine Tasting. The competition against Saints has of course been enjoyed by all, as have the events between the respective Committees.

I would like to thank the management committees and all those involved with the Sporting Clubs and the contributions they make. The Clubs are the most obvious way that Old Scholars remain involved in the Association's activities and the greater School community on a regular basis. I wish all of the Clubs every success for the current and upcoming seasons.

During this year, the Association has also begun some important long term initiatives, including the Regional Dinner Working Party and the work to recognise

the contributions of Past Masters. Looking further ahead, preparations are well under way by the Committee and the School for the London Dinner Centenary in October 2007, and I'm sure that will be a fantastic event in the history of the Association.

Conclusion

I would like to reiterate my thanks to all who have served the Association and its members this year. Your contributions are appreciated and I would encourage all Old Reds to further the interests of the Association and the School in any way they can. We are all proud of the School and we should continue to use this the special bond to uphold its values and traditions for years to come.

This is a fantastic organisation and it has been an honour and a privilege to serve as the President. While it has been one of the busiest years of my life, it has also been one of the most rewarding, having been involved in so many great events and meeting Old Reds.

And of course I couldn't have made it through this year without the help and support of my wife Nici, who has sat through many of my speeches and listened to more bad jokes than anyone should have to in a 12 month period. I distinctly remember travelling to Victor Harbor for the dinner on St Patrick's Day, and testing out all the Irish jokes I could think of at the time to find the 'best' to include in my speech.

I wish Rex Wilson all the very best for his year in the head role. I know he will make an excellent President.

Simon Miller, President 2005-06

Chris Chapman, Andrew Leopold, Simon Cowham, David Venning and Matthew Dunn remember their final year at Princes in 1986

Our President 2007

Rex Wilson, a second generation Old Red, attended PAC from 1960 to 1966 and his son, Michael the third generation, left Princes in the year 2000.

Rex remembers vividly the first time he went with his father for an interview to the Prince Alfred College Preparatory School in the summer of 1960. Father and son were met by a tall man with hair as black and shiny as a lawn beetle who wore tortoise shell rimmed glasses and had a huge warm smile along with his laugh. It was none other than the Reverend Kyle Waters. Rex started that year in Grade 6 and was passionate about football and Latin while he was in the Prep School.

In the Senior School at Princes, Rex describes himself scholastically as somewhat 'south of average,' however he had a wonderful all round education at Princes for six years and has made many life long school friends. In 1972 Rex was approached by David Hassell to fill in for David's Old Scholars' Squash side, which for Rex, was the beginning of a long association with the Prince Alfred Old Collegians' Squash Club, playing over 600 games for the Club from 1973 until 2001. Rex, a Life Member of the Club, is still very much involved as Secretary and Treasurer of PAOCSC.

Rex was invited by Dr John Bundy to join the Old Scholars' Committee in 1973 and remained on the Committee for fourteen years before rejoining as a casual vacancy in 2003.

Rex is Real Estate Manager of HomeStart Finance in Adelaide and has spent most of his working life in the Industry with many years as a Buying Agent for the South Australian Housing Trust and as a Selling Agent. In 1998 Rex decided to become an Auctioneer and won a Golden Gavel Zone after only completing four auctions. He then went on to become a finalist in the Golden Gavel State Finals in 2003 and a Corporate Auctioneer.

Rex is married to Cathie, an avid educationalist, and they have two children, Michael who is working with stud cattle and sheep in the South East and Anna who is completing a degree in nursing.

President's Message

In the 129th year of the Prince Alfred Old Collegians' Association it is indeed a great privilege and honour to be elected as your President for the year.

I look forward to meeting many of you during 2007 at the New Old Boys' Get Together, sporting functions, Reunions regional and interstate dinners and of course the events during Old Scholars' Week including for me two very special events, the Old Old Boys' Assembly and the Annual Dinner.

In the first week of October 2007 the Headmaster, Mr Kevin Tutt and I are travelling to the UK to attend the London Centenary Dinner, and we would be delighted if those of you contemplating travelling to Europe at that time could join us on this very special occasion. We will be contacting and inviting Old Reds living in the UK, Canada, the United States and Europe to attend this special celebration.

As in past years, the Association continues to be administered by a dedicated, hard working management committee, made up of members with a wide range of vocations, interests, age and experience, and I take this opportunity to thank them for their excellent work throughout 2005-06.

This year Stephen Silver, Chairman of the Soccer Club, is leaving the management committee and I thank Stephen for the valuable contribution he has given to the Association over the years.

Trevor Siegele, our most experienced management committee member, has also decided to retire from the committee. Trevor has been a continuous committee member since 1983 and Treasurer of the Association since 1990. A truly remarkable effort. Not only will we miss Trevor's wisdom and humour but also his wife Colleen, who has accompanied Trevor on numerous occasions to Old Scholars' functions over the years.

I also take this opportunity to thank our Immediate Past President, Simon Miller for his outstanding contribution to the Association during his term as President in 2005-6. Simon will be taking over the

Rex Wilson (PAC 1960-1966) PAOCA President 2007

reins as Treasurer from 2007. I am very pleased to welcome Aaron Puvi and Mark Roma to our committee in 2007, and it is my intention to recruit several more young Old Reds to our committee during the year.

This year I very much look forward to working with the Headmaster, Mr Kevin Tutt who is an extremely enthusiastic Patron of our Association, and I thank Kevin for his ongoing support.

The Old Scholars' Association is also fortunate to gain enormous support from the Development Office in Grant Davis, David Cornish and Marg Giddings, and I look forward to working with them over the next twelve months.

The physical nature of Prince Alfred College has change dramatically recently, and will continue to do so during 2007, as a result of the school's innovative Master Plan. Throughout the year opportunities arise for Old Reds to come and see these exciting developments, and I encourage you to check for dates to visit the school in the Princes Record and on the PAOCA website.

Once again I thank our Association and its members for the opportunity to serve as President in 2007.

Rex Wilson, PAOC President 2007

Lodge and Community

New Old Scholars' Get Together

The traditional 'New Old Boys Get Together' is one of the earliest events on the Old Scholars' calendar, with PAOCA welcoming the school leavers as members of the Association. The event introduces the committee members and sporting club representatives to the newest Old Reds, and in return the Association discusses many of the events during the year.

New Old Reds James Katsaros, Blake Sanders and Hamish Toop get together at the Astor Hotel for the New Old Boys' evening

As the Headmaster no longer lives on School grounds, the event was moved off-campus for the first time in many years. The upstairs bar at the Astor Hotel proved an excellent location for the event, and the Association is grateful to Marcus Bernardi and his staff for their efforts.

As always, the event was well attended, with 80 boys gathering with the Old Scholars' Sporting Club representatives.

PAOCA President Simon Miller presents Patrick Sadlier with his school leavers' tie at the New Old Boys' get together

The new old scholars were welcomed by the President of the Association, Simon Miller, who congratulated the group on their achievements. The President also spoke of the interaction between the school and the Old Collegians' Association and encouraged all boys to consider the benefits of becoming involved in

the Association. Each school leaver was presented with a tie designed by their peers, as a memento of their move from the School into the wider Princes community.

Simon Miller, PAOCA President

Lodge

Prince Alfred Collegians' Lodge anticipates a pleasurable and rewarding Centenary Year in 2007. It is the oldest club associated with PAOCA. The Lodge was conceived to "provide another bond of union amongst scholars, while bringing into their lives the influence of Masonry with benefit to themselves".

The Lodge was consecrated in 1907 as a result of a discussion amongst a number of Freemasons at the Old Scholars' Annual Dinner. The Headmaster, Frederic Chapple, was the first initiate of the Lodge. Many prominent members of the School staff and the community have been members of our Lodge.

Reverend Kyle Waters achieved 50 years of membership of our Lodge in 2006. Kyle was the well-respected School Chaplain from 1955 to 1975.

Murray Olsson (PAC 1944–1946) was surprised by a 'This is your Life' evening this year. It recognised his substantial contribution to PAOCA, Freemasonry and the community. Murray was President of PAOCA in 1983 and 1996. He is one of only six men to serve two terms — four of these men were also Brethren of our Lodge: WR Bayly, NA Webb, WD Taylor and AAL Rowley.

The Annual Lodge Scholarship was awarded to an outstanding Year 10 student, Tom Gleeson-Hammerton. This continues a long history which commenced in 1910 when our Lodge provided two scholarships to the School. The second John Olsson Freemasons Memorial Scholarship, which is awarded to a country boy to board at the School for Years 11 and 12, was awarded to Nathan Daniel from Kulpara.

The Small Talk Competition for Year 7 students was strongly contested and the winner's medal was awarded to Thomas Johns.

Our other charitable efforts have continued through contributions to the Masonic Foundation, which undertook many projects, including 15 firefighting tanks on Eyre Peninsula, Foodbank SA which supplies food to families in crisis, Daffodil Day for funding cancer research, Freemasons Research Centre for Men's Health, and the rebuilding of an orphanage and youth vocational training centre in Sri Lanka.

Our newest member, Jason Bazzica (PAC 1983–1990) was passed to the Second Degree at our Lodge meeting held in the Prince Philip Theatre during Old Boys' Week. Eighteen Old Boys from other Lodges also attended, with many playing roles in the ceremony. Lodges represented were Port Lincoln, Pentalpha, Union, Fraternity, Duke of Edinburgh, Thespian, Henley, Penola, St John and Naracoorte.

Tom Gleeson-Hammerton receives the Lodge Scholarship from the Master, WBro Stuart Hill

Tim Boucaut, Lachlan Bartlett and Ryan Winter catch up at the New Old Boys' party

Worshipful Brother John Coker (PAC 1968–1974) was installed as Master of the Lodge in October 2006.

We ask you to consider joining our Lodge for the fellowship and to discover the secrets and mysteries of Freemasonry. Our Lodge welcomes all members of the Princes family — old scholars, staff, fathers and grandfathers of past or present students of the School. Initial enquiries can be made to Ian Wride on 8398 0938.

Stuart Hill (PAC 1969–1973)

Old Scholars' Week

Annual Dinner

The 2006 Annual Dinner was held on Friday 28 July 2006 at the Adelaide Convention Centre. The dinner capped off another great Old Scholars' Week, full of important events like the Annual Service and Old Old Boys' Assembly, as well as the sporting contests between Princes and Saints.

A crowd of 650 Old Reds attended this year, certainly a record in recent dinners. The Old Scholars were welcomed by the Junior Vice-President, Andrew Clarkson, in his role as Master of Ceremonies, before the Rev Trevor Klar said Grace.

The President of the PAOCA, Simon Miller, reported on the activities of the Association and the many events for Old Reds, also noting the results sporting events during the year against Saints. Simon also welcomed a number of former staff members attending the dinner: David Prest, Geoff Bean, Alan Dennis, Milton Haseloff, Brian Webber, Bern Basedow, Graham Coldwell, Colin Crouch, Malcolm Gray, Neil Jackson, Ian Penny and Adrian Brown.

The Headmaster, Kevin Tutt, gave an update on the School's Strategic Plan and the recent building developments. As well as providing an insight into "A Day in the Life of Prince Alfred College", the Headmaster also noted many of the recent achievements of the school and its students.

This year's guest speaker was eagerly anticipated, with former Test cricketer and current commentator Mr Kerry O'Keeffe proving a great drawcard. Kerry lived up to expectations on the night, providing a very humorous account of his career and his life after cricket. The world-famous chuckle made several appearances during the night, and Kerry stayed well into the evening to chat to Old Reds of all ages and hear his thoughts on the upcoming Ashes series.

Of special note was the attendance of around 100 Old Reds who had left within the last 5 years. Many of these younger Old Reds are members of the Men's Health Group and have maintained more of a connection with the Association

Official party and PAOCA sponsors at the annual dinner.

Back Row L to R: Sean Heylen, Rex Wilson, Trevor Siegele, Harry Perks, Wesley Legrand, Andrew Clarkson, Grant Harris, Sam Pontifex, Andrew Reed, Peter Brooks, Paul Turnbull, Fred Hamood, Peter Crouch.

Front Row L to R: Graham James, Kevin Tutt, Kerry O'Keeffe, Simon Miller, Bruce Spangler

and the School because of this facility. I hope that this is a trend that will continue in the coming years.

Overall, the night was a huge success, with many a tale told during the night, by both Kerry and many of the Old Scholars attending.

Simon Miller, PAOCA President 2005-06

PAOCA Service

The 102nd PAOCA Annual Service was held in the Eric Freak Memorial Chapel during Old Scholars' Week. The service was conducted by the school chaplain, the Rev Trevor Klar, and was attended by Old Reds and guests.

The guest speaker was the Rev Peter Linn (PAC 1968-1973), who is the Regional Officer, South Australia and the Northern Territory, for the Bush Church Aid Society. Peter, whose enthusiasm for his role was infectious, spoke of the work the Society does in outback areas across Australia, meeting a range of needs in remote locations. The offering from the service was donated to the Bush Church Aid Society to assist them with their mission.

Badminton

The 2006 contest held on 25 July at the Prince Alfred College sports centre saw Princes win the match 9 rubbers, 18 games, 301 points to 0 rubbers, 2 games 132 points, and retain their undefeated record of 33 consecutive wins for the John Bunday trophy.

The team of Andrew Surman, Tim Chong, Meng Ling, Chong Tsang, Chen Tu, Michael Stankiewicz and David Olsson (manager), were able to combine well against the SPOC team and win comfortably in the doubles and singles.

The team results were:

Mens Singles

- 1st Surman defeated Foo 15/4; 15/3
- 2nd Chong defeated Yii 15/1; 15/5
- 3rd Ling defeated Khoo 12/15; 15/3, 15/7
- 4th Tsang defeated Lo 15/11; 15/17, 15/2
- 5th Tu defeated Lim 17/16, 15/2
- 6th Stankiewicz defeated Kho 15/2, 15/4

Mens Doubles

- 1st Surman & Tsang defeated Foo & Khoo 15/4, 17/14

PAOCA President Simon Miller welcomes the guest speaker Kerry O'Keeffe to the annual dinner

Old Scholars' Week

2nd Ling & Chong defeated Yii & Lo 15/2; 15/6

3rd Stankiewicz & Tu defeated Lim & Koh 15/10; 15/4

At the conclusion of the contest Mr Chris Roe, SPOC Executive Officer, presented the Bunday Cup to the winning PAOC Captain, Andrew Surman.

The President of the PAOC Association, Mr Simon Miller, thanked all the participants and guests for their attendance and contribution to the success of the evening.

David Olsson

Chess

The Public Schools' Club once again hosted the 'Intellectual Intercol', with healthy numbers of 10 maintained for Chess and whilst Bridge enjoyed an increase in numbers to 6 pairs — creating the very real and horrid possibility of actually having to tally up the individual scores as occurred in the infamous 2003 clash!

PAOC's determination to reclaim the Chess Trophy that had traditionally been forever in its grasp was apparent with the gathering of a high-quality team despite a couple of key absentees. The contest was relatively even all night and with the score balanced at 4-4, courageous late wins to the Michael's — Hihimanis and Peake — sealed a memorable 6-4 victory for the Old Reds. Other winners on the night were Andrew Saint, Michael Hoff and Peter Hill, whilst Peter Mathews and Anthony Nguyen earned valuable draws.

Basketball

PAOCBC went into the Intercol matches v Saints with a more than realistic chance of taking all 3 games.

The C's played an excellent game and made their shots when it counted. In a tough game they won by 6. Mike Tye and Tom Lunn were excellent for the Reds in retaining the Trim Trophy.

The B's were missing one of their main scoring threats and with Saints' usual tactics of stacking their team with A's bench players, the boys were outmatched on the night. Simon Miller played a magnificent solo effort on offence and Phil Motteram and Ben Foran worked hard to keep the B's in the game but it

The winning PAOC team: L to R: Tim Chong, Meng Ling, Andrew Surman, Michael Stankiewicz, Chong Tsang and Chen Tu

was all too much. At the end of the day, Saints played well and the Reds played poorly, going down by 19.

The A's had a disappointing game. They only scored 6 points in the first half and were pushing up hill for the entire second half. Much like in the B's game, Saints' played out of their skins and were just too good on the night. This game was not a true reflection of the A's team, this was a 1 in 10 game. Nic Blair did all he could to try and keep the boys in it but it was too much for one player to take on.

We'll get 'em next year ... guaranteed!

The Club trains on Tuesday evenings between March and September from approximately 6.30pm to 8.00pm at the School gym. There are teams playing on Saturday, Monday, Wednesday and Thursday in the winter season and currently on Monday and Thursday (at MARS) over the summer season. Any Old

Scholars interested in playing for the Club can attend training or contact any one of the following for more details:

Club President Ben Palk on 0405 249 794, 8112 0753 (work) or benpalk@yahoo.com

Club Treasurer Simon Miller on 0412 853 633, 8211 7800 (work) or smiller@ppbsa.com.au

Club Chairman Sean Heylen on 0419 809 929, or sean@deadline.net.au

Club Secretary Andrew Williams on 8235 7775 (work) or Andrew.Williams@finlaysons.com.au

Ben Palk, President

Bridge

The Bridge room seemed overly crowded this year — a wonderful sight indeed — as these very experienced campaigners settled in for the night with their

Catching up at the 30 Year Reunion are: Back Row L to R: Chris Limmer, David Mitchell, Denby Steel and Andrew Stevens. Front Row L to R: Graham Bean, Murray Vogt, Greig Graham

Old Scholars' Week

wineskins. Unfortunately the Old Reds must have consumed a bit too much, as Saints dominated proceedings to record a comprehensive 5 — 1 victory! Special mention to the McKenzie brothers — Don and Jamie — whose reputation alone obviously scared their SPOC opponents into staying home, giving Princes our solitary win on forfeit.

Thanks again to the Public Schools' Club for their continued hospitality, and as usual our gratitude is expressed to PAOC Chess Captain, Michael Hihimanis for his leadership. We also appreciate the Chess Sets and Clocks provided by Board 1 Andrew Saint, and the support of PAOC Secretary, Peter Crouch in his attendance.

Wesley Legrand

Hockey

On the Monday night of old scholars' Week (24th of July), the Old Scholars' Hockey Intercollegiate match was contested on the PAC hockey pitch. Princes' performance was slightly disappointing since we had many chances to put more goals on the board while Saints enjoyed a couple of lucky goals. The end score was a 2-4 loss. The game as always was played with great spirit and sportsmanship.

Squash

This year four Old Blues and four Old Reds all under 25 years of age competed in the Annual Squash Tournament on Tuesday 25 July. While the Old Reds won the event for the 39th year in succession 4 rubbers to 9, there were some very close games contested.

Bob (left) and Geoff Piper with their grandsons David Piper and Michael Amos at Old Old Boys

The individual results were:

PAOC	SPOC		
Tim Angel	3 games	27 points	
Trent Burge	9 games	14 points	
Anthony Sallis	3 games	27 points	
Andy Delmont	0 games	8 points	
Tom West	3 games	28 points	
Rehn Papillon	0 games	18 points	
Aaron Garry	3 games	29 points	
Chris Plummer	1 game	30 points	

SPOC convener — Phil Plummer
 PAOCA convener — Rex Wilson

Joint Committee Dinner

A mix of 30 Reds and Blues came together for the traditional Joint Committee Dinner in the middle of Old Scholars' Week. With alternate hosting duties, this year it was Saints choice

and the newly opened XO Supper Club was the nominated venue. This event has become a feature of the Week, with strong representation from both Committees and Schools plus both Kevin Tutt and Phillip Grutzner attending.

A new trend in dining, the XO experience gave the committee men the chance to sample a number of options across the menu with a tapas style evening. With customary welcomes and best wishes by the Chairman of SPOC, Mark Balnaves, and President of PAOCA, Simon Miller, it was down to business with the Wine Tasting.

The unofficial Old Scholars' Week contest, the Joint Committee Wine Tasting, has been a fierce contest in recent years, with alliances formed in the battle for ultimate glory. With Fred Hamood choosing a couple of the more obscure white varieties to go with the Reds chosen by Saints, there were some (very) mixed results.

In another closely fought event, Saints proved the winner on home ground by a 'short cork'. Until next year.

Simon Miller

Old Old Boys' Assembly

One hundred and ninety old scholars who commenced at PAC in 1946 or before were present at the Old Old Boys' Assembly at the School on Friday 28 July, 2006 at 10.30am.

The Old Old Scholars and the President and committee of the PAOCA who attended, were welcomed by the Headmaster, Mr Kevin Tutt.

Don Jorgensen and John Bunday discuss developments at Princes with Kevin Tutt at Vintage Reds

Old Scholars' Week

The President, Mr Simon Miller, spoke to the assembly and welcomed those present.

Apologies were read by the Head of the Secondary School, Mrs Cynthia May and included:

Branch Reports

Brisbane

The 23rd annual PAOC Dinner was held at the Brisbane Club with 15 attendees on Friday 8 September 2006. It was an honour and a privilege to welcome the Headmaster to our ranks, and his discussion with 'Dinner Stalwart' Ralph Parsons on the simplicity of nuclear physics was a total mystery to most.

Unfortunately once again, there was a clash with Bond University holidays which will NOT happen next year.

The evening was relaxed and enjoyed by all, and the Brisbane Club and staff are to be congratulated for the excellent venue and presentation of fine food. Most scholars delayed their departure and joined in reminiscences of school days and deeds.

We were all very sad at the unexpected passing of Dean Trowse who for many years had undertaken the role of Dinner Convener. A keen cricketer and golfer, he will be missed by all in the Queensland Branch and also we remembered John Lang who passed away in March this year.

Rob Jeffery, Dinner Convener

Canberra

An equal number of Old Reds and Old Blues were joined by their partners for the combined dinner at the Commonwealth Club on Friday 12 May 2006.

It was the turn of St Peter's to chair the dinner and Old Blue Chris Peters welcomed guests, with a special welcome to the PAOCA President Simon Miller, and representatives of Saint's who had travelled from Adelaide for the evening.

David Cornish spoke of the significant redevelopment of the school campus and the excellent standard of student leadership in the school. He also tendered the Headmaster's apology, advising the real reason for his absence was his participation that morning in the Preparatory School's Shave for a Cure! The dinner also heard that the long standing Princes convener Brougham Clarke and his wife Di are enjoying their new life in sunny Cairns.

PAOCA President Simon Miller gave an

Grantley Sims, Don McKenzie and David Hassell were amongst the 254 guests at Vintage Reds

David Bishop, Ian Wallace, Bruce Scott and Ivan Morris enjoy one another's company at Vintage Reds

overview of association activities, and expressed his delight in being able to attend the dinner in the national capital, his first visit to Canberra.

John Irvine has kindly agreed to convene the 2007 Canberra dinner, and his contact details can be found at the front of the Old Scholars' section.

London

This year 18 Old Reds gathered at an historic old pub called "The Lamb" in Holborn, very near where a few more Old Reds had gathered some 99 years ago at the first London Branch old dinner. Coincidentally, the main course was roast lamb! The wine consumed was all from SA, but unfortunately the beer wasn't.

Doug Charlton was in the Chair and kept the proceedings flowing well throughout the evening and ensured everyone had a good time. He reminded all that David Cornish was working hard on the history of the London Branch and suggested all speak to dads, uncles, and grandparents to see what historical items could be unearthed for the history and feed these back to David at the school.

The 100th anniversary dinner will be held next year on Saturday, 6 October 2007 and there is a great deal of enthusiasm and determination to get 100 Old Reds along to celebrate the event in style. The London group are looking at various options to show all a good time — e.g. Eric Turner is investigating a possible private view at the V&A Museum; other suggestions are a theatre night, clay pigeon shoot, archery, or golf.

Doug reported the sad news that Tom Holland had died. Tom had been a very energetic convener of the London branch for a number of years. David Cornish had represented the branch at Tom's funeral in Canberra and is in close contact with his family.

Anthony Antoniadis, in the UK on his gap year, proposed the Toast to the School and his warm anecdotal remarks about the school were well received.

Eric responded to the Toast and pointed out that, although the branch is 12,500 miles away from the school, there are very close bonds. Last year when there were several explosions on the London underground, the Headmaster had immediately contacted

Old Reds present at the 2006 London dinner: Ed Brockhoff, James Dalwood, Simon Allport, Anthony Antoniadis, George Schinckel, Andrew Hough, Dougal Hislop, Henry Lawton, David Schultz, John Lithgow, Ian Kneebone, Eric Turner, Leigh Schelvis, Ian McLean, Patrick Parsons, Stuart Roach. Doug Charlton was present but is not in the photo

Branch Reports

us to ensure that all the Old Reds here were safe. Eric was in the "thick of" the explosion and gave the group a first hand account of his experiences on that fateful day. His anecdotes were also very well received.

David Gray

Melbourne

The 2006 dinner for the Melbourne branch of Prince Alfred Old Collegians was again held at the new RACV Club on Friday 1 September.

Forty five Old Reds gathered to again celebrate our shared past and to hear three excellent speakers:

Our first speaker was 2005 Rhodes Scholar and Old Red, Ryan Manuel. Ryan spoke of his journey through his formative school years and beyond, culminating in the awarding of his Rhodes Scholarship last year. What was apparent was Ryan's sense of enthusiasm and adventure in his scholarship as well as his extra curricular sporting and other pursuits, particularly in choosing to follow the paths less travelled.

Representing the Headmaster was Grant Nalder, Head of the Preparatory School, who updated the gathering with news of the school. Grant provided a series of photographs and a montage that highlighted the various achievements and activities of PAC boys and the School itself over recent times.

The only down-side to Grant's presentation was when we discovered that Western Australian-born Grant supports the Fremantle Dockers, but we elected to overlook this flaw, in an otherwise well-received and enthusiastic report of our school and of the current day issues and opportunities that exist.

1986 reunion guests at the Lion

Back Row L to R: David Pittman, Daniel Sinclair, Matt Evans, Matt Kidd

Middle Row L to R: Andrew Foote, Jimmy Larkin, Richard Young, Phil Rankine

Front Row L to R: Matt Woollard, Stuart Price, Andrew Muir

Old Scholars' President, Simon Miller, delivered an excellent update on Old Scholars news that provided us with sufficient ammunition with which to relate extremely well with our invited guest, Tony Lucas, President of the Melbourne branch of Saint Peter's Old Collegians.

Our sincere thanks to each of the speakers for their contribution to our evening, and to the following Reds for their support and assistance in organizing this year's event:

Andrew Allen	Gavin Coldwell
Nick Reade	Cameron McPherson

Melbourne Committee:

Ian Stacy	Ian McKay
Kim Gray	Peter Sobels

Perth

The Perth dinner was held on Friday 6 October at Savannah's Restaurant Observation City Hotel. Twenty old scholars and guests attended and everyone enjoyed the evening. The Head of the Preparatory School, Mr Grant Nalder attended and updated the audience on the exciting developments at their school.

The oldest old scholar present was Bill Tasker, the youngest Leigh Whicker, son of Leigh Whicker snr who played for the South Australian Football League.

Any old scholars living in Western Australia are encouraged to contact the dinner convener, Rick Davies on (08) 9445 8138 (w) for information about the 2007 dinner.

Sydney

On Friday 18 August the Old Reds returned to Sydney's Union Club for the Annual Dinner of the NSW Branch. After a couple of unfortunate late cancellations, numbers remained similar to last year at a little over 30. This year attendees sat around one long table, enabling a great deal more chatter across the room.

One of the highlights was to have three Mackie boys attending, all living in Sydney now and attending their first dinner and Graham Gann who was attending his first Old Scholars' function since leaving school 40 years ago.

President of the NSW Branch, David Greenslade, welcomed all those at the dinner and introduced the speakers for the evening.

Chris Harvey, as well as being the

Blacket boys Paul Elmslie, Scott Dolling, John Condous, Richard Moser, Alistair McLachlan and Tim Dibden share memories at their twenty year reunion

member of the Union Club enabling us all to be there, had further duties in proposing the Loyal Toast.

Nick Hocking proposed the Toast to the School and the Headmaster, Kevin Tutt, responded. Kevin spoke for a few minutes on many of the exciting developments within the school, particularly on the building front, and as always fielded many questions from the floor on school life.

President of the Association, Simon Miller, spoke briefly about the many elements of the Association and its activities in the past year. Simon also noted the events of Old Scholars' Week only a couple of weeks before and in particular the annual dinner with 650 hearing guest speaker, Kerry O'Keeffe. There was also a great deal of interest in the centenary of the London Dinner in October 2007.

The guest speaker for this year was Matthew Wiesner, General Manager Marketing of Volkswagen Australia Pty Ltd. Matthew made a fantastic presentation, covering some very fascinating elements of Volkswagen's brands across Europe and their production around the world. In covering everything from the VW Beetle to the Bugatti Veyron, Matthew was inundated with questions about VW by Reds of all ages, with everyone having some experiences in VW's (or one of the many other brands) over the years.

As always, the wine and conversation was free-flowing, leading to the inevitable gap between expectation and performance in the traditional snooker challenge downstairs. Nevertheless, the competition was fierce and provided a further chance to mix with other Reds during the night.

Thanks must go to David, Chris and Matthew for their contributions to another great Sydney dinner.

Simon Miller

Regional Reports

Eyre Peninsula — Pt Lincoln

Old Reds from across the great expanse of Eyre Peninsula gathered in Port Lincoln on 4 March for the Annual Dinner. With 3 choices for entrée and main and numerous for dessert, the Navigators Restaurant kept the 35 in attendance well fed, with some renowned Eyre Peninsula seafood on the menu.

As the local convener for the night, Mark McDonald took the role of MC, welcoming everyone to the dinner, including Simon Miller, Old Scholars' President and Ken Watson, Deputy Headmaster of the Secondary School.

Brian Wibberly proposed the Toast to the School and Ken Watson responded on behalf of the Headmaster and the School. Ken recounted many stories from the school, including some football stories involving some at the dinner and gave an update on the construction front and other developments in the School.

Tim McDonald proposed the Toast to the Association and spoke warmly of the efforts of the Old Scholars to continue the Regional Dinners and provide opportunities for Old Reds to congregate.

Simon Miller responded to Tim McDonald's toast, thanking the conveners and everyone in attendance. As President, he discussed the role of the Association on financial, sporting and scholarship fronts.

It was agreed that next year's dinner would be held in either Arno Bay or Cleve, the exact venue to be confirmed later.

Another highlight of the trip to Port Lincoln was heading out on the water on Sunday in Tim McDonald's boat for some fishing and sightseeing around the Marina and Boston Bay — a great trip out with the McDonald and Treloar boys. Thanks to Tim McDonald for the great opportunity.

Special thanks must also go to Michael Treloar and Mark McDonald in organising this year's dinner.

Simon Miller

Lower North

Once again this year, the Lower-North dinner was held at Martindale Hall,

Mintaro on Saturday 28 October. A number people travelled from Adelaide for the function, including the Deputy Head of the Secondary School, Ken Watson and his wife Jo, along with the PAOCA President, Simon Miller and his wife Nici. The "cocktail party" format was once again in place for the event following the success of this initiative last year.

The local convener, Will Nolan, welcomed the Adelaide visitors and about 50 local Old Scholars and their partners to the event and was an excellent host. There were some excellent speeches recounting some wonderful memories from times at the School and in the Boarding House. The Deputy Headmaster then responded by describing the notable events, activities and achievements occurring in the School at present.

After Mr Watson's address, the PAOCA President responded to the Toast to the Association by talking about the Association's current activities and reflecting on his year as President during which he had many new experiences and met many interesting and friendly Old Scholars.

An Association tie was then presented to the youngest Old Scholar in attendance and Arthur Hall was recognised (once again) as the most senior Old Scholar in attendance with a new Rowing Club scarf. Will Nolan rounded up the formalities by thanking everyone for attending and encouraging them to stay and enjoy catching up for a while.

Sean Heylen

Mid-North — Jamestown

Old Reds from the Mid-North area returned to the Commercial Hotel for the Annual Dinner on 20 May 2006. Favourable weather conditions meant that many Old Scholars on the land were inundated with work and we were hopeful that it would be a bumper season for them all. However a dinner group of 29 sat down to a great three course meal, and with three options for each we were spoilt for choice.

With its maroon and white tonings, the room was the perfect colour for a Princes dinner, this evening led by Malcolm Catford as MC, with the famous Appila gavel by his side.

Craig Honan gave the Toast to the School, reminiscing of many memories of the boarding house, between periods of mischief and the times where he decided to 'fly straight' when needed. Craig talked most fondly of the sporting side of the school, and in particular cricket, which later led him to the UK to play. In talking about various cricket teams and schooling, Craig also mentioned his involvement with Ken Watson, who was to respond on behalf of the school.

In responding, Ken Watson spoke of the many changes in the school and how much he enjoyed his nine years in the boarding house with his wife Jo. Events such as this not only provided Ken with the opportunity to catch up with former boarders, but also for Jo as well, who was such an important part of boarding house life.

Tim Hall proposed the Toast to the Association, commenting that he was proudly wearing the Old Scholars' tie he received last year for the youngest attending. Tim recalled stories from his school days but also spoke of what a Princes education had meant over the years and the contacts it had provided.

The President, Simon Miller, thanked Tim for his words and to Bill Blake for his efforts in organising the dinner, echoed by Malcolm Catford. Simon spoke of the role of the Association and highlighted a number of events including the 100th London Dinner in 2008 and Old Scholars' sporting events.

The Association's Junior Vice-President, Andrew Clarkson, was also invited to say a few words, talking about some of his connections to those at the dinner.

With Tim Hall wearing his tie with such pride after winning it last year, Craig Honan was a worthy recipient as the youngest attending and will be a memento of his toast to the school on the night. Harold Tiver was also presented with a tie for being the most 'senior' of the Reds attending the dinner.

Special thanks must go to Bill Blake for his efforts in organising another great evening. Any Old Scholars in the Mid-North who might be interested in assisting Bill for next year's dinner should get in contact with the School or Bill himself.

Simon Miller

Regional Reports

Riverland and Mallee

The Riverland and Mallee Dinner was held at Lee's Restaurant, a Farm Stay Homestead at Ngallo, about 20 kms east of Pinnaroo on Saturday 1 April 2006.

The outdoor setting was delightful, under the pergola, and the gourmet barbeque superb. The evening was fresh but the brazier provided warmth and atmosphere. A small but quality group was in attendance with seven travelling from Adelaide.

It was disappointing that the Shannon family had to cancel at the last moment, due to John's sudden illness. He was a great supporter of these dinners, a wonderful personality and will be sadly missed.

Cameron Gasmier the local convener and chairman organised an excellent weekend down to the last detail including a trail of red and white balloons from Pinnaroo to the Homestead. Most of the travellers stayed at the Pinnaroo Motel in "Superior Accommodation". A pre-dinner gathering in the car park set the mood for a great evening.

Paul Daniel proposed the Toast to the School. The Headmaster, Mr Kevin Tutt responded outlining new developments within the School and Boarding House. Bevan Daniel proposed the Toast to the Association and Rex Wilson, Senior Vice-President responded and discussed the activities of the Association over the last twelve months. The meal was excellent and the evening concluded with port and coffee around the brazier.

The following morning, after a hearty country breakfast at the BP Roadhouse the visitors were treated to a private tour of the Mallee Heritage Museum which was extremely interesting.

I wish to thank Cameron Gasmier for organising the dinner. His enthusiasm and his attention to detail made the weekend memorable. It was agreed that next year's dinner would be in the Riverland at Loxton.

Rob Hall

South East

Under the enthusiastic organisation of convener Jamie Kelly, 36 Old Reds gathered at the Naracoorte Hotel for

a much anticipated Annual South East Dinner. Naracoorte was a busy place that day with the Old Scholars' dinner competing with two weddings and a dog show on the town's oval for catering and venues.

It was pleasing to see five younger Old Scholars who had left the College in the past five years in attendance. All ex-Boarders, the five were thrilled to meet and catch up with Mr Grant Davis, the School's Director of Development, who was Boarding House Master during their time at PAC.

Jamie Kelly proposed the Toast to the School and he spoke with passion and enthusiasm about how proud he was to have his son at Princes this year. He recounted some of the more unforgettable moments during his time at the boarding house.

Grant Davis responded on behalf of the School, outlining the College's vision and showed the audience plans for the current and anticipated building projects. David Brown proposed the Toast to the Association and President, Simon Miller responded. Association ties were presented to the youngest and oldest Old Reds present.

The South East Dinner will be held in Keith in 2007.

Andrew Clarkson

Southern Hills/Fleurieu Peninsula

The Victor Harbor dinner was held on St Patrick's Day at the McCracken Country Club. Sixty people attended with 15 travelling from Adelaide for the evening. Andrew Jeffrey and Kym Bartel convened the dinner which was held in high spirits, with many poor Irish jokes marking the occasion.

John Crompton AM proposed the Toast to the School. John was congratulated on receiving the AM, bestowed upon him the previous year. Mr Grant Davis, representing the Headmaster, responded and presented a detailed summary of the College activities and achievements. He also outlined the School's Development Plan for 2006-7.

Association ties were presented to the oldest Old Scholar present, Dr Fred Heddle (1923-1928) and to Gavin Roberts, the youngest Old Red.

Lindsay Gibson proposed the Toast to the Association and President, Simon

Miller responded, giving a summary of the Association's activities for 2005-2006.

Andrew Clarkson

Yorke Peninsula

On Friday 31 March 2006, the Maitland Hotel again played host to the Yorke Peninsula chapter of the Old Scholars. The night was well attended, with many familiar faces among the 30 in attendance.

Unfortunately due to some last minute withdrawals, the usually strong Adelaide contingent was reduced to Simon Miller, Old Scholars' President, and Grant Davis, Director of Development, representing the Headmaster and the School.

Chris Rowe was the Master of Ceremonies for the evening and invited Simon Greenslade to propose the Toast to the School, and Tom Saint to propose the Toast to the Association. In proposing the toast, Simon Greenslade recounted some of his memories from school, from dealing with prefects and first year students to his now infamous Religious Studies exam. Grant Davis responded on behalf of the Headmaster and the School, keeping everyone up to date with the latest news from the school, particularly on the construction front.

In proposing the Toast to the Association, Tom Saint spoke of the various elements of the Old Scholars and the need to keep the numbers strong at the regional dinners. Simon Miller responded thanking the conveners and all in attendance. In addition, he discussed the role of the Association on financial, sporting and scholarship fronts.

Prizes were awarded to Jason Cane for being the youngest in attendance, to Joe Murdoch for travelling the furthest for the dinner and Maurice Wakefield for the oldest in attendance, as John Southwood passed up the opportunity for a tie.

After much discussion about the venue for next year's dinner, it was agreed that a questionnaire would be designed and sent to all Old Scholars on the YP to ascertain their thoughts on the venue for future dinners and the possibility of transport to boost numbers.

Special thanks must go to Simon Greenslade for his efforts in organising the dinner.

Simon Miller

Purely Personal

Congratulations to Jason Bender (PAC 1984–1988) and classmate Dr Richard Jacka (PAC 1984–1988), co-founders and directors of web software company Chimo; and Duncan Chessell (PAC 1983–1987) mountaineer and founder of DCXP Mountain Journeys. All three were recently recognised as South Australia's Rising Stars in the Sunday Mail's November Entrepreneur Magazine.

Congratulations to Dr Tim Cooper (PAC 1962–1973) Managing Director of Coopers Brewery, winner of the Family Business Australia's 5th Generation: Sustainability into the Future category for South Australia.

Simon Gerard (PAC 1978–1989) has recently left Clipsal to join his father Robert Gerard (PAC 1952–1960) at the family's Gerard Corporation. The Gerard family founded Clipsal in 1920, but sold to French firm Schneider Electric in 2003. This is the first time in the 86-year history of Clipsal that no Gerard family member has been on board.

Parndana farmer and old scholar Andrew Heinrich (PAC 1977–1979) is the first farmer from Kangaroo Island to be honoured with the prestigious Nuffield Scholarship. This prestigious award was founded by Morris cars founder, and philanthropist Lord Nuffield in the UK after the Second World War. Andrew's scholarship includes entry to the "Nuffield Family" and \$25,000 towards an international study tour to Canada, Argentina and the United States.

George Karafotias (PAC 1978–1989) has been elected partner at the international law firm Shearman and Sterling LLP. George, a cross-border merger and acquisitions lawyer, joined Shearman and Sterling in New York in 1998, and has been practising in the London office since 2003.

Matthew Lane (PAC 1985–1989) was recently promoted to Director of Wine Education for the multi-beverage giant Fosters. He is responsible for controlling all facets of wine education for South/Central America, USA and Canada from his base in Napa, California.

Congratulations to two recent Old Reds

who were drafted into AFL clubs in 2005, Nick Lower (PAC 2000–2004) was drafted by Port Power, and Bernie Vince (PAC 2002–2003) was selected by the Adelaide Crows.

James Pratt (PAC 1995–1999) has recently moved to Sydney where he has been awarded a Music and Tutorial Scholarship with the Sydney Conservatorium of Music. In his first year James will perform as the principal soloist for the Conservatorium's production of 'Il Mondo Della Luna' and then their Christmas production of Handel's 'Messiah'.

Congratulations to Adelaide batsman and Redbacks player Luke Williams (PAC 1989–1997), son of PAC 1st X1 Cricket Coach and Head of Cotton, Peter Williams, who was awarded his first Bradman Medal in April. Luke has been named in Adelaide's A grade team for this year, together with Glenn Ashmeed (PAC 1989–1993), Todd Ferguson (PAC 1983–1990) and Ben Johnson (PAC 1988–1990).

Australia Day Honours 2006

Medal of the Order of Australia — OAM

Mr Donald Graham Noblet — PAC 1950, Foundation Member, past parent and current member of the Grandies' Club. For service to the Uniting Church and Royal Guide Dogs Association.

Mr Brian Sydney Treloar — PAC 1949–1951, Foundation Member and past parent. For service to local government, healthcare, church and freemasonry groups.

Officer of the Order of Australia — AO

Dr John Brian (Brian) North RFD — PAC 1951–1956, Foundation Member and past parent. For work as a clinician, surgeon, teacher and research of neurological diseases.

Queen's Birthday Honours 2006

Member of the Order of Australia (AM)

Judge Lloyd Kingsley Newman (PAC 1942–1950) for service to law, promoting programs to assist juvenile offenders, to District Court and Youth Court of SA; sporting, animal welfare, motor sport organisations.

Dr John Lane Waddy (PAC 1938–1942) for service to cardiology through research and improved treatments and procedures, to medical education and professional development.

Brigadier Nicholas Allan Williams (PAC 1957–1965) for exceptional service as Commander 9th Brigade and Director Army Personnel Agency, Adelaide.

Brian Pittman was joined by his grandson Sam following Old Old Boys' Assembly

Achievements in 2005/2006

SABA Competition:

PAOC won the A grade 2005/06 summer season premiership. A great effort by all concerned. The club was also fortunate to win the State League premiership and the C grade premiership in the 2006 winter season competition.

Junior League: PAOC entered three teams in the first JL season of 2006. The PAOC Warriors finished in third place in Division 1. The PAOC Redbacks team finished second in Division 2. As always, the club very much appreciates the efforts of parents who assist with our junior league teams and junior coaching program.

State Representatives: The club is pleased to acknowledge the achievements of the following club players who have represented the state in 2006: Andrew Surman, Chad Whitehead, Mark Prior, Claire Wong and Yohan Halawa, and also club members who volunteer in various capacities to assist with state teams: Chris Thirlwell (State Under 19 and Senior Coach) and Tracy Farinola (Team Umpire for Under 17). We would also like to wish Mark Prior and Chad Whitehead well in their move to Melbourne to train with the Australian Elite Squad, and to congratulate Andrew Surman on his selection in the Australian Under 23 team. Congratulations to all and thanks for your continuing efforts.

Social Events/Tournaments

The club's 2006 end of season presentation night was held at the Kensington Hotel.

The club's annual trip to the Southern Vales wineries took place in November 2006. As always, a big occasion for all.

In November/December 2006, the club will hold its annual junior singles championship for the Liz Ashforth trophy

1985 school leavers enjoy the PAOCA Annual Dinner. Back L to R: Andrew Hawkins, Mark Perks, Greg Siegele, Lachlan Ferguson, David Walker. Front L to R: Andrew Heitmann, David Richards, Ian Simpson, David Garrett and Kym Russell

and the club mixed doubles championship for the Brian Semple Trophy.

School Liaison: The club retained a close link with the school, providing court officials for the intercol match against St. Peter's College. Andrew Surman also undertook coaching throughout the year with the badminton intercol squad and school teams.

Thanks to the school for their ongoing support and the use of the facilities in the sports stadium.

The Club trains at the school every Sunday from 10am to 1pm. (Juniors 10am to 11am and Seniors from 11am to 1pm). Any person interested in playing for the club should contact David Olsson on 8431 1315(h) or 8463 6917(w)

David Olsson, Chairman, PAOC Badminton Club
www.paocbadminton.com

Basketball

2006 was PAOCBC's 14th season and it would prove to be a bittersweet season with five of our seven teams making Grand Finals but losing them all. The A's lost by 6 to Beaumont Baptist, the C's lost by 1 to St Matthews, the D's lost by 2 to Dernancourt and the Monday and Wednesday Social both lost in tough games.

Off the court, PAOCBC kept up with its rigorous social calendar with the 3rd Rookies Pub Night to welcome all new club members, the free flowing Club Pub Crawl, the 3rd Annual Players' Player Dinner to crown the player nominated Player of the Year and of course the 13th Annual Basketball Club Luncheon. At the Players' Player Dinner Nic Blair, Stu MacDonald, Mike Tye and Matt Will won their teams respective Players' Player awards.

Young gun Nic Blair was rewarded for an amazing season by became the youngest ever Club Champion. Ben Darsow, Stu MacDonald, Phil Motteram, Mike Tye, Matt Will, James Baker, Nathan Graham and Andrew Todd were all rewarded with their team's Most Valuable Player awards. Liam Golding, Cliff Hurburgh, Matthew Spangler, Matt Williams, Mark Lambert and Mark Waters were all awarded their team's Best Team Man awards.

I would like to take the opportunity to thank the team captains, scorers and other contributors to the Club, without whose efforts my own job would be near impossible. I would like to thank Simon Miller, Andrew Williams, Sean Heylen, Liam Golding and Andrew Todd for all of your efforts this year — thanks lads.

The Club's website www.paocbc.com continues to provide information such as contact details for Club members, game times, results and statistics as well as links to various sites of interest to Club members (including our sponsors). This year the site has added a number of photos and reports from Intercol, grand finals and the annual luncheon.

The Club would also like to thank our sponsors Trims Menswear, The Queen's Head Hotel and Coopers Brewery for their help.

The Club trains on Tuesday evenings between March and September from

Sports Clubs

approximately 6.30pm to 8.00pm at the school gym. There are teams playing on Saturday, Monday, Wednesday and Thursday in the winter season and currently on Monday and Thursday (at MARS) over the summer season. Any Old Scholars interested in playing for the Club can attend training or contact any one of the following for more details:

Club President Ben Palk on 0405 249 794, 8112 0753 (work) or benpalk@yahoo.com

Club Treasurer Simon Miller on 0412 853 633, 8211 7800 (work) or smiller@ppbsa.com.au

Club Chairman Sean Heylen on 0419 809 929 or sean@deadline.net.au

Club Secretary Andrew Williams on 8235 7775 (work) or Andrew.Williams@finlaysons.com.au

Ben Palk, President

Bowls vs Saints

On Thursday 16 February sixty-four dedicated bowlers competed in the Annual Bowls Tournament between PAOC and SPOC on what could only be described as a perfect night for bowlers.

The bowlers were not just from local Adelaide Clubs. A number came from country areas including Yorke Peninsula and a team from Geranium in the Mallee. It was also a thrill to see two former masters Colin Crouch and Bern Basedow competing along with "Night Owl" Grant Davis. While not competing, President Simon Miller and several committee had an individual competition with former President, Fred Hamood showing the 'amateurs' how it's done.

This year the Old Blues were after a hat trick but the Old Reds would not be a party to it and successfully won the night 130 points to 110 points.

The bell was rung at 10.10pm, supper was served and our President, Simon Miller thankfully accepted the Shield (first presented in 1928) from the Secretary of SPOC, Chris Roe. Both Chris and Simon thanked the Adelaide Bowling Club for hosting the night along with our two co-conveners, Brian Gum from Saints and Peter Broadbent from Princes, for once again organising this very enjoyable old scholars' sporting event.

Old Reds who would like to play in 2007 should register with Peter Broadbent by telephoning him on 8356 4780.

Rex Wilson

Cricket

The 2005/06 season again saw PAOCC enter five teams in the Adelaide Turf Cricket Association competition.

Our A-Grade had a season to forget and were unfortunately relegated from Premier League. Greg Carmody had a stellar year taking out both the batting and bowling trophies (353 runs at 32.09 and 18 wickets at 21.78). Michael Richardson won the Olsson Family Trophy for best A-Grade fielder.

The C-Grade had a disappointing season, finishing 10th. Mark Gobolos (147 runs) just pipped Tyson Smith (145 runs) for the batting trophy, while the bowling trophy was taken out by Matthew Lowe (18 wickets).

The E-Grade also had a disappointing season. Captain Michael Siciliano took out both the batting trophy (319 runs) and shared the bowling trophy with Shane Roberts, taking 17 wickets each.

Both the B-Grade and D-Grade finished in the top 4, but were eliminated in the semi-finals. Talented young players Charlie Aust (397 runs) and Dave Larkins (17 wickets) took out the B-Grade trophies, whilst club veterans Ben Cunningham (446 runs) and Pat Ryan (25 wickets) performed exceptionally for the D-Grade.

Up and coming B-Grade fast bowler Matthew Davis became the third winner of the Mark Schwartz Award for best Under 21 player while Robert "Stormy" Waters took out the Moffat Family Trophy

for Best Club Man for his contributions as A-Grade scorer for many years.

The 2006/07 season is now underway under the leadership of new club coach and ex-Kensington premiers player, Sam Turner. The season sees continued enthusiasm around the club, particularly in light of the new partnership with the Astor Hotel. Training is Tuesday and Thursday nights at the PAC back oval, all new players are welcome. Contact Brad Weidenhofer on 0421 521 615 for further information.

Cricket vs Saints — Wednesday 22 February

On a glorious summer day at PAC, the Chester Bennett Cup, which PAOC had held for the past two years, was convincingly won by Saints with time — and 30 overs — to spare.

The Front Oval was presented, in excellent order, and with a perfect pitch for batting, Princes could only manage a meagre 104 runs from 43.3 overs and so failed to bat out the 50 overs available.

After losing a wicket in the game's opening over, PAOC fought hard against a keen attack to be 3 for 34 in slow time until Tom Moffat and Greg Carmody produced the only fruitful stand of 49. The last six wickets fell rapidly to set Saints the smallest target of 105 runs to win in the afternoon.

After lunch the Saint's captain, Chris Taarnby, launched a vigorous assault on the Princes' bowling as the opening pair put on 78 runs, before Camody had Taarnby caught for a brisk 53. From this point, Harford, who had supported his captain well in the opening stand, took

Glyn Parsons and his grandfather Don meet at Old Old Boys

Sports Clubs

over the scoring for Saints, but Carmody took 2 more wickets quickly.

The Saints' objective, however, was to close for Princes to cause any real upset, but Harford unexpectedly fell with the scores tied at 104 for a well-compiled 45, after which Delmont scored the winning single, Saints' 4 for 105 coming from only 19.2 overs. The Saints' scorecard was somewhat bizarre in that Taarnby (53), Harford (45) and 6 sundries produced 104 runs, neither batsman numbers 3 or 4 scored a run and Delmont at No. 5 scored the winning single.

Tom Moffat with his 27 runs and 1 for 2, and Greg Carmody with 19 and 3 for 11 performed well but the PAOC efforts were well below expectations as the scores clearly revealed.

The results of the 27 Chester Bennett Cups contested stands at 14 wins for PAOC, 11 wins for SPOC and 2 no results from bad weather (1979, 1984).

Football

The PAOCFC experienced a frustrating year this year on the field, after starting the season with a young squad filled with potential. After a good pre-season and early trial form, new coach Sean Tanner was expecting his young team to be competitive with the top teams.

The PAOCFC fielded 3 teams for 2006 in the South Australian Amateur Football League this year in the following grades:

A Grade: Division 3 Coach-Sean Tanner

B Grade: Division 3 Reserves Coach-David Walker

C Grade Division 9 Coach-Adam Balnaves

Although the A Grade finished 8th and the C Grade 6th after the minor round, the B Grade was able to finish the season in 2nd position and compete in the finals. After finishing the minor round on a high, the B Grade entered into the final series aiming for a flag. However, our young team was outplayed in both finals by Walkerville and Salisbury to finally finish in 4th position.

Despite the disappointing results of the A Grade on the field in 2006, there were still a number of highlights. The PAOCFC enabled 116 players to play football this year, which goes to show the support of Old Scholars towards the club. Also, the club allowed 10 players to play their first A Grade game for the club in their first or second years out of school.

Off the field, the PAOCFC had an excellent year with numerous functions held for both players and supporters. Miss Princes, Rock with the Reds and the End of Season Presentation Breakfast were all well attended and successful events. This year also saw the Club hold the inaugural PAOCFC Poker Classic held at Skycity Casino and was attended by 60 supporters and sponsors of the club.

There were also a number of individual highlights throughout the season. Rover George Choimes won his first A Grade Best and Fairest Award in just his second year with the club, Nick Pemberton won the B Grade and Tim Masters won the C Grade. Adam Balnaves won the Club's

Leading Goal Kicker Award and Andrew Newbery won the Rookie of the Year.

The PAOCFC also enjoyed magnificent support from our major sponsors this year: The General Havelock Hotel, Coopers, Adrover, T & R Pastoral, Trims, Fielders, ResourceCo and Graycorp. All of these companies have shown great support to the Old Scholars Football Club and its community and gives all Old Scholars an opportunity to play football every year.

The club is looking forward to a successful 2007 season and encourages all school leavers and old scholars to join the club next year.

Matthew Lowe, 2006 PAOCFC Chairman

Old Reds' Golf Day

The 2006 Old Reds' Golf Day was held at the Kooyonga Golf Club on Monday 6 February. One hundred and eight players participated in the shot gun start, stableford team and individual format.

The event was generously sponsored by Russell Trim, Trims; Richard Hockney, National Australia Bank; Rob Parsons, The Treasury on King William; Andrew and Paul Buttery, Gemtree Wines; John Easling, O'Leary Walker Wines; Honi Dolling, Chain of Ponds Wines; Tim and Glenn Cooper, Coopers; Fred Hamood, Cellarbrations at Glenside; Alistair Walker, Gilbert Motor Bodies.

A special thanks to Heath Brasher and Greg Stirling for donating prizes for the raffle.

At the conclusion of play the President, Simon Miller, presented prizes to the following winners:

Handicap Category

Simon Moschou (Individual Stableford); Sean Heylen, Ben Darsow, Simon Moschou and Greg Stirling (Team Stableford).

Hon Handicap Category

Harry Perks (Individual Stableford); Phil Motteram, David Holland, Phil North and Ben Brazier (Team Stableford); Tom Hunwick (Lowest Individual Score); Tim Thredgold, Ian Steel, Chris Thredgold and Mike Dixon (Lowest Team Score).

Sean Tanner (Nearest to the Pin 7th Hole); Richard Hamood (Nearest to the Pin 14th Hole); Harry Perks (Longest Drive 16th Hole); Gilbert Rutherford (Straight Drive 1st Hole); Grant Winkley (Closest 2nd and 5th Shot).

Cousins Sam Wilhelm, Frank Cornish, Gordon Prest, James Prest and David Cornish joined for morning tea following Old Old Boys Assembly

Sports Clubs

Hockey

The 2006 season saw the Prince Alfred Collegians' Hockey Club field one team in Division Four. Thirty-one players represented the club throughout the season under playing coach Simon Saint, and captain and team manager, Alex Chapman.

The year was viewed more as a re-establishing year as opposed to being driven by on field results. The most pleasing part of the year was seeing some fresh faces welcomed to the club and seeing them enjoy their time both on and off the field. While numbers of players was rarely a problem, our skill level was something to work on and it was pleasing to see this improve over the course of the season. With an improved training regime planned for next year hopefully our skill level will continue to grow and will show on the scoreboard.

The social side of the club is viewed as an integral part and was aided by the generous sponsorship of the Lion Hotel. The club thanks them for their support over the past two years and hope it will continue next year and beyond. The season was capped off with a dinner that ran into the late evening and was enjoyed by all.

The results for this year for the team were three wins, and two draws from the season. There were a few unlucky results during the year, with twice in the first three games the team losing 2-3 in the dying minutes after being 2-0 up. The

team has the potential for much greater results next year and beyond with some hard work in training and a bit more luck. Alex Chapman won the Best Club Man award, Andrew Baillie took out the Best and Fairest award, while Patrick Sadler won the Best Team Man award.

Next year the club plans to again field one team in Division Four. PACHC is of course eager to hear from anyone interested in joining the club. Also, enquiries are encouraged from anyone interested in coaching or administration roles. The people to contact are either Alex Chapman on 0418313630 (alex@senatorchapman.com) or Steve Olsson on 0410126028 (rhonda72@tpg.com.au). We look forward to a successful 2007.

Alex Chapman

The 2007 event will be held at the Kooyong Golf Club on Monday 5 February 2007.

Soccer

Season 2006 has been the most successful in a number of years for the Soccer Club, with excellent results against the traditionally strong soccer schools. The club once again entered two teams in the Collegiate Soccer League.

The A team had some outstanding performances during the season which included victories over Unley High School and Rostrevor. Unfortunately, a slow start and a number of injuries early in the season prevented us from threatening the leading teams on the premiership table. The recruitment of a number of new players in to the team was pleasing and we look forward to their return in 2007.

Consistency was once again a feature of the B Team in 2006, with strong

performances against most opposition. A stable group of players for the duration of the season has surely featured in the teams' successes.

Unfortunately, the Intercol was not played this season but we look forward to it returning in season 2007.

I would like to thank the committee for their time and commitment to club, with special thanks to Mark Roma, Matt John, Greg Clark, Greg Branford and Carlo Malatesta for their tireless efforts behind the scenes. We once again owe a deep debt of gratitude to our Coach, Frank Mignone. Frank's efforts invaluable and he is easily the biggest contributor to our club in terms of time and effort.

The club continues to maintain a strong relationship with the Collegiate Soccer league and we will ensure that we continue to maintain a voice in the direction of the league in 2007 and beyond. A new committee in 2007, will definitely ensure that club the clubs on-going success and growth.

We look forward to a successful 2007 and I encourage you all to actively participate on and off the field. Anyone interested in playing soccer in 2007, should contact us via our website www.paocsc.org.au

Stephen Silver, Chairman
www.paocsc.org.au

Squash Club

The Squash Club is having an enjoyable year but not the success in Pennant competition as it has had in the past few years. Three teams competed in the Autumn Pennant, one in Division 1 and two in Division 3, while only two teams competed in the Spring Pennant, both in Division 2.

The Spring competition is still in progress and there is a good chance of one of these teams winning the Pennant. While Pennant competition has declined, our internal competition is very strong with five teams competing at our courts every Tuesday night.

The Old Scholars match held against SPOC each year was contested on Tuesday 25 July with a young Princes side comprising of Tim Angel, Anthony Sallis, Tom West and Aaron Garry. The Old Reds had a convincing win 4 rubbers to 0 but there were some very close games. This was the Old Reds 39th victory in succession, a fantastic achievement. The Brian Fricker trophy was presented to the

Attending their first dinner PAOCA Annual Dinner are 2005 leavers Lachlan McColl, Hamish Toop, Sam Will, Andrew Newbery and Jack Mattinson

Sports Clubs

Princes Captain, Tom West, by past SPOC Chairman, Phil Plummer.

The AGM and Annual Dinner were once again held at the Public Schools Club on 10 February, 2006 with the Headmaster, Mr Kevin Tutt and President of the Old Scholars' Association, Mr Simon Miller attending. It was a most enjoyable evening with club member Ryan Klose providing the wine for the evening. The club also had a mid-year dinner held at the Astor Hotel on Friday 7 July which was also a great night with the wines once again provided by Ryan Klose.

This year the Old Scholars' Squash Club had much pleasure in once again providing the prizes for the PAC Squash Championships.

Year 8	Champion	David Piper
	Runner-up	Anthony Milton
Year 9	Champion	Thomas Cook
	Runner-up	Thoms Teague
Year 10	Champion	Michael Bolzon
	Runner-up	Tom Bade
Open	Champion	William Gray
	Runner-up	Daniel Renshaw

The committee is always eager to encourage new school leavers as well as old scholars to join our Squash Club so as an incentive, any new player for the club will forgo paying fees for the first pennant.

Our next function will be Christmas drinks on Friday 15 December with the AGM and Annual Dinner to be held on Friday 9 February, 2007.

Any person interested in finding out about the Squash Club and its activities is most welcome to contact Rex Wilson (Secretary) phone: 8332 6202 or 0412 813 415 or work 8203 4094 or Rob Sallis (Chairman) phone: 8379 0490 or 0439 808 348 or work 8410 3672.

The Squash Club wishes all old reds and members of the Princes family a safe, prosperous and enjoyable 2007.

Tennis vs Saints

Princes entered the annual contest for the ET Rowe cup with renewed enthusiasm on our home courts with the best team assembled since our last victory in 2002. In fact for once we had more than a full complement of 12 available to play, making it necessary to turn some players away!

The infamous doubles and reverse doubles format was maintained, and after a relatively tight first round Saints went into the half way mark with a 4 rubbers to 2 lead, with Princes wins to Ali MacDonald and Alfie Brown and Nick Wong and Matt Selby.

Unfortunately that was the extent of our optimism, as Saints dominated the reverse round 6 rubbers to nil, with Andrew Reed and Andy Timbs and Chris Tidswell and Mike Turner both going down narrowly for Princes in third set super tie-breakers.

The final result was quite convincing, with SPOC winning 10 rubbers (20 sets and 146 games) to PAOC 2 (6 sets and 110 games), and confirming again the excellent depth and Tennis talent of their club. Post-game presentations were held in the Gerard Innovation Centre, and we look forward to a tighter contest next year with one or two more top players available.

The men of 1966 at their 40 Year Reunion

Life Membership

Following a review of the Association's financial position and an actuarial review, effective 1/1/96, Life Membership subscriptions have been reduced to:

Under 25 years of age	\$310
Under 30 years of age	\$300
Under 35 years of age	\$290
Under 40 years of age	\$280
Under 45 years of age	\$260
Under 50 years of age	\$240
Under 55 years of age	\$220
Under 60 years of age	\$200
Under 65 years of age	\$175
Under 70 years of age	\$150

Annual Membership subscriptions will remain at \$14 and 5 year Membership at \$70.

Application forms for Life Membership and other categories are available from the Association's office at the School.

Annual General Meeting

The 129th Annual General Meeting of the Association will be held at the School at 7.30pm on Thursday, 15 November, 2007. Members are asked to note this date in their diaries and to make every endeavour to be present.

Archives

The School is very proud of its archives, which have grown over recent years to provide a wonderful record of the College.

Many items are displayed in the School Museum and are on rotation under the care of Archivist, Mr Tony Aldous, Mr Andrew Buxton and selected students.

Mr Aldous is very keen to receive suitable material for the archives, whether it be old school photographs, programmes or other items of memorabilia. If not being kept in a family, they would be gratefully received if offered to the School.

Items for Sale

All the items listed are available from Princes Parade

Acrylic Coffee Mugs	6 for \$22 or (each) \$ 4	History of PAOC Football Club	\$10

The objects of the Association are:

1. The furtherance of all that appertains to the welfare of Prince Alfred College.
2. The promotion of unity and friendship among the Old Scholars of the College.
3. The maintenance of the interest of Old Scholars of the College.

Old Boys' Week is observed annually toward the end of July. The School Chronicle is forwarded to each member of the Association.

The Annual Subscription is \$14.00. Subscriptions received in advance up to five years will not be subject to increases during the period.
