

**PRINCE
ALFRED
COLLEGE**

annual giving 2020

COVID-19 has challenged us all

We write to you during uncertain times as the impact of the Coronavirus outbreak is felt across all sections of society, throughout the world. The resulting restrictions have changed our lives in profound ways. Fortunately, we now appear to be seeing the positive consequences of these restrictions in controlling the outbreak.

At Prince Alfred College, we have seen a period of remote learning and restrictions on many of our regular activities. Fortunately, we are better positioned than many schools in our response to these changing circumstances. A combination of the generosity of our community and good planning by the leaders of the school over many years sees us well-placed financially to deal with the consequences of this international crisis.

Recent events have brought home to us how important it is to plan and prepare for an uncertain future. We now invite you to contribute to the tradition of philanthropy at Prince Alfred College in supporting one of our very worthwhile projects, and helping to secure our long-term prosperity for the benefit of current and future generations.

In this year's Annual Giving, we provide the opportunity to support our Coronavirus Relief Fund, to assist students affected by the financial consequences of the outbreak to remain at Prince Alfred College. Alternatively, we are seeking support for two scholarship funds supporting respectively former Headmaster Geoffrey Bean and former Head of Preparatory School Neil Andary in recognition of their outstanding service to the College. Your Building Fund donation will support expansion of classroom facilities and the Chapple Library in the Secondary School, and the Library Fund supports the programs and use of that facility.

Donations can be made by returning the enclosed form, or by visiting www.pac.edu.au. We thank you for your ongoing support of Prince Alfred College.

Bradley Fenner
Headmaster

Nicholas Heard
President PAC Foundation

coronavirus relief fund

The Coronavirus outbreak has had a great impact on all of us in different ways. As a school, we have adopted remote learning for a period of time and have had to modify a number of our programs to reduce the potential for spread of infection.

At the same time, we are very conscious of the financial impact on a number of our families, affecting the capacity of some to keep their sons at the College. The College Council has therefore resolved to establish a relief fund to support families in need, to enable their sons to remain at PAC. We are seeking further donations to this fund to assist us in supporting our families affected in this way. Our desire is to ensure wherever possible that boys do not have to leave PAC because of the consequences of the Coronavirus outbreak.

Donations to the Coronavirus Relief Fund are not at this point tax-deductible.

scholarship fund

The Neil Andary Scholarship

Neil Andary attended the College as a boarder from the Riverland in 1977. Little did anyone know that Neil's qualities as a teacher, leader and role model, would see him return as a staff member in 2004 and serve as Head of the Preparatory School, Head of Schools and Deputy Headmaster. In these roles Neil brought his own style, and his warmth and welcoming ways earned the respect of students, staff, parents and other members of the College community.

The PAC Council resolved recently to recognise Neil's outstanding service through the establishment of the Neil Andary Scholarship. This will be awarded to an outstanding all-round student entering Year 5, who would not otherwise be able to attend the College. We invite you to be an inaugural donor to the Neil Andary Scholarship.

building fund

The Geoffrey Bean Boarding Scholarship

Half a century ago in 1970 Geoffrey Bean commenced as the seventh Headmaster of PAC and he has maintained a deep affinity and affection for the College ever since. In 2018 this was recognised with the establishment of the Geoffrey Bean Boarding Scholarship with the first recipient commencing in 2019.

No Headmaster of the College has enjoyed such a lengthy connection with the College. We invite those who have appreciated Geoff's commitment to the ongoing success of the College to contribute to the full endowment of the boarding scholarship which bears his name.

Donations to the Scholarship Fund are tax deductible.

Secondary School Development

In recent years, growth in student numbers in the Secondary School has placed considerable pressure on classroom space as well as the Frederic Chapple Library. In recent months, we have developed plans for extending over the Dining Hall to provide an enlarged and improved library space, together with two additional classrooms and a faculty room for English teachers.

We invite you to contribute to the development of this key learning centre within the College. Donations to the Building Fund are tax deductible.

library fund

Donations to the Library Fund as always are much appreciated and assist in the provision of extra learning programs, books and infrastructure, within the very popular Preparatory and Senior School Libraries.

Donations to the Library Fund are tax deductible.

thank you

To show your support for Prince Alfred College, please visit www.pac.edu.au, or complete and return this slip with your gift in the enclosed envelope.

Thank you!

Please find enclosed my gift of *(please tick):*
