Uniform Handbook

Introduction

The Prince Alfred College uniform is an integral part of the College's identity and contributes to a strong sense of belonging and community spirit.

School uniform must be worn while at school, travelling to and from school, and on those occasions specified by the Headmaster or delegate. It is a fundamental expectation of all students that they wear the correct uniform and present themselves to the highest standard.

Uniform items should be clearly marked with name tags, and all equipment permanently marked with a name and telephone number.

Further information regarding school uniforms, dress code and uniform expectations can be found in the Parent Handbooks.

Early Learning Centre

The Early Learning Centre uniform comprises warm and cool weather options, which can be worn year-round for indoor and outdoor play.

Children are encouraged to use their own backpack when starting in the Early Learning Centre so they have something of their own and can easily identify their own school bag.

Children in the three and four-year-old programs also require a Library Bag for their weekly Library Visit. Library Bags purchased from the College Shop can also be used in Preparatory School.
