Welcome to Winter Intercol 2023

St Peter's College
ADELAIDE, AUSTRALIA

Welcome to Prince Alfred College and the playing of the 152nd winter Intercol. The summer Intercol saw a wonderful display of comradery and sportsmanship across all levels and across all activities between our two great schools. First played in 1871 the traditional rivalry

between Saints and Princes is something our boys and families have come to love and celebrate, and history tells us the memories created over these next few days will endure long after our boys leave their schools.

I thank Mr Browning and the St Peter's players, coaches, and spectators for the positive way you always engage in the fixtures between our two schools.

I ask that over these few days when you are around the College that you take a short moment to say thank you to the many staff of both schools, but particularly the grounds staff, catering and events staff, and of course the many passionate and dedicated coaches that have made this season possible.

I look forward to seeing you around the College and hearing the stories of triumph and perhaps a last gasp victory, but also stories of hard-fought losses. These experiences all make up the rich tapestry of each of our lives. We know that our players, coaches and spectators will continue to ensure dignity and humility is in abundance and that respect for each other is always maintained, because these are the lessons our boys will learn and take with them into their futures.

All the best to the players and coaches for the playing of the 2023 Winter Intercol.

David Roberts | Headmaster
Prince Alfred College

Bragging rights in your local postcode are always highly prized among friends and our intercollegiate fixtures provide the opportunity to secure same. The equal focus on spectating in addition to participation draws all members of our community toward our shared goals. We hope all

members of our community will make renewed efforts to support their peers across the full range of ability during these events. The sports programs between our two schools seek to develop a desire and ability to participate in lifelong community sport and activities, thus providing strong health protective factors for all students well beyond their schooling. These intercollegiate fixtures draw attention to this participation and we hope motivate all members of our community to maintain their healthy pursuits.

I thank Headmaster, Mr David Roberts and his staff team for all efforts in preparing these fixtures and hospitality. St Peter's College is grateful to our partners in providing the opportunity for so many students to participate over the full range of pursuits. Although the scores will likely be revered among the peer groups, it is the spirit of participation and spectating which must stand as an example to the wider community of our shared values. I ask that all participants, in and out of the arena, represent their community with humility, integrity and respect and wish all participants every success.

Tim Browning | Headmaster
St Peter's College
