## COVID-19: Guidelines for Parents When Visiting the College Campus

### *Protocols for Attending Activities and Events (including Sport) or at Pick Up / Drop Off.*

From Monday, 29 June, it has been possible to resume a variety of College activities, including school sport, student assemblies, camps and excursions etc, as previously outlined in a [communication from the Headmaster](#).

To help maintain a COVID-safe environment, parents and visitors are kindly reminded of the following guidelines when visiting the College Campus:

**Visitor Sign-In** | All parents and visitors to the site who are attending an indoor or outdoor activity or event (eg: school sport) are required to sign-in by scanning a QR code upon entry to the site. This simply requires the use of your phone and a log-in. If you do not have a mobile device, please use the sign-in sheets provided. Parents and visitors to the site are only required to register once for the day. Staff and students are not required to sign-in.

**General Health** | If unwell, **please stay home** and get tested if you have any symptoms of COVID-19, no matter how mild.

**Physical Distancing** | Please observe physical distancing of 1.5m wherever and whenever possible, and avoid intermingling, for example with spectators at different sporting games or timeslots.

Please do not enter school buildings or other administration areas unless absolutely necessary.

**Hand Hygiene** | Good personal hygiene (in accordance with SA Health guidelines) should be maintained at all times. Hand sanitiser stations are widely available across the College, including sporting venues. Please use as often as you are able, but particularly on arrival. Please ensure you cover a cough or sneeze with an elbow or tissue rather than with your hands.

**Attending Sport at Any Venue** | For each boy in competition, up to two parents/caregivers may attend. We would ask that extended family – especially those vulnerable – do not attend. No spectator is to enter the field of play.

**Leaving the Campus** | Please ensure you leave the Campus promptly after the activity or event has finished.

We thank you for your co-operation.
