The Ken Lord Family Boarding Scholarship

The Ken Lord Family Boarding Scholarship is available to a boarder entering Prince Alfred College in Year 8 and will entitle the successful applicant to 75% remission of tuition and boarding fees for five years.

The Scholarship has been made possible through the generosity of Mr Ken Lord and his family. Mr Lord attended Prince Alfred College as a boarder 1940-1944 and holds the view that he was fortunate to receive the benefit of the opportunities in life provided to him by that education. He wishes to provide a similar opportunity to boys who would also benefit from an education at Prince Alfred College, and his preference is that the opportunity be provided to boys living in remote regional locations in South Australia and western New South Wales who would be unlikely to otherwise receive such an education for financial reasons.

Selection Criteria

2.1 Location

- Initial preference will be given to applicants from South Australia and from the Tibooburra, Wentworth and Broken Hill Areas;
- Further, if practical, preference will be given to those students who live 15 kilometres or more away from a local secondary school with a Year 12 curriculum where a school bus or convenient public transport does not operate, or over 50 kilometres away from the school where a school bus or convenient public transport does operate.

2.2 Other factors to be taken into account in the selection of candidate

- which candidates would be most likely to benefit from such a scholarship;
- which candidates would be otherwise precluded from attending Prince Alfred College for financial reasons;
- academic and other achievements.

2.3 Overriding considerations in the selection of a candidate

- the scholarship will be awarded to the candidate who is the most deserving of it and for whom it would have the most benefit;
- the scholarship will not be awarded on the basis of or taking into account the sporting ability of any candidate.

Selection Process

All applications must address the selection criteria.

Candidates will be selected on the basis of a written application and interview process, and parents and guardians of candidates will be required to demonstrate that their financial position would otherwise preclude the applicant from attending Prince Alfred College.

The Scholarship Fund is not required to award the Scholarship should it deem no applicants satisfactorily meet the criteria.
