Year 12 2014 Results

Prince Alfred College is committed to inspiring excellence at every level from our early learners to our graduating class. 2014 was a successful year culminating in commendable results for our Year 12s which saw 4.4% being represented in the top 1% of the State, 18.4% in the top 5% and 58.8% in the top 20% of the State.

We had dual recipients of the John Dunn Prize for Dux of the School: John Dongas and Xin Louis Xiao. Both of these young men achieved the maximum possible ATAR of 99.95 and five subject merits.

The EB Coltson Prize for Proxime Accessit was awarded to William Miller also with an ATAR of 99.95 including four subject merits.

109 Year 12 students successfully completed their South Australian Certificate of Education (SACE) and 28 students were awarded the International Baccalaureate Diploma.

Scholarships

We are pleased to report that a number of students have been awarded scholarship entry to universities nationally:

Xin Louis Xiao received a Chancellor’s Scholarship and University of Melbourne Scholarship.

John Dongas received the University of Adelaide Undergraduate Scholarship.

Jack Dascombe received the University of Adelaide Principals’ Scholarship.

Kurtis Willson received a Chartered Accountants Institute Scholarship towards his Business Degree.

Charles Marshall received a prestigious offer into UniSA’s Bachelor of Information Technology which includes a 12 month paid internship with Hewlett Packard.

It is interesting to note that other students received scholarship offers but preferred a different university and course.

Other Achievements

Darcy Lord will be studying Architecture and Design at the University of Colorado.

Mitchell Porter was accepted into the prestigious Bachelor of Philosophy Honours at ANU.

Chaise Eade, an indigenous student who represented the College on the Nation2Nation trip to The White House in 2013, will be studying International Relations at the University of Adelaide.

We congratulate all students in the Senior School for their continued inspired excellence.

Bradley Fenner, Headmaster

Emeritus Assembly February 2015
