

# Remote Learning Survey Summary STAFF

Total Responses: 54

Students were asked to respond to the following statements:

Strongly Agree Agree Neutral Disagree Strongly Disagree

## Home Environment

My experience delivering a remote learning program was positive

The daily remote learning schedule worked well for me

I was able to work productively and free from distraction

## Work Set

I felt that the work that I set was clear and the students understood what I expected

I felt that the work that I set was pitched at the right level

I felt that the students were able to complete the work set in the time available

## Communication with students

I found that I was able to adopt the correct balance btw setting work to do & Zoom check-ins

The students were able to effectively communicate with me either via email or Zoom

## Availability of help

I felt that I was able to respond to my student's questions in a timely manner

I was able to provide assistance to students when they ran into difficulty with the work set

## Technology

I was able to use all technology effectively

## Pastoral Care

I valued the opportunity to meet with my students in my tutor group check-in each morning

## Staff Adaptation

I feel that I am able to work productively in a remote learning environment

Compared to a usual day, I found the RL experience was effective producing ed outcomes
