### Homework expectations:

The PAC requirement for homework at Year 4 is 30 minutes each evening from Monday to Thursday. Sometimes the class teachers and sometimes specialist teachers will set the homework. Please make it a habit to look at your son's homework to be aware of what he is doing and provide support and feedback where necessary. Our aim is to continue to develop your son's independence with homework.

At the start of Term 1 boys are introduced to their weekly homework requirements. Tasks are designed to consolidate skills from the class. Usually, the boys will receive tasks on Monday and will be required to complete them by Friday.

Boys are required to read each night for at least 20 minutes. We also encourage you to keep reading to your son whenever possible. Share a children's classic together, a magazine or something which appeals to you both. It is a wonderful bonding time with great academic benefits.

Sports sampling program/Cocurricular sports (whichever is applicable)
