

Prince Alfred College Seymour College Family Discount

*Inspiring
Excellence*

www.pac.edu.au

Prince Alfred College and Seymour College offer a discount to those families who have children at both Colleges.

The Family Discount provides a 5% remission on Tuition Fees only, and is applied to the eldest student at each College. At Prince Alfred College, this discount is not available if any of your children at either College are already receiving a scholarship or other form of fee remission, other than a Sibling Discount.

Parents of children currently qualifying for this discount should note that their eligibility will automatically continue into future years, thus there is no need to lodge a new application form. Please note also that eligibility for this discount will cease when one of your children completes studies at either Seymour or Prince Alfred College (e.g. completion of Year 12) unless the discount can be passed to a younger sibling still at that College. If this is the case, a new application will need to be submitted.

Parents wishing to avail themselves of this discount are asked to apply to the Finance Officer at Prince Alfred College providing the information specified on the form below. In order to qualify for this discount for the full school year, applications need to be lodged by the second Monday in January of that year. The Family Discount applicable to your son will be credited to your account in January each year in conjunction with the billing for the tuition fees.
